

## Webster Additional Virtual Offerings

**Tuesday, 4/28 @ 3:00- 4:00 p.m.** Ms. Harrington will provide a Zoom meeting for parents on how to navigate and use digital platforms ( Zoom, Google Classroom Seesaw etc.) Tuesday 4/28 from 3-4 p.m. <https://zoom.us/j/9543293887>

Meeting ID: 954 329 3887

Password: Room142020

**WIDEOPENSCHOOL** Wide Open School is a free collection of online learning experiences for kids curated by the editors at Common Sense. Teachers and families can easily find content and plan each day.

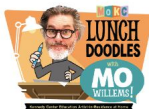

**Cincinnati Zoo & Botanical Garden** Join us for a **Home Safari Facebook Live** each day at 12pm PST where we will highlight one of our amazing animals and include an activity you can do from home. Don't have access to social media? No worries! All videos will be posted to this webpage and to our **YouTube channel** shortly after the Facebook Live ends.

**Storytime From Space** 20+ great science-related stories read by astronauts in space! While in space, astronauts are videotaping themselves reading these books to the children of Earth. These videos are being edited and placed on this Story Time From Space website- look under the heading " Story Time Videos".

**Lunch Doodles with Mo Willems** The Kennedy Center has teamed up with Mo Willems for lots of writing, doodling & fun! You'll find 15 archived episodes. Bonus: Click on the left panel link for a graduation certificate and how-to drawing steps for his beloved characters.

**Dav Pilkey at Home** Friday Fun! (Dog Man/ Captain Underpants author) The Library of Congress is teaming up with him to do 8 Fridays of read alouds & drawing lessons live at 8am EST. This is early for our Pacific coast Webster Whales - know that they're archiving sessions on the site. Upcoming: (May 1) week 5- Dog Man Lord of the Fleas, week 6-Dog Man Brawl of the Wild, week 7-Dog Man From Whom the Ball Rolls, week 8- Dog Man Fetch-22.

Yay!

**Virtual Visits to National Parks** Explore 12 amazing parks! Have fun traveling to Yellowstone, Channel Islands, National Mall & Memorial Park, Channel Islands, the Statue of Liberty and more.

## Webster Additional Virtual Offerings

Get up close and personal with parks through these virtual tours. Learn more about the history of legendary places and how essential their protection and preservation is in ensuring these sites are enjoyed for generations to come. Make your escape to a scenic vista in a national park with a live webcam. Search for wildlife or sit back and enjoy the beauty of our national parks and the landscapes they preserve.

**[SoCal Museums](#)** In response to the COVID-19 pandemic, numerous cultural institutions across Southern California are offering K-12 educational resources for families and teachers to utilize while they shelter at home. SoCal Museums has compiled dozens of new and compelling online educational opportunities for children of all ages, presented by more than thirty Southern California museums and cultural institutions.

**[Aquarium of the Pacific](#)** The Aquarium of the Pacific is pleased to offer an Online Academy to bring our educational programming as well as fun and entertaining activities to the public during the current closure. Here you will find both on-demand videos and activities for all ages and a schedule of interactive live programs with our educators, from virtual classroom sessions to Pacific Pals Puppets. [This page](#) is updated regularly with new content and live dates as they become available.

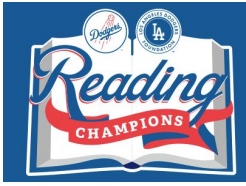

## **[La County Library Spring & Summer Discovery Program](#)**

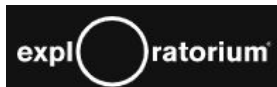

In honor of National Library Week, we're launching our online reading program early, and calling it our **Spring & Summer Discovery Program**. While our in-person programs are canceled until further notice, we hope you can join us by participating digitally! Log books you read. Write and read reviews. Complete online activities. Earn points and prizes. It's also a great way to share with your Library community. We have Discovery Program levels for all ages – Adults, Teens, Kids, and even Babies & Toddlers. We encourage the whole family to participate! For more info and to sign up, visit [LACountyLibrary.org/summer-discovery](https://LACountyLibrary.org/summer-discovery). And be sure to bookmark the page to keep logging your reading and activities! Don't forget to share your latest reads and activities with us on social media by tagging [@LACountyLibrary](#) and using [#LibraryAtHome](#). We look forward to you joining us and seeing what you're reading all season long!

## Webster Additional Virtual Offerings

[Dodgers Reading Champions](#) .PARENTS/GUARDIANS can [register](#) children, grades 1–8, to track the time they spend reading. Children will receive a username and password to access their tracker. Every month young reading champions who have read at least 15–30 minutes per day will be eligible for a drawing for great Dodgers' prizes!

### [Exploratorium](#)

Make sense of timely topics and find general science support for your virtual classroom or learning together at home

[STEM Activities- NASA/JPL](#) Launch rockets, build a hovercraft, create a winning science fair project and more! These science, technology, engineering and math activities are fun for kids, adults and the whole family.

### [STEM videos and weekly challenge](#)

Try a STEM challenge at home! To support students during school closings, Vivify is launching a STEM Space At Home weekly video series. Tune in every Thursday for a new STEM activity, led by an engineer, and using materials you can find at home. The videos are intended to support elementary and middle school students through fun engineering design challenges with a real-world connection.

### [The Tech Museum of Innovation](#)

**The Tech Interactive** Build, make, create wherever you are- a collection of fun and easy activities, including educational resources and links to some educational IMAX films

### [Boys & Girls Club of Malibu](#)

The Wellness Center continues to offer and provide much needed counseling to all Malibu public school children and their families via video conference during this time. If
