

McKinley Pick Up Procedures Map

- Parents wait outside their assigned grade level gate.
- Teachers will walk students to their gate and meet their parent.
- Gate Monitors and Teachers will check that the student sees their parent through the fence before allowing them to leave.
- Students may walk/bike home on their own with parent permission.
- TK/K has a modified procedure- Parents will find their class pick-up area on the grass outside the preschool along Chelsea Ave. Parents will tell the Gate Monitor their child's name which will be radioed to the teacher to send the student to meet their parent.
- A staggered dismissal is in place to ease traffic flow and to maximize student safety. If you have siblings in multiple grades, please arrange pickup at their specified time; there is not supervision for siblings between dismissal times.
