PRINCIPAL'S MESSAGE- Jan 3, 2022

Dear Webster Families,

On behalf of the entire Webster Staff, I want to wish you a Happy New Year! I hope you and your families have enjoyed the winter break and found time for relaxation, fun, and reflection as we enter 2022. Above all else, I hope that you have all stayed healthy.

Given the developing circumstances with Omicron, I welcome families to contact me directly if you have any questions or concerns. Please know that we have been successful in preventing the spread of the virus at school since April of last school year. We are confident that the measures we have in place will allow us to continue to operate safely and productively.

Please see the following important information:

- ***If possible, please send your child to school wearing a KN95 mask*** (or double-mask).
- ***Dress your child in warm clothing as doors and windows will be open*** and some instruction may occur outside.
- ***Please do not send your child to school if they are experiencing any symptoms whatsoever.*** Students who experience symptoms at school will be asked to visit the health office immediately. At this point, families will be asked to pick their child up.
- ***Students will not be penalized for missing school due to illness this coming week.*** Medical notes will not be required to justify absences. Please email michaele.ward@smmusd.org and cc' your teacher so they may prepare.
- We will continue with our regular PCR testing on Monday, Jan. 3rd at Webster. **If your child is absent from school on Monday, you are REQUIRED to provide proof of a negative PCR test upon return to school. Please email the results to our Webster Nurse: Helia Dabiran-Zohori @hdabiranzohori@smmusd.org.**

Thank you for your cooperation in making the return to school possible.

We at Webster School continue to strive to keep all of our students and staff healthy and safe as we navigate the latest phase of the COVID-19 pandemic. To help us in this effort and to minimize any potential student or class quarantine we are asking you to provide us with your child's proof of COVID vaccination by emailing proof of vaccination to the Webster health office team. *All vaccination information will be cross-referenced with the State of California's information registry (CAIR) by our health office staff.

- **Nurse:** Helia Dabiran-Zohori @ hdabiranzohori@smmusd.org
- **Health Office: Assistant:** Yoliee Hernandez @ yhernandez@smmusd.org

On December 30th, Superintendent Drati sent the community a message containing information regarding our return from winter break and the COVID mitigation strategies the District will continue to employ as we enter a new phase of this ongoing pandemic. **You can read Dr. Drati's message by clicking the following link or reading the attachment: [SUPERINTENDENT'S MESSAGE 12/30/2021](#).**

In partnership,

Principal Daruty

THIS WEEK:

MONDAY 1/3

REGULAR COVID PCR TESTING every MONDAY: For those participating in free, on site testing each Monday, please speak positively about testing. Test results are received within 48 hours. You will only be notified if your child tests positive for COVID-19. The testing is intended to keep our community safe by identifying students and staff who are COVID-positive. Thank you to everyone for either 1) registering to test every Monday or 2) electing to submit outside PCR tests each week. Regular testing by all staff and students is required to attend school in -person. If you are not registered to test for free, at school, please submit your child's negative PCR test results by **Monday morning at 8:00 a.m.** If we do not have your child's negative results, they will not be able to attend school. The test should be dated between

Tuesday and Sunday of each week. **USE THIS SURVEY TO SUBMIT AN OUTSIDE PCR TEST:**

TUESDAY 1/4

4th grade math club is canceled this week. We will resume on 1/11/22. Reminder: Please be advised that we do not open the gates to allow students in until 7:45 a.m. Please stay with your children and do not drop your children off early, as there is no one to supervise them before school. Thank you for helping us keep our students safe!

SCHOOL NEWS AND ANNOUNCEMENTS:

LOWER PARKING LOT: Parents MAY NOT USE the bus lane to drop off their children. This area is for the bus only. Please park in a spot and walk your children to the gate. We will place cones to block the traffic, please help us keep our students safe.

ADULT MASKING: Please do your part to follow our district's masking policy. All students, parents and staff must be masked when on school premises, regardless of whether outdoors or your vaccination status. We ask that you model this policy for our students and support keeping our students safe and in school. **This includes during drop-off and pick-up when you may be near other children.**

CHARACTER COUNTS ASSEMBLIES: Once a month we will host a school-wide assembly to honor individual, Webster Whales for demonstrating outstanding character! The Six Pillars of Character are the core ethical values of the CHARACTER COUNTS program we use at Webster Elementary. The Six Pillars of Character are trustworthiness, respect, responsibility, fairness, caring, and citizenship. Each of the Six Pillars of Character help instill a positive school climate and a culture of kindness, making Webster School a safe environment for students to learn. While we encourage these values in all of our students, these assemblies will honor students who have gone above and beyond. The school-wide awards assembly will be held outdoors on our blacktop. If your child has been selected to receive this award you will be emailed by Principal Daruty. Awardees are nominated by a Webster staff member and will not know they are receiving an award. We would like to keep this a surprise. The exciting details about their selection will be shared at the ceremony.

SCHOOL SAFETY: In light of the tragedy at the high school in Michigan there is no time like the present to remind students, and parents: "If you SEE something, SAY something."

There are warning signs before an act of targeted school violence occurs.

In all incidents of targeted school violence—100 percent—there were warning signs that caused others to be concerned. In 77 percent of incidents, other people were aware of the shooter's plans in advance.⁵

It is a wonderful reminder to inform you that students and parents can and should report concerns using **WE TIP. 1-800-78-CRIME**. It is an excellent anonymous platform for parents and students to report their concerns. **We Tip** [parent letter in English](#) **We Tip** [parent letter in Spanish](#)

We Tip can be used to report:

- Bullying/ Threats
- Property Destruction
- Violent Crimes
- Unsafe Conditions/ Safety Violations
- Workers Compensation/ Insurance Fraud

[Annual 5th grade Contest](#) Malibu Women's Club Malibu Woman's Club was established over 60 years ago with its Mission Statement "Nurturing Leaders of Tomorrow." We provide awards and scholarships to deserving students and promote and reward academic achievement and creativity. We are notifying you early to allow ample time for your students to plan a creative way to address the 2022 challenge:

**"CREATE A WATER CONSERVATION CAMPAIGN
USING AN ORIGINAL LOGO"**

Our prompt aligns with the California 5th Grade standards for English Language Arts, Science, and Visual and Performing Arts and gives students broad choices in which to express their ideas. The results will be different, depending on each student's focus and experience. As ever we want the children's unique work, not the work of parents or friends, with one exception: if the student needs help recording a video, a family member may assist. Please submit work and this [Permission Slip](#) to your teacher. Do not attempt to request access to the permission slip. You must download the permission slip and print it out for submission.

SMMUSD is offering vaccine clinics at three schools: SMMUSD is offering vaccines to everyone age five (5) or older at three schools, two in Santa Monica and one in Malibu, over the next several weeks. This will allow students, parents, staff and community members the opportunity to register for their first, second and or booster vaccine at a nearby school. Vaccinations will be offered as follows: [Please make sure you use the codes for your preferred school site](#): Students 5-17 are eligible for Pfizer vaccine only, and 18 and over may select between Pfizer or Moderna. If insured, insurance information will be requested in the registration process. Students 5-17 will need a parent with them and a consent form will be provided for parent signature at the vaccination clinic. Here is the consent form in advance if you would like to bring it to the appointment: [English](#) [Spanish](#) Following the first clinics, second doses or boosters are available as follows. **QR codes and registration links will be sent following the first sessions.**

Second dose dates for those that can't come to the dates above will be the week we are back from winter break.

Jan. 4 @ John Adams Middle School

Jan. 5 @ McKinley Elementary School

Jan. 6 @ Malibu High School

We continue to encourage vaccinations for everyone aged five and up. Our staff is now fully vaccinated. Student vaccinations in secondary schools have reduced the number of students out on quarantine due to exposure. We are looking forward to our elementary students having the opportunity to continue to be in school, when an occasional positive case arises, instead of being sent home to quarantine as a result of LACDPH protocols even with no symptoms.

Please see all the important fundraising and children's events that are coming up! Webster is a great school but we cannot be an AMAZING school without Parent Involvement. Please [join the PTA](#) and please support the [Annual Giving Campaign](#). Membership is just \$15 and allows you to vote at meetings, but more importantly is a symbol of unity between teachers and parents. The Annual Giving Campaign website will show you where your voluntary donation goes. The services on this list are so important and allow our school to move from good to great. Thank you for your consideration! Lastly, the PTA website lists many local parent and child resources they have gathered. I cannot thank the PTA strongly enough. Our PTA is helping all of us stay connected and helping our school to be great.
