RE: IN-PERSON INTERVIEWS OF APPLICANTS TO FILL VACANCY ON  
BOARD OF EDUCATION

DISCUSSION ITEM NO. D.01

Due to a board member relocating out of the jurisdictional boundaries of the school district, there is now a vacancy on the Board of Education. At the June 28, 2007, board meeting, the Board of Education agreed to accept applications from the public to fill the vacancy, with a submission deadline of July 9, 2007. At the July 12, 2007, board meeting, the Board of Education then agreed to hold a special board meeting for in-person interviews on July 19, 2007, at 4:00 pm.

Two paper applications were received by the July 9, 2007, deadline.

In an effort to develop a standard list of questions to ask the applicants, each board member created and submitted one question to the Superintendent. These questions were to be unique from the questions found on the paper application. **Each candidate will be interviewed individually.** Each board member will ask ~~their one question of both~~ **each** candidates ~~in alternating fashion.~~ Each candidate will have three minutes to answer the question during the in-person interview. The Board President will act as the moderator. Follow-up questions may be asked only for clarification of the original question. No other questions may be asked that were not on the standard list of questions submitted to the Superintendent.

Board members will be provided with a rubric on which to rate each applicant based on his/her answers to the standard list of questions. **Following each oral interview, there will be a 10-minute break for board members to fill out the rubric.**

Following the in-person interviews at the July 19, 2007, meeting, board members will ~~engage in public discussion and then~~ select the candidate who will fill the current vacancy on the Board of Education **based on the result of the tally of points from the paper application and the oral questions.** The candidate chosen by the Board will be officially appointed at the next meeting of the Board of Education.

**Question #3**

In your opinion, how does institutionalized racism reveal itself in the district, and what are possible solutions?

**Question #4**

Finances will always be a driving issue in our District, what are your thoughts in terms of other streams of revenue, other than city and parent support that could generate monies for the district?

**Question #5**
