4.1 Work Day and Work Week

- 4.1.1 The regular work day for full-time unit members shall be eight (8) hours of work, exclusive of an unpaid 30-minute lunch period, in a continuous 24-hour period. The regular work week for full-time unit members shall be forty (40) hours in five (5) consecutive work days and two (2) days of rest in a seven (7) consecutive-day period. The regular work week shall be Monday through Friday, except in cases of work weeks established under Article 4.1.2 or Article 4.1.4. Nothing in the above shall preclude the District from establishing a work day or work week of less than full time.
- 4.1.2 The District may establish a regular work week with the five (5) consecutive work days including Saturday and Sunday employment. However, if the District establishes such a regular work week, the unit member shall receive a five percent (5%) salary differential when requested to work a work week other than Monday through Friday. Unit members shall be selected on a voluntary basis first and, if there are insufficient volunteers, then the District may assign unit members in reverse order of District seniority. For the campus security unit members, the District may rotate the work period among all unit members.
- 4.1.3 The starting and ending times of the work day and the required work days in a seven (7) consecutive-day period shall be determined by the District. Unit members whose regular work day or work week is being permanently changed shall receive at least five (5) work days of advance notification from his/her immediate supervisor. If such advance notification is not provided and the District still desires to make the change in the starting and ending time of the work day or the work week, the unit member shall receive a five percent (5%) salary differential for each day worked for which the unit member has not received notification, to a maximum of five (5) work days.
- 4.1.4 The District agrees to continue to extend Alternative Work Schedule, to work units where unit members may not be required to work a regular five (5) day work week due to the nature of the services rendered by the department and/or the unit member.
- 4.1.4.1 If a unit member requests an alternative work schedule and the request is denied by the unit member's supervisor, the unit member, a union representative and the supervisor shall meet and consult to review the request. The Superintendent or his/her designee shall have the final responsibility to approve or deny requests for alternative work schedules.
- 4.1.4.2 Once established, this schedule shall not be changed without notice of at least one (1) Alternative Work Schedule Cycle, but not to exceed fourteen (14) calendar days. The Union, if requested, shall be given the opportunity to meet and confer over the impact of the proposed change.
- 4.1.4.2.1 Only in cases where a clear emergency situation arises, can the Alternative Work Schedule be changed without waiting the required period as defined in Article 4.1.4.2. When the emergency situation no longer exists, the employee shall immediately be returned to the alternate work schedule.

4.2 Work Year

Unit members who are called back before their regular starting date or who are asked to remain after their regular ending date shall be paid at the regular straight time rate for all hours worked.

4.3 Hours of Employment

A classified employee who works a minimum of thirty (30) minutes or more per day in excess of his/her part-time assignment for a period of twenty (20) consecutive working days shall have his/her assignment changed to reflect the longer hours in order to acquire fringe benefits on a properly prorated basis. No employee shall be asked to work thirty (30) minutes in excess of his/her regular assignment more than a total of twenty-five (25) days in a forty-five (45) day work period.

4.4 Lunch Period and Breaks

4.4.1 Each unit member who works five (5) or more hours per work day shall be entitled to an unpaid lunch period consisting of at least one-half (1/2) hour as scheduled by his/her immediate supervisor.

4.4.2 Each unit member who works four (4) or more hours per work day shall be entitled to a fifteen (15)-minute break per four (4) hours as scheduled by his/her immediate supervisor.

4.4.3 The immediate supervisor shall schedule the lunch period near the middle of the work day for full-time unit members and breaks near the middle of the four (4)-hour work periods, commensurate and consistent with the work responsibilities of the unit member.

4.4.4.3 Additional hours worked beyond the regular assignment will not be subject to any duty-free lunch deduction. All hours worked over eight (8) hours in one (1) day or forty (40) hours in one (1) week are overtime hours and no additional duty-free lunch breaks will be scheduled.

4.4.4.4 Each Bus Driver shall be entitled to an additional fifteen (15) minute paid break for each four (4) hours of overtime worked.

4.4.4.5 Bus Drivers working a weekend or holiday field trip or assignment of six (6) hours or more shall have one (1) hour duty-free lunch, provided that such duty-free lunch deduction will not result in less than six (6) hours pay for such assignments. 4.5 Additional Assignments

- 4.5.1 The District shall allocate additional assignments equitably among all qualified unit members who are in the same classification in the following order: department (if applicable), then site, then district-wide. Nothing in the above, however, shall require the District to allocate additional assignments to a full-time unit member who will receive overtime compensation when other unit members who will receive regular compensation are available to perform the responsibilities. The District may consider special skills, training, and availability of unit members to perform particular work when allocating additional assignments. Unit members can be required to work additional assignments during emergencies or unforeseen circumstances that threaten the health or safety of students, employees and/or District property; or interfere with the continued performance of academic and student services.
- 4.5.2 Unit Members accepting additional assignments, other than their regular assignment, shall be supervised by the administrator of the additional assignment.
- 4.5.3 Additional assignments will be offered to qualified unit members on a rotating basis. By October 1, of each year, a rotation roster of eligible unit members and when practicable, an additional assignment calendar shall be established and posted by the supervisor at the work site. The rotation roster and calendar shall be maintained by the site supervisor.
- 4.5.4 All additional assignment opportunities shall be offered and allocated in rotation order by the immediate supervisor. The rotation order shall be established by site seniority. The rotation order must be adhered to strictly.
- 4.5.5 If a unit member elects to pass on an additional assignment, that decision should be documented by the immediate supervisor. The unit member must then wait until the rotation returns to him/her for the next additional assignment opportunity.
- 4.5.6 If the employee scheduled to work the additional assignment is absent on the day of the additional assignment, it shall be the responsibility of the immediate supervisor to offer the assignment to the next person in line on the rotation list. It shall also be the responsibility of the immediate supervisor to make a best effort attempt to communicate the change to the absent employee on the day the assignment is to be worked.
- 4.5.7 When there is more than one additional assignment on the same date, the unit member next in line has first choice of the assignment.
- 4.5.8 When an additional assignment is scheduled on a regular and planned basis, seniority rotation schedule may be established as a separate list. The additional assignment calendar for the separate activities shall be made available for review by unit members, if requested.
- 4.5.9 Compensation shall not be provided unless it is authorized in advance by the immediate supervisor. The immediate supervisor shall not permit work before or after hours, during lunch, or during paid break time unless the work is compensated.

4.6 Call Back Pay

- 4.6.1 Whenever a unit member is ordered by the District to return to duty following termination of his/her normal work shift or work week and the unit member has departed from his/her work location, the unit member shall receive a minimum payment equivalent to two (2) hours of pay at the applicable rate unless the unit member works for more than two (2) hours, in which case he/she shall be

compensated for the actual hours worked at the applicable rate.

4.6.2 Whenever a unit member is ordered by the District to work a day which is not a regularly scheduled work day, the unit member shall receive a minimum payment equivalent to two (2) hours at the overtime rate unless the unit member works more than two (2) hours, in which case he/she shall be compensated for the actual hours worked at the overtime rate.

4.6.3 Unit members on standby duty on weekends and/or holidays shall earn two (2) total hours of overtime compensation unless they are called in and work more than the two (2) hours, in which case they shall be compensated for the actual hours worked at the overtime rate. For purposes of this Article, standby time is defined as time when a unit member is required by his/her immediate supervisor to be immediately accessible for a response to any requirement of District service.

4.7 Overtime Rate

4.7.1 Unit members shall be compensated at a rate of one and one-half (1-1/2) times the regular rate of pay for the number of hours worked in excess of the eight (8) hour work day or forty (40) hour work week. Overtime compensation shall not be provided unless it is authorized in advance by the immediate supervisor, except in cases of dire emergency.

4.7.2 For those unit members who have an average work day of four (4) hours or more, but less than eight (8) hours, compensation for any work required to be performed on the sixth (6th) or seventh (7th) day following commencement of their work week shall be at the rate equal to one and one-half (1-1/2) times the regular rate of pay of the unit member designated and authorized in advance to perform the work.

4.7.3 For those unit members who have an average work day of less than four (4) hours during the work week, compensation for any work required to be performed on the seventh (7th) day following commencement of their work week shall be at the rate equal to one and one-half (1-1/2) times the regular rate of pay of the unit member designated and authorized in advance to perform the work.

4.8 Compensatory Time

4.8.1 The District shall grant paid compensation for overtime work. By mutual agreement with the unit member, an immediate supervisor may grant compensatory time off at the same ratio as the overtime cash payment. If compensatory time off is to be provided, the compensatory time off shall be taken as requested by the unit member, subject to approval of the immediate supervisor.

4.8.1.1 For each hour of overtime worked, one and one-half (1-1/2) hours of compensatory time must be allocated.

4.8.1.2 No unit member may accumulate more than twenty-four (24) hours of comp time [sixteen (16) hours of overtime] at any time. Any overtime work accumulated in excess of sixteen (16) hours must be paid to the employee.

4.8.1.3 On the District approved form(s), each site shall submit all accrued comp time for its employees, as an attachment to the official payroll report. Submissions shall occur on the scheduled date of payroll submission deadlines each month.

4.8.1.4 At the end of the fiscal school year, all unit members shall be compensated for all of their unused and accumulated comp time.

- 4.8.2 Shift and special assignment differentials regularly received by a unit member shall be included in determining the regular rate of pay for the purposes of determining the overtime salary payment.
- 4.8.3 For the purpose of determining overtime compensation, time which the unit member is excused from work because of holidays, sick leave, vacation, compensatory time off, or other paid leaves of absence shall be considered as time worked by the unit member.
- 4.8.4 In the event of layoff or termination, all earned and unused compensatory time shall be paid at the hourly rate of pay for such position at the time the compensatory time off was earned. Such payment shall be made within a reasonable period of time following the layoff or termination.

4.9 Provision for Substitutes

If a unit member is absent for three or more days, any other unit member at the same job site may request that the District hire a substitute. The request shall be made in writing to the Assistant Superintendent, Human Resources and shall set forth reasons for the request. It is agreed, however, that the decision of when to hire a substitute for any unit member is within the sole discretion of the District.

- 9.11.5 The total donated leave credit shall normally not exceed an amount necessary to continue the employee for three (3) calendar months calculated from the first day of catastrophic leave. The Superintendent or his/her designee may approve up to an additional three-month period in exceptional cases.

Such assignments shall not be considered working out of class as defined by Personnel Commission Merit Rule, Chapter 3 - Classification of Employees and Positions, 3.2.9, and shall not entitle a unit member to receive differential pay. Requests for light-duty assignments shall be submitted in writing to the Assistant Superintendent, Human Resources or his/her designee, at least five (5) working days before a unit member returns from an accident or illness leave. The request shall be accompanied by a release from the unit member's physician, specifying any work limitations placed on the unit member. The District may also request additional verification of fitness for work, at the District's expense.

Light-duty assignments shall only be provided when light-duty work is available. However, light-duty assignments shall not be restricted to the unit members' department and unit members shall not be excluded from light-duty assignments based upon Worker's Compensation status. The District may not involuntarily transfer unit members or increase the assignments of other unit members in order to provide light-duty work under this provision.

10.1.5 The District shall consult with the Union prior to final adoption of the calendar. It is not the intent of the District to negotiate a school calendar that will negatively impact the wages and workload of classified employees.

If the District declares school recesses in excess of eleven (11) days between the first and last dates of the duty year, unit members who are hired for less than twelve (12) months, must use fourteen (14) days vacation during the recess breaks.

Unit members who are in paid status by the second Monday in September, who are hired for less than twelve (12) months and who have not yet earned or been allocated fifteen (15) days vacation, may request and the District shall assign, the unit member to another site and/or department for work equal to the number of recess days minus eleven (11). The District shall determine the site and/or department assignment for the additional days of work. Employee(s) allocated less than fifteen (15) days vacation may use necessity days and or floating holidays to avoid unpaid days. Alternatively, employees may accept unpaid days. The intent of this provision is to provide unit members who are hired for less than twelve (12) months with the appropriate number of work days (i.e., ten (10) month, ten (10) month ten (10) days, eleven (11) month), exclusive of accrued vacation time, and is not intended to provide overtime pay, nor holiday pay except as otherwise required by this contract. Exceptions to the above provisions shall not occur without prior written approval from the Assistant Superintendent, Human Resources.

Notwithstanding this obligation, the District retains the exclusive authority to establish and implement the calendar.

10.2 Other Holidays

10.2.1 Any day declared by the President of the United States or the Governor of the State of California for a public fast, Thanksgiving, or holiday, shall be a paid holiday for unit members as required by law.

10.3 Holiday Eligibility and Pay

10.3.1 Unit members shall be entitled to the holidays specified in 10.1 and 10.2 of this Article provided they are in paid status during any portion of the working day immediately preceding or succeeding those holidays.

10.3.2 A holiday which falls within a unit member's approved vacation period will not be charged as vacation.

10.3.3 All unit members who are not normally required to perform services during any District-calendared student recess period will be paid for the designated holidays which fall within those periods if they were in a paid status during any portion of the working day of their normal assignment immediately preceding or succeeding the holiday period.

10.3.4 Unit members who normally work a non-standard work week (i.e., Tuesday through Saturday) except Physical Activities Specialists (see Article 19, Special Provisions, 19.6) whose work schedule permits, may be given the option to take the day preceding or following the designated holiday or a day in the same week with the approval of their immediate supervisor.

10.4 Holiday Pay

10.4.1 When a unit member is required to work on any of the above-stated holidays, he/she shall be paid compensation or given compensatory time off for such work in addition to the regular pay received for the holiday at the rate of time and one-half the regular rate of pay.

10.4.2 Compensatory time off may be requested by the unit member and may be granted by the District in lieu of pay for any overtime work.

10.4.3 When either standby or call-back time, as defined in Article 4 - Hours of Employment, 4.5.1, 4.5.2, or 4.5.3, is required by the District on a holiday, pay allowances shall be made at the rate of one and one-half (1-1/2) times the regular rate of pay times the number of hours worked plus the unit member's regular rate of

pay.

10.4.4 Nothing herein is meant to establish premium pay for holiday work, except as expressly stated in this Article.

10.4.5 Holiday pay or provisions, where applicable, for regular part-time unit members shall be supplied in the ratio of the number of hours his/her regular assignment bears to an eight-hour work day and to twelve (12) months per year.

10.5 Holidays on Saturday or Sunday

10.5.1 If a holiday listed in Article 10.1.1 above falls on a Sunday, the following Monday is to be observed as the holiday. If a holiday listed in Article 10.1.1 above falls on a Saturday, the preceding Friday is to be observed as the holiday.

ARTICLE 11

VACATION

11.1 Ratio for Earning Vacation

- 11.1.1 After six (6) months of continuous employment, unit members shall be allowed vacation figured from the date of employment with the District at the rate of:
- 11.1.1.1 one (1) day per month of employment through five (5) years;
 - 11.1.1.2 one and one-fourth ($1\frac{1}{4}$) days per month of employment from six (6) through ten (10) years;
 - 11.1.1.3 one and one-half ($1\frac{1}{2}$) days per month of employment from eleven (11) through fourteen (14) years;
 - 11.1.1.4 one and three-fourth's ($1\frac{3}{4}$) days per month of employment from the fifteenth (15th) through the nineteenth (19th) year;
 - 11.1.1.5 two (2) days per month of employment beginning with the twentieth (20th) year and continuing each year thereafter;
 - 11.1.1.6 In addition to Article 11.1.1.1 through Article 11.1.2, effective January 1, 2002, the District will allocate one (1) additional vacation day per year to all eligible classified employees.
- 11.1.2 Unit members working part time shall receive pro-rated vacation in proportion that the number of hours worked per day bears to eight (8) and the number of days worked per month bears to full-time employment.

11.2 Vacation Procedures

- 11.2.1 Unit members may take vacation days only after securing advance approval from their immediate supervisor.
- 11.2.2 Probationary unit members who have been with the District less than six (6) months may be required, at the discretion of their immediate supervisor, to take their vacation at winter and spring recess, even though they may be short of having earned the number of days used in those periods.
- 11.2.3 Persons separating from the classified service prior to the completion of six (6) months of continuous employment shall receive no vacation credit. Those who have been allowed or required to take vacation days will be docked for those days at the time of separation.
- 11.2.4 Permanent unit members shall receive payment for the unused portion of their earned vacation upon separation from service.
- 11.2.5 Unit members employed on a nine (9), ten (10), or eleven (11) month basis will normally take all or part of their vacation during the vacation period at winter and spring recess unless their immediate supervisor schedules them otherwise. Unit members who are employed for nine (9), ten (10), or eleven (11) months and who have accrued more vacation than days in the winter and spring recesses shall be paid at the conclusion of the fiscal year for any accrued but unused vacation credit.
- 11.2.6 All vacation earned in a school year for a twelve (12) month unit member must be taken during the term of employment that school year or within the term of employment the following year. If the employee does not schedule his/her vacation

in a timely manner, the immediate supervisor may assign the accrued vacation time.

- 11.2.7 Effective July 1, 2002, any unused accrued vacation days which exceed the maximum of vacation accrual as specified in the contract, shall be paid to the unit member at his/her current rate of pay. This does not include vacation days accrued in prior years.
- 11.2.8 Authorized holidays occurring during the vacation period shall be counted as holidays and not vacation time.
- 11.2.9 The supervisor in charge shall set up a vacation schedule and unit members with the most seniority shall receive first choice of times available. An annual schedule of available times, for the following fiscal year, shall be posted by December 1. No time requested will be unreasonably restricted. Unit members shall have thirty (30) calendar days to review the schedule. During this time the Union may elect to meet and confer with the District regarding vacation schedules. Vacation requests (first and second choices) shall be submitted for approval by February 1. Supervisors shall respond to all requests by February 10 and a master schedule will be posted. Vacation requests can be changed with prior notice and provided they fit in with the master calendar.
- 11.2.10 The minimum time which can be taken against vacation time is two (2) hours. Any period less than that must be treated as leave time under other provisions of this agreement or shall be considered an unauthorized absence.
- 11.2.11 In addition to the provisions of Article 11.2.5, the parties agree that if the District intends to close work sites where unit members are employed during the school recess period following December 25, the District shall provide notice to twelve (12)-month unit members of such closure at least thirty (30) days prior to such closure. Provided that unit members notify the District at least twenty-one (21) days prior to such closure that they desire to work, the District shall find alternate work for such unit members who desire to work during such period. Under such conditions, the unit member will be assigned work during the closure period and shall continue to earn salary at their then current level of pay. However, the job location may not be the unit member's regular work site, and the duties assigned to the unit member may be such alternate work as deemed appropriate by the District. A unit member who is on such required vacation shall be charged with vacation or, if available, compensatory time-off, and if no such paid time is available, leave of absence without pay.
- 11.2.12 If any unit member suffers an illness while on vacation that would otherwise qualify for sick leave, the unit member may convert the days that he/she was ill from vacation days to sick leave days. A request for conversion must be made in writing to the unit member's immediate supervisor within two (2) days after the unit member returns to work. The District reserves the right to request and receive written medical verification of the illness.
- 11.2.13 If any unit member sustains a death in his/her immediate family while on vacation that would otherwise qualify for bereavement leave, the unit member may convert the days that would otherwise qualify for bereavement leave from vacation days to bereavement days. A request for conversion must be made in writing to the unit member's immediate supervisor within two (2) days after the unit member returns to work. The District reserves the right to request and receive written verification of the death.

ARTICLE 12

STEWARDS

12.1 Intent

The Union and District agree that the role of the Chief Steward and Shop Stewards is to enhance communication with unit members, solve problems in a win/win approach, and act as a liaison between the Union and District. The SEIU Chief Steward and SEIU Shop Stewards also provide representation to SEIU unit members in meetings which are disciplinary in nature. At the beginning of each school year, SEIU shall provide to the District a list of all Shop Stewards and shall notify the District of any changes to that list.

12.2 Release Time

A total computed, recorded time of three hundred (300) hours per school year shall be allowed SEIU stewards to use for meetings or direct services to unit members. All time off the job shall be requested from the supervisor forty-eight (48) hours in advance unless an emergency situation exists. The supervisor shall not unreasonably deny the request. Use of such leave time should not interfere with the unit member's ability to perform his/her assigned duties. The District will be responsible for recording and maintaining all stewards' accrued release time. At the end of the school year the District will list hours used and the Union will reimburse the District an established hourly rate (Range 30A hourly, M & O salary schedule) for the hours used in excess of one hundred (100) hours used. Release time for Union-sponsored meetings will not be normally granted between the hours of 9:00 a.m. and 3:00 p.m.

The District and SEIU agree to make every effort to resolve all issues at the lowest possible level. The District shall provide advance notice that a meeting may be disciplinary in nature. Unit members have the right to representation by the Chief Steward or a Shop Steward at a disciplinary meeting. Unit members may request the Chief Steward or a Shop Steward of their choice to represent them at disciplinary meetings. When requested, a Shop Steward shall request release time from her/his supervisor. If such release time is not granted at that specific time because of the needs of the District, the requested Shop Steward may ask to reschedule the meeting expediently, within contractual deadlines, and at a time when the requested Shop Steward is available. If the requested Shop Steward is not available within contractual deadlines, it is the responsibility of the unit member to request and retain another representative.

12.3 Release Time for Chief Steward

If requested by the Union, a union designated representative, known as the Chief Steward, shall be granted up to one hundred percent (100%) release time without loss of compensation, for Union business. On a quarterly basis, the District shall bill the Union for fifty percent (50%) of the cost of the total compensation for the Chief Steward at the benchmark range set at, 42 or current range, whichever is higher.

12.4 Retained Rights and Seniority

The Chief Steward shall continue to accrue seniority in his/her highest former classification and shall retain all bumping rights pursuant to the Merit Rules, Chapter 13 - Seniority, Layoff, Displacement and Reemployment, 13.1 through 13.4.1.

12.5 Supervision

The Chief Steward shall be supervised by the SMMUSD Local Chapter-Steward Council (which includes the SEIU Field Representative.) The SEIU Local 99 Field Representative organizer shall be the rater on the performance evaluation with input from the SMMUSD

Steward Council and the Superintendent or his/her designee.

12.6 Renewal

Release Time for Chief Steward, under Article 12.3 above, shall continue for the term of the agreement.

12.7 Chief Steward - Retained Rights as a Unit Member

As a unit member, the Chief Steward is covered by the collective bargaining agreement, Merit Rules, and all other applicable District rules and policies.

ARTICLE 13

GRIEVANCE PROCEDURE

13.1 Purpose:

The purpose of the grievance procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, restraint, or reprisal against any employee or employees who may submit or be involved in a grievance. 13.2 Definitions

13.2.1 Grievance: An allegation by a grievant that there has been a misinterpretation, a misapplication, or a violation of the specific provisions of this agreement and this complaint has not been resolved satisfactorily in an informal manner between the unit member and his/her immediate supervisor.

13.4.1 The Union is responsible for upholding the language and terms of this agreement, protecting due process, and, when requested by a unit member in a timely manner, helping with the preparation of documents.

13.4.2 The District has the responsibility to inform the employee of any limitation to its authority to fully resolve the grievance and is also responsible for supplying the employee with the necessary information to process his/her grievance. If the District returns the grievance to the employee, the District must provide a written statement of the reason for the return and, if the grievance had been filed in a timely manner, the corrected grievance must be resubmitted within ten (10) days of the original deadline.

13.4.3 The grievant has the responsibility, on a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) of the agreement violated, and the specific remedy requested.

13.5 Waivers and Time Limits

- 13.5.1 Failure by the District to reply to the employee's grievance within the time limits specified automatically grants the employee the right to process the grievance to the next level.
- 13.5.2 The time limits specified at each level in the grievance procedure shall be considered to be maximums and efforts must be made by both parties to meet these limits. Any level of review, or any time limits established in this procedure may be waived or extended by mutual agreement that is confirmed in writing.
- 13.5.3 Failure by an employee to appeal from one level to the next, within the time limits established by this procedure shall cause the grievance to be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal for reconsideration.
- 13.5.4 The grievance, by mutual agreement of the parties, may revert to a prior level for reconsideration.

13.6 The Parties' Rights and Restrictions

- 13.6.1 Only a party selected by the employee and made known to the District prior to a scheduled formal grievance meeting shall have the right to represent or advocate as an employee's representative.
- 13.6.2 The employee has the right to a formal grievance hearing at his/her request. Grievance meetings can be waived by mutual agreement between the District and the employee.
- 13.6.3 The Union representative has the right, when requested by the unit member, to be present at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of this agreement.
- 13.6.4 When the Union representative elects to attend any formal grievance meeting, she/he must inform the District prior to such meeting.
- 13.6.5 No reprisals of any kind will be taken by the Superintendent or any member or representative of the administration or the Board or Personnel Commission against the grievant or any representative of the grievant by reason of her/his bringing a grievance or participating in a grievance; nor shall any reprisals of any kind be taken by the Union or any members or representatives of the Union against either the grievant or the District or any unit member in the grievance procedure by reason of such participation or decision.
- 13.6.6 Only District employees who have direct, first-hand knowledge of the event giving rise to the grievance may be called on as witnesses by the grievant. Such witnesses may attend formal grievance hearings on paid District time.

13.7 Procedures

13.7.1 Informal Level

- 13.7.1.1 An informal grievance shall be communicated to the employee's immediate supervisor within ten (10) days after the grievant knew or should have known of the event giving rise to the grievance.
- 13.7.1.2 Prior to filing a formal grievance, the grievant shall attempt to resolve the grievance by at least one scheduled informal resolution conference(s) with his/her immediate supervisor. The informal resolution conference(s)

may include participation by other parties.

- 13.7.1.3 The immediate supervisor must schedule and shall attempt to hold an informal resolution conference with the grievant within ten (10) working days of the communication per 13.7.1.1

13.7.2 Formal Level

13.7.2.1 Level One

- 13.7.2.1.1 If the grievant determines that the grievance has not been resolved at the informal level, he/she may file a formal grievance. If the grievant chooses to file, it must be filed in writing on the District prescribed form within ten (10) days after the informal resolution conference(s) with the immediate supervisor.

The following statements must be included on the prescribed District form:

- a. The nature of the grievance;
 - b. How the unit member was adversely affected;
 - c. The specific section of the contract allegedly violated;
 - d. The specific remedy sought by the union member to resolve the grievance.
- 13.7.2.1.2 Three (3) copies of the grievance form will be completed by the unit member. The unit member will submit two copies to her/his immediate supervisor and retain the third copy.
- 13.7.2.1.3 The immediate supervisor will communicate her/his decision to the unit member in writing within ten (10) days after receiving the grievance. If the immediate supervisor does not respond within the time limits, the grievant may appeal to the next level.
- 13.7.2.1.4 A grievance meeting will be held within the above time limits at the written request of either the grievant or the immediate supervisor.

13.7.2.2 Level Two

In the event the grievance is not resolved at Level One, the grievant may appeal the decision to the Superintendent or his/her designee within ten (10) days after receiving the response at Level One. This statement shall be submitted on a copy of the original grievance form on which the supervisor has written her/his decision. The grievant may wish to submit additional material or may check the box on the form indicating the wish to have it forwarded, as is, for appeal.

13.7.2.3 Level Three

Mediation: Grievances which are not resolved pursuant to procedures of Level Two shall be subject to mediation. The Union shall notify the District of its intent to proceed to mediation within ten (10) days after the conclusion of Level Two. A mediator, from the State Mediation and Conciliation Service (SMCS) shall be agreed upon by both parties within ten (10) days after submission to Level Three. If the parties fail to agree

on a mediator, a request for a mediator shall be submitted to the SMCS by either party or jointly.

13.7.2.4 Level Four

In the event the grievance is not resolved at Level Three, the grievant may request that the Union submit the grievance to binding arbitration. The Union shall notify the Superintendent in writing within ten (10) days after the conclusion of Level Three, if the grievance is to be submitted to arbitration.

13.7.2.4.1 The Union and the District shall attempt to reach agreement upon an arbitrator. If no agreement can be reached within ten (10) days, they shall request the California State Conciliation Service to supply a listing of five (5) names of persons who are experienced in arbitration. Within ten (10) days, each party shall alternately strike names until only one (1) name remains. The remaining name shall be the arbitrator. The order of striking shall be determined by lot.

13.7.2.4.2 Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Agreement may be submitted to arbitration. The decision of the arbitrator shall be binding on the Union and the District. The award of the arbitrator cannot require legislative action by the Board, including but not limited to setting Board Policy and determining the District budget, and/or cannot require the hiring of additional staff and/or will not have the power to amend, change, add to, subtract from, or modify the terms of this agreement.

13.7.2.4.3 If the award of the arbitrator does require any of the above actions and the Board decides not to act on that award within sixty (60) days, the arbitrator's decision shall have no effect, and the Union may seek judicial remedies before a court or competent jurisdiction.

13.7.2.4.4 The fees and expenses of the arbitrator and the hearing shall be borne by the party which loses the decision of the arbitrator. In case of dispute relative to which party is the loser, the arbitrator shall decide.

13.7.2.4.5 Prior to a hearing by an arbitrator, a representative of the District and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the District and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

ARTICLE 14

NON-DISCRIMINATION

- 14.1 Pursuant to applicable laws, there shall be no discrimination by the Union or the District against any unit member on account of race, color, religion, sex, national origin, disability, age, genetic information, sexual orientation and identity or for non-work-related activities which have no bearing upon the unit member's effectiveness as an employee.
- 14.2 Any grievance based in whole or in part upon alleged discrimination under Article 13 - Grievance Procedure, shall not be subject to arbitration, unless the Union and District so agree, in writing, and unless the grievant or grievants execute a waiver of other statutory rights satisfactory to the Union and the District.

ARTICLE 15

PERSONNEL FILES

- 15.1 Materials in personnel files of unit members which may serve as a basis for affecting the status of their employment are to be made available for inspection by the unit member or his/her certified representative with the written consent of the unit member.
- 15.2 Such materials shall not include ratings, reports, or records which were obtained prior to the employment of the person involved, were prepared by identifiable examination committee members, or were obtained in connection with a promotional examination.
- 15.3 Except for materials mentioned in Article 15.2, no derogatory statement regarding the work performance and/or conduct of a unit member shall be placed in his/her personnel file until the affected unit member is given notice and an opportunity to review and comment on the material. The review shall take place during business hours and the unit member shall receive reasonable release time for the purpose of reviewing said material. Materials proved to be false shall be removed. The unit member shall have the right to have his/her own written comments attached to any such statement.
- 15.4 Except as provided in Article 15.2 and Article 15.3, every unit member shall have the right to inspect materials in personnel files at reasonable times and reasonable intervals, when the unit member is not actually required to render services to the District.
- 15.5 The District agrees that it will not use in any disciplinary proceeding, a written warning issued to a unit member, if the unit member remains within the employ of the District for three (3) years after receiving the written warning and receives no other written warning within that time. This provision is not applicable to evaluations or written warnings for serious conduct (such as conduct endangering students, the public or other employees), which may be used in any disciplinary proceeding.

ARTICLE 16

WAGES

(Revised effective July 1, 2022)

16.1 Compensation Package

16.1.1 The District will contribute an amount equal to 1.61% of SEIU payroll to cover the cost of a group disability insurance plan for all bargaining unit members. If during the term of this agreement, the cost of the group disability plan increases, the District will increase its SEIU payroll to match the percentage increase.

If a group disability plan with a cost less than 1.61% of SEIU payroll is approved, the balance of the District's contribution will go toward an across-the-board salary increase for all bargaining unit members.

16.1.2 The schedule of pay for each class indicated in the Appendices represents the standard rate of pay for full-time employment, unless in the provisions of the appendices it is specifically indicated that the rate is for part-time service. Unit members who work less than full time shall receive pay in the proportion the number of days worked per month bears to full-time employment and number of hours worked per week bears to forty (40).

16.1.3 The Parties have agreed to the following compensation.

16.1.3.1 (a) 5% on-schedule increase, effective January 1, 2024.

16.1.3.1 (b) 3% on-schedule increase, effective July 1, 2024.

16.1.3.1 (c) Two-range adjustment, effective July, 1, 2024, which results in a 5% increase for every unit member on their step-increment date during the 2024-2025 school year.

16.1.3.1 (d) One-time, off-schedule payment of \$1,000 to eligible unit members. To receive the one-time, off-schedule payment of \$1,000, unit members must meet two criteria:

(1) Maintained active regular employment from October 1, 2022-June 30, 2023 or as per assigned work calendar, and

(2) Maintained active regular employment from July 1, 2023-June 30, 2024 or as per assigned work calendar.

16.1.3.1 (e) Two-range adjustment, effective July 1, 2025, which results in a 5% increase for every unit member on their step-increment date during the 2025-2026 school year.

16.1.3.2 Process for two-range adjustments

(a) Each classification will be increased by two ranges; first on July 1, 2024 and again on July 1, 2025.

(b) Unit members will be moved to the step on the new range that equals their current wage. Step advancement shall occur as described in Article 16.3.

(c) A unit member who is on Step A (1) shall move to Step A (1) on the new range classification. Thereafter, he/she/they shall advance one (1) step on the salary schedule upon completion of each year of continuous and satisfactory service, from the date of the employee's assignment to the new range, until the maximum salary is reached.

16.1.4 Classified employees shall earn a matching TSA contribution of \$100 per year for part time employees (less than 6 hours), and \$200 a year for full time. It is understood that this definition of a “*part time employee*” applies only to the payment of the TSA benefit.

16.1.5 Beginning with the 2019-2020 school year, no unit member shall be paid at an hourly rate less than the minimum wage. Unit members who would be placed at a step where the hourly rate is below this amount shall be placed at the step where the wage is at least the minimum wage. If a unit member is at a range where the top step (Step F) is less than the minimum wage then that unit member shall be placed at Step F but paid the minimum wage.

16.2 Initial Placement

16.2.1 All new unit members shall be appointed at the hiring rate for the class as approved by the Personnel Commission. The hiring rate shall be the first (1st) step of the schedule. A hiring step higher than the first (1st) step may be set with the approval of the District and the Personnel Commission at any step of the schedule of the class. Each unit member who is employed in a regular classified position shall, upon completion of six (6) months of satisfactory service, be designated as permanent.

16.3 Step Advancement

16.3.1 Upon entering employment on Step A, each regular classified unit member, after satisfactory completion of the first six (6) months in a permanent position, shall advance to the next step on the appropriate range of the salary schedule. Thereafter, he/she shall advance one (1) step on the salary schedule upon completion of each year of continuous and satisfactory service until the maximum salary is reached.

16.3.2 Upon entering employment on Step B or higher, each regular classified unit member shall advance to the next step on the appropriate range of the salary schedule after the completion of one (1) year of satisfactory service and in one (1)-year increments thereafter until the maximum salary is reached.

16.3.2.1 The parties agree that there shall be a single classified salary schedule upon which all unit members shall be compensated.

16.3.3 Salary advancement shall be computed only on the first (1st) of each calendar month. When an anniversary date falls on or before the fifteenth (15th) of the month, the increment shall be figured on the first (1st) of the month. When the anniversary date falls after the fifteenth (15th) of the month, the increment shall be figured the first (1st) of the following month.

16.4 Advanced Step Placement:

A unit member may request or be recommended for Advanced Step Placement within the first sixty (60) working days during the probationary period. If the unit member is granted Advanced Step Placement, the salary rate shall be retroactive to the date of entry into the classification.

16.4.1 Unit members being promoted may be offered advanced step placement upon the supervisor's request. This request shall be supported by at least one of the following criteria:

- a. Unit member was originally hired in an entry level classification in which Advanced Step Placement was not offered; and/or
- b. Recruitment difficulty as evidenced by failure to obtain a rank of three (3) through the testing process, or a lack of qualified applicants as determined by the Director of Classified Personnel.

16.5 Salary on Promotion

16.5.1 When a unit member is promoted to a position in a higher salary range, he/she shall receive the next higher dollar amount above his/her present rate of pay, but not less than the minimum of the new salary range. If that amount is less than a one (1) step (5%) increase, the unit member shall be placed at the next higher step over that authorized above.

 - 22.1.5 The utilization, for limited periods of time, of personnel not covered by this Agreement, including, but not limited to, the personnel occupying positions listed as excluded in Article 2 - Recognition of this Agreement, to do work which is normally done by employees covered hereby, and the methods of selection and assignments of such personnel, subject only to provisions to Article 19 - Special Provisions;
 - 22.1.6 The selection, classification, direction, and promotion of all personnel in the District; the demotion, discipline, and termination for proper cause of all personnel of the District; the assignment of employees to any location, and also to any facilities, classrooms, functions, activities, academic subject matters, grade levels, departments, tasks or equipment (subject only to the provisions of Article 8, Transfers); and the determination as to whether, when, and where there is a job opening subject only to the provisions of Article 8 - Transfers, Article 6 - Remediation, and Article 19 - Special Provisions;
 - 22.1.7 The job classifications and the content and qualifications thereof; the rates of pay for any new classifications implemented during the term of this Agreement, subject only to Article 16 - Wages;

- 22.2 All other rights of management not expressly limited by the clear and explicit language of this Agreement are also expressly reserved to the District even though not enumerated above, and the express provisions of this Agreement constitute the only contractual limitations upon the District's rights. The exercise of any right reserved to the District herein in a particular manner or the non-exercise of any such right shall not be deemed a waiver of the District's right or preclude the District from exercising the right in a different manner.
- 22.3 Any dispute arising out of or in any way connected with either the existence of or the exercise of any of the rights of the District not expressly limited by the clear and explicit language of this Agreement, or arising out of or in any way connected with the effects of the exercise of any of such rights, is not subject to the grievance provisions set forth in Article 13 - Grievance Procedure.

ARTICLE 23

UNION RIGHTS

- 23.1 The Union and its members shall have the right to make reasonable and lawful use of available school buildings at reasonable times for meeting purposes subject to requirements of the Civic Center Act and applicable Board policies provided that such use, when applied for, shall be granted if no conflict exists and provided that such use which necessitates custodial overtime shall be compensated by the Union at the rate of \$10 per hour. The Union agrees to leave school buildings in the condition found, free of damage or loss other than damage resulting from normal wear and tear.

- 23.8.1 The Union will be given the opportunity to meet new classified bargaining unit employees during the New Employee Orientation meetings conducted by the District.
- 23.8.2 The District will provide ten (10) working days' notice of the orientation unless there is an urgent need to schedule an orientation in less than 10 days.
- 23.8.3 The District will strive to schedule the new classified employee orientation on regularly-scheduled dates and times during the week to facilitate the Union's opportunity to meet new employees.

- 23.8.4 The Union agrees to meet the new employees in the middle of the District's orientation. Up to twenty (20) minutes will be allocated to the Union for this purpose.

The Union agrees not to make disparaging comments about the District or its administration during the orientation meetings. Representatives from the District will not be present during Union orientation.
- 23.8.7 Within thirty (30) days of hiring, the District agrees to provide the Union the new employees' name, job title, department, work location, work address, home address and personal email address if used for employment purposes. ARTICLE 24

ORGANIZATIONAL SECURITY

- 24.1 The parties mutually recognize the right of all employees covered by this Agreement to join and participate in activities of SEIU, or to have SEIU represent them in their employment relations with the District, or to refuse to join or participate in the activities of SEIU or any other employee organization. No employee shall be interfered with, intimidated, restrained, coerced or discriminated against because of the exercise of these rights.
- 24.2 Unit members may submit to Human Resources, on forms supplied by SEIU, requests for payroll deductions of SEIU dues and for such other deductions as may have been requested by the Union.
- 24.3 The District shall honor the terms of the employee's written authorization for payroll deductions. Employee requests to cancel or change authorizations for payroll deductions for the Union shall be directed to the Union rather than to the District. The Union shall be responsible for processing such requests. The District shall rely on the information provided by the Union to cancel or change authorizations, and the Union shall indemnify the District for any claims made by the employee for deductions made in reliance on that information.
- The Union certifies that it has and will maintain individual employee authorizations and shall not be required to submit to the District a copy of the employee's written authorization in order for the payroll deductions described in this section to be effective, unless a dispute arises about the existence or terms of the written authorization. The Union shall indemnify the District for any claims made by the employee for deductions made in reliance of its notification.
- 24.4 The District will furnish any information needed by the Union to fulfill the provisions of this article.

ARTICLE 25

UNION INSURANCE PROGRAMS

- 25.1 During the open enrollment period of each school year, unit members may enroll in Insurance and Committee on Political Education Programs offered by the Union by completing an enrollment card and submitting it to their shop steward or Union representative. In addition, a unit member may alter his/her payroll deductions once per year for Union-sponsored insurance programs. Upon receipt from the Union of valid, written authorization cards, together with a list of the amount to be deducted from each unit member's pay, the District shall deduct such amount from the designated unit member's pay and promptly remit to the Union sums which are deducted. The Union will credit the amounts to the programs authorized by the unit members. The District's sole obligation shall be to withhold said monies and transmit them to the Union. The District is not, and shall not be, a contributor to or participant in any insurance plan or the Union's Committee on Political Education.
- 25.2 The Union shall indemnify the District and hold it harmless against any and all suits, claims, demands and liabilities that arise out of or by reason of any action that shall be taken by the District for the purpose of complying with the foregoing provision.

ARTICLE 26

WORK STOPPAGE

- 26.1 Apart from and in addition to existing legal restrictions upon or remedies for work stoppage and lockouts, the parties agree to the following:
- 26.1.1 Neither the Union nor its officers or representatives or affiliates shall cause, encourage, condone or participate in any strike, or other illegal concerted work stoppage during the term of this Agreement. In the event of any actual or threatened strike, or other concerted work stoppage, the Union and its officers, representatives and affiliates will take all reasonable steps within their control to avert or end the same.
 - 26.1.2 A unit member engaging in any strike, or other illegal concerted work stoppage during the term of this Agreement shall receive no pay for the day(s) in question, and shall be subject to discipline up to and including termination.
 - 26.1.3 The District agrees that it shall not engage in any lockout of unit members. A lockout is defined as, and limited to, a withholding of unit members' employment for the purposes of gaining concessions from, or resisting demands of, the Union. A lockout does not include actions taken by the District for reasons other than gaining concessions from or resisting the demands of the Union, including termination of personnel, layoffs, suspensions, reduction in programs, or any actions based upon budgetary necessity, or emergency closures caused by matters such as natural disasters, epidemics, bomb threats or work stoppages.
 - 26.1.4 Disputes arising under this Article may be handled according to appropriate legal proceedings. In addition, the Union and the District reserve the right to use the grievance procedures of Article 13 - Grievance Procedure, but need not do so before electing to use legal proceedings.

ARTICLE 27

SEPARABILITY AND SAVINGS

- 27.1 If any provision of this Agreement should be held invalid by any operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any provision should be restrained by any tribunal of competent jurisdiction pending a final determination as to its validity, the remainder of this Agreement or the application of such article or section as to persons or circumstances other than those as to which it has been held invalid or as to which compliance with or enforcement of has been restrained, shall not be affected thereby.

ARTICLE 28

ENTIRE AGREEMENT

- 28.1 The District shall not be bound by any requirement which is not expressly and explicitly stated in this Agreement. Specifically, but not exclusively, the District is not bound by any past practices of the District or understandings with any unit member, organization, or council, unless such past practices or understandings are specifically stated in this Agreement.
- 28.2 The Union agrees that this Agreement is intended to cover all matters relating to wages, hours, and all other terms and conditions of employment and supersedes all previous agreements or supplements thereto covering said matters. The parties agree that during the term of the Agreement neither the District nor the Union will be required to meet and negotiate on any further matters affecting these or any other subjects not specifically set forth in this Agreement, unless the District finds it necessary to make changes that are within the scope of representation as defined by Government Code 3543.2. In which case, the District shall negotiate with the union concerning such changes to the extent required by law. Before meeting and negotiating, the parties shall attempt to resolve any such changes informally.

ARTICLE 29

WORKING-OUT-OF-CLASS

(Revised effective July 1, 2022)

- 29.1 Each unit member shall be required to perform the duties approved by the Board of Education and classified by the Personnel Commission for the class to which he/she is assigned. He/she may be required to perform other related duties consistent with the definition of the class to which assigned.
- 29.2 When a unit member is assigned to perform work beyond that indicated in the definition of the class to which he/she is assigned, he/she shall be compensated as of the first (1st) day as follows:
- 29.2.1 If the work assignment is to a position in an existing class, upon the approval of the Director of Classified Personnel, it shall be processed as a limited-term assignment under the applicable Personnel Commission Rules; or
- 29.2.2 If an employee is required to perform duties which are not allocated to an existing class, the assignment shall be reported to the Director of Classified Personnel in writing so that a review may be conducted to determine the appropriate pay differential for the temporary assignment.
- 29.2.3 Requests for differential pay for working-out-of-class may be submitted by the unit member or his/her supervisor to the Director of Classified Personnel at any time. The Director of Classified Personnel will notify the supervisor upon receipt of a claim submitted by a unit member.
- 29.2.4 A claim for pay differential for working-out-of-class must contain a list of the assigned duties.
- 29.2.5 The Personnel Commission staff shall review the duties assigned to the position and shall determine if the assigned duties are at a higher level and shall recommend an appropriate pay differential to the Personnel Commission for approval.
- 29.2.6 Changes in salary resulting from the reclassification of a position shall be effective as of the time the Personnel Commission received the request for differential pay. Retroactive pay increases for working-out-of-class shall be limited to the thirty (30) calendar days preceding the date that the claim was submitted in writing to the Director of Classified Personnel.
- 29.2.7 If the Commission staff review determines that the assigned duties are not at a higher level, the Director of Classified Personnel shall notify the employee and the appropriate supervisor and present the findings to the Commission at the next regular meeting.
- 29.2.8 Pay differentials for working-out-of-class shall be limited to ninety (90) working days in one (1) fiscal year for each employee. The Personnel Commission may authorize one (1) extension of working out of class not to exceed an additional ninety (90) working days.
- 29.3 Whenever a vacant position exists within the bargaining unit and management determines that the position shall be temporarily filled until a permanent person is hired, management shall provide to current, permanent department/site employees the opportunity to work out-of-class. A working out-of-class assignment shall be based on seniority rotation in the next lower classification. The next lower classification is the classification that has certifications, duties, and responsibilities that are most similar / related to the vacant classification and allows the highest likelihood or success in the working-out-of-class assignment.

The Director of Classified Personnel shall provide the supervisor his/her identification of the

next lower classification and a verified seniority list prior to the start date of the working out-of-class assignment. If the working out-of-class assignment is not accepted by any employee in the next lower classification, the supervisor shall consult with the Director of Classified Personnel to identify an appropriate classification and offer the assignment based on seniority rotation. The only exception to this practice may (as determined by the supervisor) be if in the last fifteen (15) months, the person in the seniority rotation has received disciplinary action in accordance with Article 6, subsections 6.2.3 through 6.2.5 of the SEIU-SMMUSD Agreement. Unit members who work out-of-class, or are assigned higher level duties by a supervisor, shall be compensated at a rate at least 5% higher than their current base wage.

29.4 As subsequent assignments arise or if the original assignment exceeds the time line described in Article 29.2.8, the next senior permanent department/site employee shall be offered the out-of-class assignment. If additional help is needed for the short term, temp/additional employees shall be employed to the lowest possible classification.

29.4.1 When the District determines that an employee working-out-of-class is not meeting the expectations of the assignment or has performed in a manner that creates a serious safety risk(s), the District has the right to remove that employee from the working out of class assignment. The employee shall not be subject to discipline for reasons related to incompetency in the working-out-of-class assignment.

29.4.2 When it is determined that an employee be removed from a working-out-of-class assignment, management shall meet with the employee and discuss the reasons prior to the removal from the assignment.

29.4.3 When an employee is removed from a working out of class assignment, the District may refer to Article 18; subsection 18.7 to provide recommendations of additional training programs available to the employee.

29.5 Disputes involving sections 29.1 and 29.2 of this Article shall be resolved pursuant to Personnel Commission Rules, and shall not be subject to the grievance procedure set forth in Article 13 – Grievance Procedure. Disputes involving sections 29.3 and 29.4 of this Article shall be subject to the grievance procedure set forth in Article 13 - Grievance Procedure.

ARTICLE 30

LAYOFFS/REDUCTION IN HOURS

(Revised effective July 1, 2022)

- 30.1 The District shall not implement any involuntary reduction in regular hours of assignment or layoff of unit members except as provided in the following procedure:
- 30.1.1 The District shall comply with the layoff procedures required by law, including Education Code 45117, California Government Codes 11503 and 115095, and other laws and regulations (existing and future) applicable to layoff/reduction in hours of classified employees.
 - 30.1.2 A permanent classified employee identified for layoff/reduction in hours shall be notified on or before March 15 of the District's intent to proceed with layoff/reduction in hours. Upon receipt of a written notice, and as is afforded by Education Code 45117, a permanent classified employee may request a hearing to determine if there is cause for not reemploying the employee for the ensuing year.
 - 30.1.3 The Executive Director and Chief Steward of the Union shall be given written notice at least thirty (30) calendar days before the meeting at which the Board of Education receives notification of the classifications, including full-time equivalency (FTEs), subject to possible layoff/reduction in hours.
 - 30.1.4 Upon request, the District shall provide the Union a reasonable opportunity to negotiate the effects of the layoff/reduction in hours. As necessary, the parties may jointly request, or either party may request, mediation and fact-finding through the State Mediation and Conciliation Services (PERB).
 - 30.1.5 Nothing in this Article shall prohibit the District from adhering to the statutory timelines required by Education Code 45117 and/or other laws and regulations applicable to layoff/reduction in hours.
 - 30.1.6 In the event of layoffs, there shall be no working-out-of-class assignments in classifications that will be affected by layoffs.
- 30.2 Computation of Seniority
- 30.2.1 For the purposes of this Article, and other articles where seniority is a factor, seniority shall be determined by an employee's original date of hire in the classification, or by date of hire in an equal and/or higher related class. Date of hire in a class shall not be interpreted to mean any service performed prior to entering into a probationary or permanent status in the classified service except as otherwise provided by law (references restricted employees as provided by Education Code.) Substitute and provisional service time is not considered for seniority computation.
 - 30.2.2 No seniority shall be earned during periods of unpaid leave of absence or separation from employment with the District in excess of thirty (30) working days per year, or in accordance with this contract and the law. The exception to this provision is for military leave. Time spent on military leave shall count toward seniority provided that the employee returns to active service employment with the District within six (6) months of release or discharge from the military under honorable conditions.
 - 30.2.3 A permanent employee, who is laid off and is subsequently reinstated, shall regain the seniority status held prior to the time of layoff less the amount of time such person was in layoff status.
 - 30.2.4 In the event of a tie in a class, preference would be given to the employee with the longest total service in probationary/permanent status with the District. If a tie still exists the employees will draw lots to determine preference.

- 30.25 Should an employee voluntarily separate from service and be subsequently reemployed, all time spent working in the class shall count toward seniority accrual when the period of separation does not exceed thirty-nine (39) months.
- 30.26 When reclassification results either in the merger of two or more classes or in the separation of a class into two or more classes, seniority rights of probationary/permanent employees who are reclassified with their positions, shall be computed from the date of their earliest entrance into probationary/permanent status service in such former classes.
- 30.27 An employee changing from one class to another shall retain seniority in the former class; seniority in the new class shall begin on the date of the change.
- 30.28 In computing seniority for a single class with both full-time and part-time positions, only one list shall be prepared which shall include both the full-time and part-time positions.

30.3 Specially-Funded Positions

Notwithstanding the other requirements of Education Code 45117 respecting layoff of permanent classified employees, when classified positions must be eliminated as a result of the expiration of a specially-funded program, the employees to be laid off, the Executive Director, and the Chief Steward of the Union shall be given written notice not less than 60 days prior to the effective date of the employee's layoff. The written notice informs them of their date and their displacement rights, if any, and reemployment rights.

ARTICLE 31

NEGOTIATION PROCEDURES

- 31.1 With respect to meeting and negotiating a successor agreement to the Agreement, the Union and the District shall commence negotiations at mutually acceptable times and places after satisfying the public notice requirements.
- 31.2 The Union shall have the right to designate a mutually agreed upon number of unit members to participate in negotiation sessions. The District shall provide two (2) full days of release time for the Union negotiation committee to meet in preparation of negotiations if the agreement is fully opened and one (1) full day if the agreement is partially opened.

The Santa Monica-Malibu Unified School District (“District”), Service Employees International Union Local 99 (“SEIU”) and the Santa Monica-Malibu Classroom Teachers Association (“SMMCTA”), collectively known as “the Parties,” agree to form a labor-management team called Joint Health and Welfare Benefits Committee (“Committee”) as provided below:

I. Mission:

The role of the Committee is to contain the cost of the District’s health and welfare benefits program to maintain the affordability and quality of the benefits available to employees and eligible dependents.

II. Scope of Authority:

- A. To discuss, determine and articulate the interests of the Parties.
- B. To review the District’s health and welfare benefits program and recommend to the Parties any changes to the current program’s benefits necessary to achieve the mission of the committee.

**Memorandum of Understanding
Between
Santa Monica-Malibu Unified School District
And
Service Employees International Union Local 99
Regarding
Health Benefits**

The Santa Monica-Malibu Unified School District (“District”) and Service Employees International Union Local 99 (“SEIU”), collectively referred to as “the Parties,” enter into this Memorandum of Understanding (“MOU”) regarding health benefits.

In fall of the 2018, representatives from the District’s employee groups, SEIU, SMMCTA and SMMASA signed a Memorandum of Understanding (“MOU”) to form a Joint Committee on Health and Welfare Benefits (“Committee”). Since 2018 the Committee has met regularly to review the District’s health benefits program as part of fulfilling the Committee’s stated mission:

The role of the Committee is to contain the cost of the District’s health and welfare benefits program, and to maintain the affordability and quality of the benefits available to employees and eligible dependents.

In August 5, 2022, the Committee recommended to SEIU that the District, comprised of its represented and unrepresented employees, discontinue our relationship with Public Employees’ Retirement System (“CalPERS”) (health benefits only) and join Self-Insured Schools of California (“SISC”).

Upon ratification by SEIU unit members, the Association and the District agree to the following:

1. The District shall discontinue its membership with the Public Employees’ Retirement System (“CalPERS”) (health benefits only) and become a member of Self-Insured Schools of California (“SISC”). The first-year benefit period for SISC runs from January 1, 2023 to September 30, 2023.
2. For the benefit period January 1, 2023 to September 30, 2023, the District shall provide SISC benefit plans as described:

Plans options for full-time employees and their families that require no employee contribution

Anthem 80%-G PPO Option (Wide Network)
Anthem 80%-G PPO Option (Narrow Network)
Anthem Full Network HMO (Premier 10/0)
Anthem Select Network HMO (Premier 10/0)
Kaiser Permanente HMO

Plan option for full-time that requires an employee contribution

Anthem 90%-G PPO Option (Wide Network “Buy-Up Plan”):
Individual = \$74.00
Two-Party = \$154.00
Family = \$202.00

3. Effective January 1, 2023, Article 17.1.1 shall be changed as follows:

All current unit members must enroll in one of the District-approved medical and dental plans through the ~~Public Employee Retirement System (PERS)~~ Self-Insured Schools of California (SISC) health benefits program, or must waive coverage on the appropriate form, during the designated benefits enrollment period. For new unit members hired after the designated benefits enrollment period, the enrollment waiver must be made within thirty (30) days after employment. Any unit member who may wish to make a change in enrollment in any year after their initial enrollment must do so within the open enrollment period established by PERS SISC. If a qualifying event occurs (i.e., birth, death, divorce, etc.) changes may be made within the time limits and under the rules of the applicable plan. Failure to submit a timely initial enrollment or waiver form will result in the loss of medical/dental benefits for the first (1st) year. Failure to submit a timely change in enrollment will result in the unit member retaining the previous year's coverage.

4. Effective January 1, 2023, Section 17.2.7 shall be revised to remove any distinctions between unit members with hire dates before, as well as on or after, July 1, 2014.
5. Correspondingly, and consistent with the District's membership in SISC, references to CalPERS in the Collective Bargaining Agreement shall be changed to SISC. Article XXV Health and Welfare Benefits remains subject to negotiations.
6. SEIU will continue its participation on Joint Committee on Health and Welfare Benefits.

Leave Balance Notification

July 17, 2023

On July 29, 2023, SEIU and the District ("Parties") discussed leave balance notification as part of on-going negotiations. The District shared that as part of its transition to the Human Capital Management ("HCM") system, employees will have access to their personal leave balance through the Employee Self Service (ESS) portal. Tentatively, the transition to HCM is anticipated to happen in October, 2024.

Until such time as unit members have access leave balances using the ESS portal, the District shall provide unit members annual notification of leave balances by November 15. The District shall provide the leave balance information to sites and departments to be distributed by the timekeeper or designee.

Leave balance notifications will not include accruals for employees who worked summer assignments outside of their standard work year (10 + 10 work schedule or less). Similarly, vacation balances will be reported to-date; balances will not reflect future vacation accrual.

The Parties will encourage informing unit members that they may speak directly with their timekeeper regarding their personal leave balance. Timekeepers are able to provide unit members access to leave balance information.
