V ELAC Discussion /Recommendation: A 2nd grade parent asked about notification when a student is exposed during childcare? Ms. Stern explained the process. The same parent received the ELPAC scores, but with nothing to compare it to, wondered how to read it to determine his child's progress or lack thereof. He will follow up with Ms. Stern. A visiting DELAC board member asked how parents follow up regarding English Learner progress at Roosevelt? Ms. Stern replied that this is discussed during conferences in November and parents receive a progress report. This is also discussed between parents and teachers throughout the year. A K parent asked about the number of EL students at Roosevelt and what additional services are provided as support for these students. Ms. Stern replied with the approximate number of TK-2 students receiving support in the classroom or in small groups, and the number of 3-5 students receiving support in a pull-out program. Carmen Durand, the new SMMUSD EL and Parent Engagement Coordinator offered suggestions and support to the school and to families.
