PRINCIPAL'S MESSAGE- Aug 15, 2021

Dear Webster Families,

Can you believe we are starting school this week? We are thrilled to welcome you to the 2021-2022 school-year. Our first day of school is **Thursday, August 19th at 8:30 a.m.** Class assignments were emailed out on Friday. Please call the Webster office if you have not received your child's teacher/classroom placement. We transitioned to a new student information system so emails are slowly rolling over. Please email or call the Webster office if you are not receiving emails. Please check your spam box and let us know which parent (or both) should be the primary contact.

Monday is the first day back for our teachers. We have several days of Professional Development training leading up to the start of school. I cannot thank our teachers enough for their dedication and enthusiasm to prepare for the 2021-22 school year. You can expect a welcome email from your teacher this week!

Please review the Webster bell schedule, drop-off and classroom map. Please be prepared to say goodbye to your child at the entry gate. If you were unable to attend the Parent Information Meeting earlier this week, please visit the [Webster Homepage](#) under "What's Happening at Webster" and view the informative presentation.

Your proud principal,

Ms. Daruty

THIS WEEK:

Seaside Preschool, TK and Kinder WELCOME. Students and their parents are invited to the Webster campus on **Wednesday, August 18th from 1:00 - 3:00 p.m.** Please park in the lower lot and enter campus using the front gate. All students and families will take a health screening and must be masked. You will begin by heading to your child's classroom to meet your teacher and learn about the classroom. At 2:00 pm, we will ask all families to say goodbye to their teachers and join us in Poets' Park near our cafeteria for a brief, informal reception (15-30 minutes). This experience really allows our young students to feel comfortable walking in on the first day of school. Finally, the playground will be available for exploration and the Boys and Girls Club will be available to visit as well.

An INDEPENDENT STUDY OPTION will be available for students and families who are unable to return for in-person learning. If you are interested in signing your child up for the [Independent Study option](#), rather than sending them back to school, please read through the linked memo. If you would like to schedule a call with me to discuss this decision, please do so, I am happy to help.

TRANSPORTATION: School bus transportation will resume for the school year at limited capacity. Please apply for a bus pass NOW, to reserve your spot. <https://www.smmusd.org/domain/306>.

Email, Phone or address change-Please report any information changes to the school Michaeleward@smmusd.org. Make sure she knows if you changed your email or phone numbers so she can update our Student Information Database, Aeries.

Online Learning Programs - Clever Sync Pause-As standard yearly practice, Clever sync will be paused on June 9. This pause allows students to access the previous school year resources over the summer. The pause also gives teachers access to the previous year's teacher resources. Clever sync will be activated on August 9, at which point students may lose access to various services (resulting from grade level change). Teachers moving grade levels or subject areas will need to wait until the August sync for access to resources for their new assignment.

Health and Safety Measures: Layers of Mitigation

Covid Surveillance Testing for Students and Staff: Please read Dr. Drati’s communication about the approved resolutions. [Superintendent’s Message: Masking, COVID Testing and Vaccinations](#). After receiving the letter, I attended a meeting with the District’s Emergency Operations Team and principals to receive more details. Here is what I know NOW:

- Testing will not start before the 1st day of school. As I learn more details I will share.
- The District plans to hire a testing service provider just for Malibu schools. The company will begin weekly screening of all staff and students (shallow swabs) the week of August 30th.
- A consent form will be given to parents in advance.

District Covid Information Website: <https://www.smmusd.org/coronavirus>

Before School Prescreening: We will have a new prescreener soon. The program is called “Company Nurse”. Details are coming.

Illness Reporting: If your child is ill, please take the following actions. Keep your child home, report the absence and symptoms to Health Office Specialist Yoliee Hernandez yhernandez@smmusd.org. Also please report the absence to Attendance Officer Michaele Ward michaele.ward@smmusd.org

Masks: Masks should be clean and form fitting. Daily replacement or washing of masks is key to good health. Masks may be removed to eat or drink outdoors. Masks may also be removed briefly if breathing becomes difficult; in this case the student steps away and removes their mask with two hands a few inches from their face. Fresh child-sized masks are always available from staff. Masks with one-way valves, bandanas and gators are not permitted. Alternative protective strategies may be adopted to accommodate students who are on Individualized Education or 504 Plan. Please contact Ms. Daruty to discuss. Students who present appropriate documentation demonstrating a disability or condition that does not allow them to safely wear a mask can wear a face shield with drape. Students with documented conditions that do not accommodate the face shield and drape may request a reasonable accommodation from the school or district.

No Cost Vaccine Clinics and PCR Testing: [Link](#)

The California Department of Public Health issued new [Guidance for K-12 Schools on July 12, 2021](#). The new guidance applies to the 2021-22 school year. Since the beginning of the pandemic, SMMUSD has implemented multiple layers of mitigation to protect our students and employees. We continuously update our health and safety measures based on guidelines from the California and Los Angeles County Public Health Departments.

Webster will continue with the following current health and safety protocols include:

- Masks and physical distancing according to Public Health guidelines.
- Daily health screening.
- Frequent hand washing.
- Cleaning and disinfecting protocols.
- MERV-13 and HEPA filters in all classrooms and workspaces.
- Regular weekly asymptomatic testing.
- Quarantine, isolation, contact tracing, and notification protocols.
- Masks continue to be required for all children and adults while indoors and outdoors, regardless of vaccination status.

Parent Involvement. Please [join the PTA](#) and please support the [Annual Giving Campaign](#). Membership is just \$15 and allows you to vote at meetings, but more importantly is a symbol of unity between teachers and parents. The Annual Giving Campaign website will show you where your voluntary donation goes. The services on this list are so important and allow our school to move from good to great. Thank you for your consideration! Lastly, the PTA website lists many local parent and child resources they have gathered. I cannot thank the PTA strongly enough. Our PTA is helping all of us stay connected and helping our school to be great.
