PRINCIPAL'S MESSAGE- Aug 22, 2021

Dear Webster Families,

We had a successful first two days last week! It was wonderful to see our students smiling and enjoying the start of their school year. Thank you to our wonderful PTA for helping make the first day special with photographs, Webster Wear sales, bubble machines and balloons!

This Tuesday, 8/24 @ 6:00-7:00 p.m. is BACK TO SCHOOL NIGHT for grades **TK-2nd**. Your child's teacher will send you their zoom link. This is an important virtual event hosted by your classroom teacher. Teachers will provide you valuable information about their routines, procedures and ways you can support your children. Plan on attending!

This evening you will receive an important message from Webster school on how to register for the Covid-19 screening testing that will begin this week. I will share more details about the specifics of the rollout at Webster in the next few days. Tomorrow evening, I encourage you to join the SMMUSD school board meeting regarding COVID screening testing @5:00 PM. [zoom link](#).

Lastly, please visit our school website to download and turn-in the [first day packet forms](#).

Your proud principal,

Ms. Daruty

THIS WEEK:

ARRIVAL AND DISMISSAL REMINDERS: Parents must wear a mask when on school premises which includes outside of the school.

Please register for the health screening application. This should be done prior to bringing your child to school. We will use the screener beginning Monday at all gates! Register now, to avoid a back-up at drop-off.

As a reminder, PreK and TK will enter using the curbside valet adjacent to the Prek/TK yard gate.

John L. Webster Elementary School

3602 Winter Canyon Road Malibu, CA 90265

Kinders will use the curbside valet (mornings only) or park and walk-up in the front of the school. We will use the gate closest to the auditorium, just for kinders!

Grades 1st- 5th may elect to either 1) Park in the lower parking lots and walk-up (accompanied by an adult) or 2) Use the curbside valet (mornings only) and front gate entrance. We will no longer have a curbside valet in the lower lot.

School staff will be available to guide students to the various classroom locations. Parents will not be permitted on campus and should say their goodbyes at the screening gates.

Dismissal reminders: Preschool and TK use the curbside valet at their designated gate. Kinder will use the gate closest to the auditorium. 1st-5th can use either the lower parking lot gate or the front gate. Please remind your children where you will pick them up each day. We do not have enough staff to offer a curbside valet at dismissal. Please park and walk up or drive up and wait for your children.

Illness Reporting: If your child is ill, please take the following actions. Keep your child home, report the absence and symptoms to Health Office Specialist Yoliee Hernandez yhernandez@smmusd.org. Also please report the absence to Attendance Officer Michaele Ward michaele.ward@smmusd.org

Masks: Masks should be clean and form fitting. Daily replacement or washing of masks is key to good health. Masks may be removed to eat or drink outdoors. Masks may also be removed briefly if breathing becomes difficult; in this case the student steps away and removes their mask with two hands a few inches from their face. Fresh child-sized masks are always available from staff. Masks with one-way valves, bandanas and gators are not permitted. Alternative protective strategies may be adopted to accommodate students who are on Individualized Education or 504 Plan. Please contact Ms. Daruty to discuss. Students who present appropriate documentation demonstrating a disability or condition that does not allow them to safely wear a mask can wear a face shield with drape. Students with documented conditions that do not accommodate the face shield and drape may request a reasonable accommodation from the school or district.

Webster will continue with the following current health and safety protocols include:

- Masks and physical distancing according to Public Health guidelines.
- Daily health screening.
- Frequent hand washing.
- Cleaning and disinfecting protocols.
- MERV-13 and HEPA filters in all classrooms and workspaces.
- Regular weekly asymptomatic testing.
- Quarantine, isolation, contact tracing, and notification protocols.
- Masks continue to be required for all children and adults while indoors and outdoors, regardless of vaccination status.

Webster is a great school but we cannot be an AMAZING school without Parent Involvement. Please [join the PTA](#) and please support the [Annual Giving Campaign](#). Membership is just \$15 and allows you to vote at meetings, but more importantly is a symbol of unity between teachers and parents. The Annual Giving Campaign website will show you where your voluntary donation goes. The services on this list are so important and allow our school to move from good to great. Thank you for your consideration! Lastly, the PTA website lists many local parent and child resources they have gathered. I cannot thank the PTA strongly enough.
