Good morning McKinley Lions!

Typically each month we have monthly outdoor schoolwide assemblies. Even though we can't come together in person, we still want to come together as a school community at virtual events. Please enjoy this video of our first ever monthly schoolwide virtual assembly! All students will be watching the video at the same time during their Morning Community Meeting today. Enjoy!

Also a reminder that First Day Packets are due today. Hard-copy packets can be dropped off to the box outside the front office or mailed to the school, or the documents can be downloaded from the [website](#) and emailed. Please complete the Free-Reduced Lunch Application even if you do not plan to get lunch or are not sure you qualify; this document determines if McKinley qualifies for Title I funding for programs like theater, STEM, professional development and more. Thanks for your help!

Go Lions!
