

The School Plan for Student Achievement

School: Grant Elementary School
CDS Code: 19-64980-6022560
District: Santa Monica-Malibu Unified School District
Principal: Mr. Christian Fuhrer
Revision Date: 10/20/2018

The School Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

School Mission Statement

Grant Elementary School's Vision and Mission Statements

The Grant School Community, which includes students, their families, staff, and community members, will work together to create a safe and caring learning environment in which students will become self-directed learners, collaborative workers, critical thinkers, and responsible citizens. Families will share in the responsibility for their child's success through their active support of the

educational process.

School Profile

Grant Elementary School is a pre-school through 5th-grade elementary school in the Santa Monica Malibu Unified School District. The school administration and staff work to improve student achievement through ongoing cycles of inquiry that include collaboration time and Professional Learning Communities. The focus of Grant is student learning, family and community engagement, and implementing a culture of equity and access for all. Grant Elementary School in Santa Monica, California serves approximately 600 students. There are 24 general education classes consisting of 1 fee-based preschool class, and 1 transitional kindergarten class. Additionally, Grant offers a Special Education program consisting of 4 Specialized Academic Instruction (SAI) classes to serve students in kindergarten through 5th grade and 2 social skills classroom settings. The neighborhood surrounding Grant School is composed of single and multiple family units within a very active and family-oriented community.

SPSA Executive Summary with SLT Plan Narrative

Data from state, local, and teacher made assessments are used to inform instruction and develop programs to meet the needs of all students. Instructional staff use state, ongoing local and teacher made assessments to inform instruction and meet the needs of all students.

The School Leadership Team (SLT), along with certificated and classified staff members have worked collaboratively to develop goals and action plans to address student achievement and community engagement.

Planned Improvements in Student Performance

School Goal #1

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet student performance targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

SUBJECT: Increased Performance in Literacy and Math

District LCAP Goal 1:

All graduates are ready for college and careers.

Data and analysis used to form school-specific SMART goal(s)

Data used to establish goals and action plan:

- CAASPP Data
- FastBridge Assessments
- Teacher-made assessments
- School-wide common formative assessments

Findings from the Analysis of this Data:

- Overall 80% of all students scored at "Met or Exceed" the standard in English/Language Arts on the CAASP in Spring 2018. This was an increase of 7%.
- Overall 74% of all students scored at "Met or Exceed" the standard in Mathematics on the CAASP in Spring 2018. This was an increase of 1%.

How the school will evaluate the progress of this goal:

- 2018 CAASPP Data, student work samples, ongoing PLC data meetings, SMART goals, interim assessments and classroom observations

Grant School Goal for 2018 - 2019:

- Increase to 83% the number of students scoring at the "Standard Met" or "Standard Exceeded" on ELA state assessments as measured by the CAASPP and local assessments
- Increase to 77% the number of students scoring at the "Standard Met" or "Standard Exceeded" on Mathematics state assessments as measured by the CAASPP and local assessments

Teachers will:

- Continue to implement the New California State Standards by demonstrating the application of the three instructional shifts in English Language Arts/content literacy and mathematics as evidenced by classroom instructional practice

Students will:

- Demonstrate growth toward proficiency in grade level reading, writing, and mathematics by accessing and applying rigorous state standards as measured by local assessments, common formative assessments and the CAASPP

The CDE applies standard rounding rules to Status and Change. These values are rounded to the nearest tenth before they are displayed throughout the Dashboard and the Five-by-Five Placement Report. However, Change is calculated using the non-rounded values. Therefore, LEAs and schools should not use the rounded Status values to calculate Change, because it could result in a different performance level (color) than what is reported on the Dashboard Web site.

Planned Improvements in Student Performance

School Goal #2

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet student performance targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

SUBJECT: Equitable Opportunities for all Students

District LCAP Goal 2

English learners will become proficient in English while engaging in a rigorous, standards-aligned curriculum

Data and analysis used to form school-specific SMART goal(s)

Data used to establish goals and action plan:

- CAASPP Data
- FastBridge Assessments
- Teacher-made assessments
- School-wide common formative assessments

Findings from the Analysis of this Data:

- There is a significant achievement gap between English Learners and all other students.
- 80% of all students met or exceeded the standard in English/Language Arts on the CAASP in 2018. This was an INCREASE of 7%.
- 74% of all students met or exceeded the standard in Mathematics on the CAASP in 2018. This was an INCREASE of 1%.
- 53% of English Learners "met or exceeded" the standard in English/Language Arts. This was an INCREASE of 17%.
- 47% of English Learners "met or exceeded" the standard in Mathematics. This was an INCREASE of 18%.

How the school evaluated the progress of this goal:

- 2018 CAASPP Data, SLT and PLC data analysis meetings of student work samples, PLC SMART goals, common lessons, interim assessments and classroom observations
- Common lessons, activities, English Language Proficiency Assessment for California (ELPAC) data, and assessments focused on English Language Development strategies

Grant School Goal for 2018 - 2019:

- Decrease the Achievement Gap, with particular emphasis on all students not achieving due to academic or behavior concerns, between highest performing and lowest performing subgroups
- Provide opportunities for targeted students to participate in extended learning opportunities
- Provide a comprehensive differentiated curriculum to meet the needs of all subgroups of students including advanced students
- Increase to 83% the number of students scoring at the "standard met" or "standard exceeded" in English Language Arts on state assessments as measured by the CAASPP and local assessments
- Increase to 77% the number of students scoring at the "standard met" or "standard exceeded" in Mathematics on state assessments as measured by the CAASPP and local assessments
- Increase to 56% the number of ELL students scoring at the "standard met" or "standard exceeded" in English Language Arts on state assessments as measured by the CAASPP and local assessments
- Increase to 50% the number of ELL students scoring at the "standard met" or "standard exceeded" in Mathematics on state assessments as measured by the CAASPP and local assessments

Teachers will demonstrate the application of:

- The shifts in English Language Development and their instruction implications as evidenced by classroom instruction practice and vertical articulation
- The inclusion of the Social Justice standards to aid in the integration of culturally relevant literature and curriculum across all content areas as evidenced by classroom instructional practice and vertical articulation
- Continue to implement the New California State Standards by demonstrating the application of the three instructional shifts in English Language Arts/content literacy and mathematics as evidenced by classroom instructional practice.

Students will:

- Demonstrate growth toward proficiency in grade level reading, writing, and mathematics by accessing and applying rigorous state standards as measured by local assessments and the CAASPP

How the school will evaluate the progress of this goal:

School: Grant Elementary School - Santa Monica-Malibu School District

Date: September 14, 2018 for the 2018-2019 School Year

2017-2018 Focus:

Within a collaborative PLC model, Grant Elementary will improve listening and speaking performance of our English Language Learners through integrated and designated ELD instruction using research-based strategies aligned with CCSS-SL.2. (School Plan Goal 1 & 2)

2018-2019 Focus: Within a collaborative PLC model, Grant Elementary will build upon the successful foundation from last year and continue to focus on improving the Listening and Speaking performance of English Language Learners through integrated and designated ELD instruction while expanding to CCSS: SL.1. and adding the focus on Mathematical Practice 3 while layering in a social justice lens by utilizing the Social Justice standards.

Celebrations: All students' CAASPP scores in ELA rose 7%, from 73% to 80% meeting or exceeding the standard. ELL students' ELA CAASPP scores rose 17%, from 36% to 53% meeting or exceeding the standard. All students' CAASPP scores Math rose 1%, from 73% to 74% meeting or exceeding the standard. ELL students' Math CAASPP scores rose 18%, from 29% to 47% meeting or exceeding the standard.

Why are we doing this?

1. Build on success from the previous year, we saw an increase in ELA specifically the Listening and Speaking strand and our ELL population.
2. We see a need based on data 2017-2018 CAASPP data
3. We know from our SLT work that our students were regularly using academic language. This was evidenced in student writing and discussions with teachers and peers.
4. Talking about the discipline helps deepen understanding which we believe will be transferable to the CAASPP and other benchmark assessments.
5. To increase student listening skills

Outcome:

2017-2018 Goal: EL students, including RFEP students, will improve from 45% meeting the CAASPP Speaking/Listening standard to 55% by June 2018.

2017-2018 Actual: EL students, including RFEP students, improved from 45% meeting the CAASPP Speaking/Listening standard to 64% on the 2017-2018 CAASPP test.

2018-2019 Goal: EL students, including RFEP students, will improve from 64% meeting the CAASPP Speaking/Listening standard to 67% by June 2019.

Planned Improvements in Student Performance

School Goal #3

The School Site Council has analyzed the academic performance of all student groups and has considered the effectiveness of key elements of the instructional program for students failing to meet student performance targets. As a result, it has adopted the following school goals, related actions, and expenditures to raise the academic performance of students not yet meeting state standards:

SUBJECT: Improvements in School Climate

District LCAP Goal 3

All students engage in schools that are safe, well-maintained and family-friendly.

Data and analysis used to form school-specific SMART goal(s)

How the school will monitor the progress of the goal:

- Parent surveys, student surveys, school records and Illuminate student information system data

Analysis of 2017-2018 data:

- The parent climate survey administered by SMMUSD in Spring 2018 indicates that most parents are pleased with the education their students receive at Grant School.
- The OLWEUS student surveys administered in Spring 2018 indicate a need to address bullying concerns during unstructured times.
- OLWEUS data indicates that most students feel supported if/when bullying occurs. There is a need to address instances of bullying during structured as well as unstructured times.
- The percentage of female students in grades 3 - 5 who reported they had been bullied at all in the past couple of months declined from 51% to 22%. This was a DECREASE of 22%.
- The percentage of male students in grades 3- 5 who reported they had been bullied at all in the past couple of months declined from 44% to 39%. This was a DECREASE of 5%.
- The percentage of all students in grades 3 - 5 who reported they had been bullied at all in the past couple of months declined from 47% to 35%. This was a DECREASE of 12%.
- The percentage of female students in grades 3 - 5 who reported they had been bullied 2 -3 times per month or more declined from 21% to 11%. This was a DECREASE of 10%.
- The percentage of male students in grades 3 - 5 who reported they had been bullied 2 -3 times per month or more declined from 16% to 15%. This was a DECREASE of 1%.
- The percentage of all students in grades 3 - 5 who reported they had been bullied 2 -3 times per month or more declined from 18% to 14%. This was a DECREASE of 4%.

Grant School data for 2017-2018 and Goals for 2018-2019:

- 2017-2018 GOAL: 80% of parents will report through a survey that Grant School is conducive to physical, social and emotional safety, resiliency, healthy relationships, and positive connections. to school.
- ACTUAL MEASURED DATA FOR 2017-2018: 87% of participating parents rated their school as good or excellent, compared with 84% in the 2015-2016 survey.
- GOAL FOR 2018-2019 SCHOOL YEAR: 90% of parents will report through a survey that Grant School is conducive to physical, social and emotional safety, resiliency, healthy relationships, and positive connections.
- 2017-2018 GOAL: Chronically absent students will improve by 10%.
- ACTUAL MEASURED DATA FOR 2017-2018: Chronically absent students dropped to 6.5%.

- GOAL FOR 2018-2019 SCHOOL YEAR: Chronically absent students will drop to 5% by June 2019.

Grant School will:

- Demonstrate a focus on school climate, which includes increased parent involvement, student attendance, and fewer behavior referrals.
- Work to improve school safety and security procedures and improve the security, safety, and aesthetics of the campus.

Teachers will:

- Implement positive behavior and academic interventions based on student need

Students will:

- Participate in positive intervention programs focused on academics and behavior

Parents will:

- Participate in school-sponsored committees, events, and meetings
- Work with school administration and staff to address concerns of school safety

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

Name of Members	Principal	Classroom Teacher	Other School Staff	Parent or Community Member	Secondary Students
Christian Fuhrer	X				
Devyn Norris		X			
Christina Spanos		X			
David Petrilyak		X			
Florencia Rams			X		
Petra Wolfe			X		
Dahlilah Chabbouh				X	
Eric Canale				X	
Cori Goldberg				X	
Julie Hoskin				X	
Hein Nguyen				X	
Shannon Morgan				X	
Numbers of members of each category:	1	3	2	6	

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The school site council (SSC) recommends this school plan and Proposed Expenditure(s) to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan **(Check those that apply)**:

X English Learner Advisory Committee

Signature

District/School Liaison Team for schools in Program Improvement

Signature

X Other committees established by the school or district (list):

School Leadership Team (SLT) - Natara Warren

Signature

4. The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.
5. This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.
6. This SPSA was adopted by the SSC at a public meeting on 10-25-2018.

Conclusions based on this data:

1. Overall in English Language Arts and Mathematics 73% of students met or exceeded the standard.
2. EL students scored at 34% and 43% respectively.
3. There is a significant achievement gap between White students and all other subgroups.

How are the School Climate Indicators Calculated?

The school climate indicators provide school-level descriptions of several factors that are known to influence learning success in schools. All sub-domains except “Physical Safety (Low Victimization)” and “Emotional Safety (Low Victimization)” are calculated by averaging the percentage of respondents who report “Yes, most of the time” or “Yes, all of the time” on survey items that comprise each scale. “Physical Safety (Low Victimization)” and “Emotional Safety (Low Victimization)” are computed by averaging the percentage of respondents who report “No, never” on the survey items that comprise each scale. For example, a value of 72 on the “School Connectedness” indicator means that on average, 72% of students report “Yes, most of the time” or “Yes, all of the time” across the three “School Connectedness” survey items.

All sub-domains and survey items that comprise the scales are listed below.

(1) School Connectedness (3 items)

- o Do you feel close to people at school?
- o Are you happy to be at this school?
- o Do you feel like you are part of this school?

(2) Caring Relationships (4 items)

- o Do the teachers and other grown-ups at school care about you?
- o Do the teachers and other grown-ups at school tell you when you do a good job?
- o Do the teachers and other grown-ups at school listen when you have something to say?
- o Do the teachers and other grown-ups at school believe that you can do a good job?

(3) Meaningful Participation (7 items)

- o Are you given a chance to help decide class activities or rules?
- o Are you given a chance to help decide school activities or rules?
- o Do the teachers and other grown-ups at school ask you about your ideas?
- o Do the teachers and other grown-ups give you a chance to solve school problems?
- o Do you get to do interesting activities at school?
- o Do your teachers ask you what you want to learn about?
- o Do you do things to be helpful at school?

(4) Perceived School Safety (1 item)

- o Do you feel safe at school?

(5) Physical Safety (Low Victimization) (1 item)

- o Do other kids hit or push you at school when they are not just playing around?

(6) Emotional Safety (Low Victimization) (2 items)

- o Do other kids at school spread mean rumors or lies about you?
- o Do other kids at school call you bad names or make mean jokes about you?

(7) Fairness (3 items)

- o Do teachers treat students fairly at school?
- o Do teachers and other grown-ups at school treat students with respect?
- o Are students treated fairly when they break school rules?

(8) Rule Clarity (1 item)

- o Do students know what the rules are?

- (9) Social Emotional Learning Supports (2 items)
 - o Does your school help students resolve conflicts with one another?
 - o Does your school teach students to care about each other and treat each other with respect?
- (10) Anti-Bully Messages (1 item)
 - o Do the teachers and other grown-ups make it clear that bullying is not allowed?
- (11) Positive Behavior (4 items)
 - o Do you follow the classroom rules?
 - o Do you follow the playground rules at recess and lunch times?
 - o Do you listen when your teacher is talking?
 - o Are you nice to other students?
- (12) Parent Involvement in Education (5 items)
 - o Does a parent or some other grown-up at home care about your schoolwork?
 - o Does a parent or some other grown-up at home ask if you did your homework?
 - o Does a parent or some other grown-up at home check your homework?
 - o Does a parent or some other grown-up at home ask you about school?
 - o Does a parent or some other grown-up at home ask you about your grades?

Results are based on responses from 5th grade students to the California Healthy Kids Survey. Student results are not included if less than 50% of students or less than 15 respondents provided data.

Further information about the methodology used to construct the school climate indicators can be obtained by contacting Cindy Zheng at 562-799-5481 or czheng@WestEd.org.

State Averages

State averages are based on responses from 5th grade students who provided data to the California Healthy Kids Survey during the 2015-2016 and 2016-2017 school years. The state average for “Meaningful Participation” is not available because two survey items that comprise the sub-domain were not asked on the survey during those two years.

Explanation of Other Indicators

Results are provided on selected key student- and staff-reported school climate items as a complement to the school climate indicators. Staff indicators are provided to facilitate comparisons between student and staff perceptions. While most staff indicators are in the high range (80-90%), it is important to compare how staff perceptions might differ from students to identify areas for improvements.

Staff results are not included if less than 50% of staff or less than 5 staff members provided data. Student- and staff-reported school climate measures and their sources are described below.

Selected Student-Reported School Climate Measures (CHKS)

- Finish all classroom assignments – finish all your class assignments “most of the time” or “all of the time.”
- Absent 2 or more days in the past 30 days – missed an entire day of school for 2 or more days for any reason in the past 30 days.

- Feel a part of the school – feel like you are part of this school “most of the time” or “all of the time.”
- Adults at school care about you – teachers and other grown-ups at school care about you “most of the time” or “all of the time.”
- Safety at school – feel safe at school “most of the time” or “all of the time.”
- Harassed at school – other kids at school call you bad names or make mean jokes about you “most of the time” or “all of the time.”
- Parents ask about school – a parent or some other grown-up at home asks you about school “most of the time” or “all of the time.”

Selected Staff-Reported School Climate Measures (CSSS)

- Students are motivated to learn – “strongly agree” or “agree” that students at this school are motivated to learn.
- Truancy is moderate/severe problem – cutting classes or being truant is a “moderate” or “severe” problem at this school.
- School is a supportive and inviting place for students to learn – “strongly agree” or “agree” that this school is a supportive and inviting place for students to learn.
- School is a supportive and inviting place for staff to work – “strongly agree” or “agree” that this school is a supportive and inviting place for staff to work.
- School is a safe place for students – “strongly agree” or “agree” that this school is a safe place for students.
- Harassment/bullying is moderate/severe problem – harassment and bullying among students is a “moderate” or “severe” problem at this school.
- School is welcoming to and facilitates parental involvement – “strongly agree” or “agree” that this school is welcoming to and facilitates parental involvement.
- School has clean and well-maintained facilities – “strongly agree” or “agree” that this school has clean and well-maintained facilities and property.

Chronic Absenteeism Analysis Report

2017-18

Santa Monica-Malibu Unified School District

Report Date: 10/5/2018

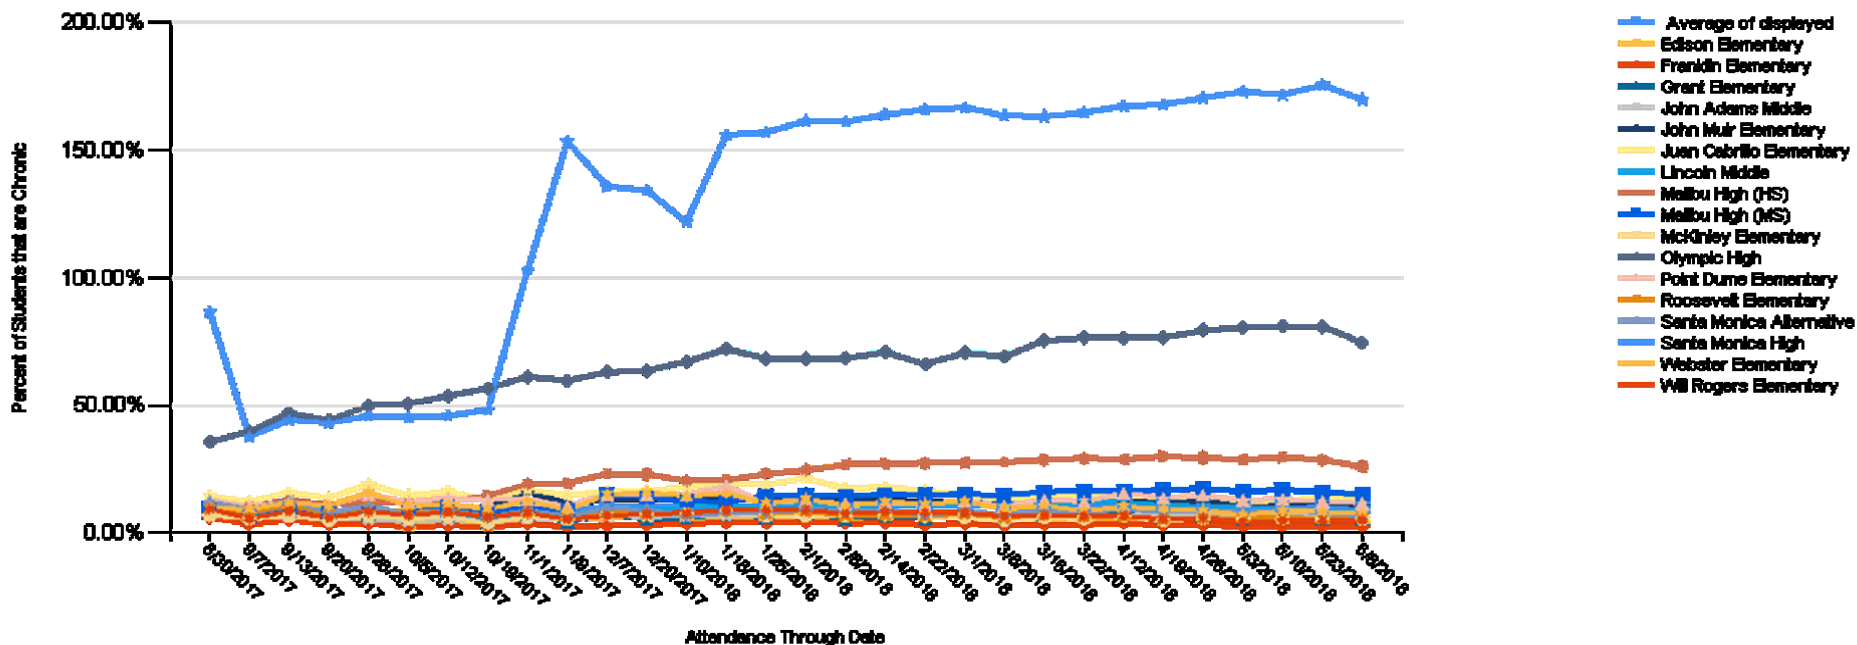

Chronic (based on excused and unexcused absences):
Chronic: A student who misses 10% or more of student instructional days

Severe Chronic: A student who misses 20% or more of student instructional days

Note: Rates calculated off cumulative data from beginning of school year through each attendance through date.
