IV ELAC Discussion /Recommendation

The principal reviewed the goals for the entire school for next year (school climate, culture, CGI, Math). He talked about the English Learners’ goals for the SPSA for next school year and then he reminded us about the support they are getting from the general education teachers, from Ms. Zagor, the Literacy and Language Interventionist and from Ms. Yuan, the instructional coach. Finally, he talked about the ELPAC, reclassification and CAASPP assessment.

Parent: Are the teachers and parents getting the ELPAC reports for each student at the same time?

Answer: The teachers are getting the ELPAC report at the beginning of the school year. The parents are getting the report during the summer. Ms. Zagor and Ms Yuan are also getting copies.

Parent: Can we make sure that the kids know the teachers present during the ELPAC exam?

Parents should get an email from the district about the days of the ELPAC so you can have conversations with the students. Also the teachers will talk with the students about this.
