### **About ELAC**

The English Learner Advisory Committee, ELAC, promotes a meaningful connection with parents of English learner students (EL) at the school site. Every school with 21 or more EL students must have a functioning ELAC. The purpose of the ELAC is to provide guidance and advice to the principal and staff about the needs of students who are learning English as a second language. An English Learner is a student who has a primary language that is not English (based on the Home Language Survey at enrollment) and is not fluent in English (based on the ELPAC exam is classified as EL 1, 2, 3, or 4). At McKinley our students speak over 20 different languages!
