**IV. BOARD OF EDUCATION – COMMENDATIONS / RECOGNITIONS**

- Presentation of Verizon Grant to SMMUSD – Mike Murray, Director of Government and External Affairs, Verizon  
*Mr. Mike Murray from Verizon presented a grant check to the Board of Education for \$40,000. The grant money will support Achieve 3000, a web-based, research-based intervention program that improves literacy skills. The program will be implemented at five SMMUSD elementary schools. Mr. Murray commended the district for its efforts in improving literacy. Superintendent Talarico announced that the district will be approaching Verizon for another grant before the October 2008 deadline. Board President de la Torre thanked the foundation for its contribution, partnership, and dedication to strengthening public education.*

- Edison Language Academy

*Principal Lori Orum introduced Edison's PTA Co-Presidents, Ms. Lisa Balfus and Mr. Christopher Jimenez y West. Mr. Jimenez y West said that he and his wife chose SMMUSD because of Edison Language Academy and its Principal, Ms. Lori Orum. He said that while the school is unique and interesting, the physical environment has challenges; however, these challenges are being overcome by fundraising and dedicated parents. He showed pictures of an unused area that had been turned into a courtyard with shaded eating areas, landscaping, and mural images of sea life. The new Kinder Yard, which boasts murals of butterflies, aids new families coming to the school. Ms. Orum said that each year the students are given an architectural project to design their own dream home. This year, the project is to design a new school; students will present their projects in both English and Spanish. Ms. Balfus reported that the Fall Festival is an excellent example of how the school comes together to celebrate the cultures of its students and families. She drew the board's attention to the Edison student artwork that was hanging in boardroom. The students also created a peace project, in which individual origami cranes were strung throughout the campus; each crane represented a person, American or Iraqi, under the age of 21 who had died as a result of the war in Iraq. Ms. Balfus expressed her gratitude for the board's support and recognition of the school's needs. Mr. Orum reported on Edison's intergenerational projects, in which students who have matriculated to upper grades come back and help Edison students with their projects. Additionally, graduating seniors return and celebrate their K-12 success with the school's community. She proudly stated that the school continues to show improvement on its API score and that the school has earned the Title I Award for the third year in a row.*

*Principal Orum said that the Student Council was replaced with twelve leadership teams consisting of ten students and one adult mentor each. She then introduced four Edison students, each of whom represented one of the twelve leadership teams. Jane Balfus explained how the Cool Tools Players teach students how to solve problems with words; she cautioned that when you say mean words, you can't easily take them back. Anabel Renshaw reported that the Student Activities Team was honoring Dr. Martin Luther King, Jr. with a Kindness and Justice Challenge. She invited board members to participate by writing down something kind and just they have done today; the pieces of paper are joined into a chain around the campus. Ramses Lovera Garcia, a member of the Green Team, reported that in an effort to care for the environment, the school has begun a recycling program for items such as milk cartons, plastic, and paper. Ymiah Jones, a member of the Orientation Team, helps smaller kids get to know the school better. Each student presented in both Spanish and English, demonstrating the school's bilingual focus.*

*Board President de la Torre said he was proud of the students for all their work. He thanked the school for its leadership and for creating responsible citizens for the future. Ms. Orum thanked the parents who brought their students for the presentation. Board Member Leon-Vazquez stated that their generation would benefit from having a multilingual education. Ms. Talarico expressed her wish that all students will one day be bilingual and bicultural.*

- **Dr. Martin Luther King, Jr. Celebration**

*Ms. Peggy Harris announced that this year's Martin Luther King, Jr. celebration would honor nonviolence. She introduced eleven students, who represented a cross section of students from John Adams Middle School. The students were Ishmael Ross and Imani Barton (eighth grade), Khariana Ahmir and Kasey Aparicio (7<sup>th</sup> grade), and Yasmeeen el Sherif, JA-Lamar Lyons, Zaq Moul, Trey Wofford, Jordan Detamore, Jake Horowitz, and Cheyenne de los Reyes (6<sup>th</sup> grade). These students presented nonviolent ways to solve conflicts. As part of their presentation, some of the students acted out an interview to illustrate Dr. King's message of nonviolence, which includes living a nonviolent life, using nonviolence for conflict-resolution, avoiding the violence-begets-violence cycle, avoiding fights, acknowledging anger and then setting limits, and nonviolent protests as a means of bringing about change. The students have even established a peer mediation group at the middle school. A group of the students then read from parts of Dr. King's speeches and applied their message of nonviolence to everyday situations. The students declared that Martin Luther King, Jr.'s dream and legacy are just as meaningful today as they were in 1963. One of the students concluded the presentation by asserting that they all were committed to living Dr. King's principles in their daily lives.*

*Board President de la Torre thanked the students for the beautiful presentation and thanked the JAMS staff, parents, students, and Peggy Harris. He said the students did a wonderful job of exemplify what Dr. King stood for, and that each member of the audience and district staff would take the message of unity to their homes this evening. Board Member Snell quizzed the students: Where did Dr. King attend college and what was unique about that school? One student called out that Dr. King attended Morehouse College; a few of the students knew that Morehouse was the first all-black college for men. Board Member Snell congratulated the students for their answers. He said that while Dr. King inspired many people, he was one of many African American men who fought for change. He told the students their homework was to research the accomplishments of Benjamin E. Mayes and Howard Thurman. Board President de la Torre announced various community events that would take place on Sunday and Monday to honor Martin Luther King, Jr. Superintendent Talarico thanked the students for reminding the audience of Dr. King's words. She reported that she met with SAMOHI administrators today, who said that the incoming freshman students from JAMS carried themselves with pride and that their dedication to their own education was evident. The administrators observed that the JAMS students were calm and committed to solving conflicts in a peaceful fashion.*

### **A. Student Board Member Reports**

#### **Alec Richker – Santa Monica High School**

*Student Board Member Richker updated the Board of Education regarding events at SAMOHI since winter break. Final exams begin next week after the Martin Luther King, Jr. holiday. The Measure “BB” Advisory Committee for SAMOHI is meeting in the student cafeteria today after school; they are meeting the architect assigned to the high school. Last week, SAMOHI alumni came and spoke to the current students regarding how the school prepared them for college and what to expect in college. A service core in leadership visited St. Augustine’s Church and volunteered to serve food to homeless people in Santa Monica. The movie crew for 17, which had been filming on campus the past few weeks, has left and is now filming on the Olympic High School campus. The Winter Band Concert was held on January 15<sup>th</sup>. Seniors turned in their ads for the yearbook. On Monday, the College Center will be hosting an informational session on financial aid for college. On February 5<sup>th</sup>, the school will be holding a mock vote that coincides with the actual Presidential primary. Another blood drive will be held on February 26<sup>th</sup>. Club Day will be held on February 8<sup>th</sup>. On January 14<sup>th</sup>, 1,000 5<sup>th</sup> graders came and listened to the New West Symphony.*

*Mr. Richker then reported on the numerous sporting updates from the campus. The boys’ soccer team recently beat Beverly Hills, adding to their undefeated title. The girls’ soccer team also beat Beverly Hills. The boys’ soccer team also won the South Bay Holiday Classis for the first time ever. Both the boys’ and girls’ basketball teams won their most recent games. The girls’ water polo team has been successful and the coed wrestling team won its last match.*

#### **Kristen Lambert – Malibu High School – no report**

#### **John Shippey – Olympic High School**

*Student Board Member Shippey reported that the K9 program from OPC has returned to campus. The program teaches students skill building, career goals, and plans for the future as they learn to train dogs. Next week, the House Advisors from SAMOHI will be on campus learning about Olympic High School, catching up on the progress of students from their Houses, and walking through the small campus. Wally Berriman provided the district with new carpeting in a classroom to replace flooring*

*that had repeatedly flooded. The carpet was a free offer from the carpet company to demonstrate their new product. Mr. Shippey said that the school was very grateful for the new carpet. There is a new graphic arts class at Virginia Park that was offered to Olympic students through the City of Santa Monica. Students are transported to the Park by the SMPD where they work on a digital graphic arts program. Starting in the spring semester, Sioux Heyler, the Workability teacher, will be teaching life management and attitude as well as career prep.*

*Mr. Shippey concluded his report by announcing the movie Seventeen, which is being filmed on campus, used the principal's office for a couple scenes. The school benefits from filming funds. Filming was hectic, but did not interfere with the school program.*

**B. SMMCTA Update – Mr. Harry Keiley – no report**

**C. S.E.I.U. Update – Ms. Keryl Cartee-McNeely – no report**

**D. PTA Council President Report – Rebecca Kennerly**

*PTA Council President Rebecca Kennerly reported that the council was busy working on Measure “R” and had been at the forefront of the campaign. PTA members have helped to assemble an amazing array of endorsers. She then read a list of names of groups and organizations that have endorsed Measure “R”. To conclude her report and illustrate the dedication and purpose of the PTA, Ms. Kennerly told a story of how one of the PTA school site presidents commented that the members of the PTA are held accountable not to adults in the district, but rather to the children. Board Member Wisnicki commended Ms. Kennerly on her dedication to the district.*

**E. Financial Oversight Committee – no report**

**F. Measure “BB” Advisory Committee**

*Co-Chair Gleam Davis reported that the committee is currently developing standards for specialized classrooms. The site committees have been established and are meeting with the architects. Ms. Davis commented that she has seen a lot of excitement at the sites. She concluded that at the last Measure “BB” Advisory Committee meeting, there had been a “technical glitch” on a vote, an error that would be corrected at the committee's next meeting.*

**X. SUPERINTENDENT'S REPORT**

*Superintendent Talarico reported that SMMUSD had been recognized as one of twenty-six school districts by the South Coast Air Quality Management District. The organization thanked our district for protecting student's health during recent wildfires by communicating the air quality each day to the school sites. The organization is now encouraging the district to participate in the Air Quality Flag Program, in which schools fly a flag each day that corresponds to the five color-coded air quality levels in the national Air Quality Index.*

*Ms. Talarico announced that Lou Barber and his team have been meeting with district staff since January 9<sup>th</sup> regarding the Special Education Review. Members of the public can contact Mr. Barber at [lou.barber@smmusd.org](mailto:lou.barber@smmusd.org). Mr. Barber has met with Special Education staff, herself, SMMCTA, board members, Special Education*

coordinators, principals, SEDAC, and the district's financial team. He and his team will be visiting some school campuses the last week of January and will be conducting teacher panel interviews at the SMMCTA office. Community input sessions will be held on Feb 6<sup>th</sup> and 7<sup>th</sup>; further information will go out to the public next week. Mr. Barber and staff are beginning to identify the process that will be used to contact families who have settlement agreements with a mutual waiver that both parent and district would sign so as not to compromise the services being provided to the students. Board Vice President Escarce suggested that the public input session dates be put on district website and that a letter be sent to all families with children with special needs informing them of the sessions. Board Member Snell suggested that the letter be in English and Spanish. The Superintendent reported that Lou Barber & Associates' draft report would come forward at the first meeting in March. If Mr. Barber and his team feel that a comprehensive report would not be ready by the city's late March deadline, they will request an extension in writing. Ms. Talarico said that she has been keeping City Manager Lamont Ewell updated with the progress of the independent review.

The Superintendent concluded her report by announcing that the district has received funds for the Dream Stings program from the Gail Dorin Music Foundation Ella Fitzgerald Charitable Foundation. She thanked the foundation for allowing the district to continue to provide this wonderful program to our students.

### **MAJOR and DISCUSSION Items**

As a general rule, items under MAJOR and DISCUSSION will be listed in order of importance as determined by the President, Vice President and Superintendent. Individual Board members may move to request a change in the order prior to consideration of any Major item. RE: CONSOLIDATED APPLICATION - PART II

RECOMMENDATION NO. A.07

It is recommended that the Board of Education approve the Consolidated Application, which must be submitted to the California Department of Education for the Santa Monica-Malibu Unified School District to receive funds for categorical programs.

COMMENT: The application is submitted in two parts for each school year of funding. Following board approval, Part II is to be submitted by January 31, 2008, indicating the number of pupil participants and funding allocations for each program and school site. Federal guidelines also allow local non-profit private schools to participate with the public school district in federal programs. Participating eligible schools and allocations are included in Part II. The district is receiving the following funding for the 2007-2008 school year as part of the Consolidated Application:

**Federal Funds:**

**Entitlements**

Title I:

\$997,403

A federal program to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging academic achievement standards and state academic assessments.

Title II Part A: Teacher Quality

\$408,565

A federal program that increases student academic achievement through strategies such as improving teacher and principal quality through professional development and increasing the number of highly qualified teachers in the classroom and high qualified principals and assistant principals in the schools.

Title II Part D: Technology

\$ 10,197

A federal program providing formula funded grants for education technology based on the percentage of Title I funds received. Twenty five percent of the funding must be spent on professional development; the remainder must be spent to support using technology to enhance education in a manner consistent with the approved application. ~~Funding information is currently not available from the state.~~

Title III: Program for LEP Students: \$152,665  
A federal program to provide supplementary programs and services to assist English Learners in acquiring English as well as achieving grade-level and graduation standards.

Title IV: Safe and Drug Free Schools: \$ 43,582  
A federal program providing funding to local educational agencies to prevent violence in and around schools; to prevent the illegal use of alcohol, tobacco and drugs; and to foster a safe and drug free learning environment that supports academic achievement.

Title V: Innovative Education Strategies: \$ 11,647  
A federal program to develop and implement innovative education programs in order to improve school, student and teacher performance, including professional development activities and class size reduction programs.

**State Funds**

**Entitlements**

Economic Impact Aid (EIA): \$790,654  
A program supporting compensatory educational services for educationally disadvantaged students and services for English Learners.

Tobacco Use Prevention Education (TUPE): \$ 16,013  
A program providing funding for tobacco-specific student instruction, reinforcement activities, special events and cessation programs for students in grades four through eight. As a pre-requisite for receiving funds, school districts must have a fully implemented tobacco free school district board policy.

School Safety and Violence Prevention: \$ 212,824

A program providing funding to school districts maintaining grades eight through twelve to improve school safety or reduce violence among students. ~~Funding information is currently no available from the state.~~

**Total Consolidated Funding:** **\$2,420,529**

(continued on next page)

**School Site Responsibilities:**

Each school is required to have a comprehensive school plan known as the Single Plan for Student Achievement describing strategies and activities to improve student achievement and meet district adopted standards through supplementary services provided by these programs. Each school receives an allocation of funding for school-based programs to fund effective, research-based programs to improve student achievement. Activities to support parent involvement must also be included. Services must be supplementary and may include additional support staff, such as specialist teachers, counselors, and instructional aides. Services may also include before/after school intersession classes, instructional materials, equipment, technology, professional development and conferences. Each school's School Site Council is required to provide input and recommend to the Board for approval the planned program activities and budgets as part of the Single Plan for Student Achievement. In addition, the Chief Academic Officer and Directors in Educational Services meet with each principal to insure compliance and proper expenditure of funds.

COMMENT: According to the Education Code SEC.21 Section 56342, prior to recommending a new or continued placement in a non-public, non-sectarian school, the Individualized Education Program (IEP) Team must submit the proposed recommendation to the local governing board for its review and recommendation regarding the cost of such placement.

The recommendation for these severely handicapped students are made by the District IEP Teams in accordance with State and Federal laws. The mandates of IDEA require non-public school services be provided at no expense to parents if there is not an appropriate public school program available. Funding to come from a SELPA-wide non-public school/non-public agency reserve account.

RE: ACCEPTANCE OF GIFTS - 2007/2008

RECOMMENDATION NO. A.10

It is recommended that the Board of Education accept, with gratitude, checks and gifts totaling \$62,387.11 presented to the Santa Monica-Malibu Unified School District.

It is further recommended that the Fiscal/Business Services Office, in accordance with Educational Code §42602, be authorized to increase the 2007-2008 income and appropriations by \$58,187.11 as described on the attached listing.

COMMENT: The value of all non-cash gifts has been determined by the donors.

NOTE: The list of gifts is available on the District's website, [www.smmusd.org](http://www.smmusd.org).

RE: AGREEMENT WITH THE STATE DEPARTMENT OF EDUCATION TO  
ACCEPT FUNDS FOR THE CHILD DEVELOPMENT PROGRAM FOR  
FISCAL YEAR 2007-2008

RECOMMENDATION NO. A.11

It is recommended that the Board of Education accept the contract with the State Department of Education, Child Development Division effective July 1, 2007, through June 30, 2008. This agreement CIMS-7210, is to be executed between the Superintendent of Public Instruction, State Department of Education, and the Santa Monica-Malibu Unified School District, wherein the State agrees to pay the Santa Monica-Malibu Unified School District Child Development Fund/CDC an amount not to exceed \$3,464.00. The board agrees to provide a drug free workplace and to authorize Dianne Talarico, Superintendent of Schools, to sign the contract on behalf of the governing board.

RE: INCREASE OF CONTRACT (LEGAL FEES) FOR GOODWIN PROCTER  
LLP

RECOMMENDATION NO. A.12

It is recommended that the Board of Education approve a contract for Goodwin Procter LLP for general legal services in a not-to-exceed amount of \$175,000.

Funding Information:

Currently Budgeted: Yes

**Building Fund**

Account Number: 01-00000-0-00000-73000-5820-050-1500

Description: Other Genl. Admin./Legal Fees/Business Serv.

COMMENTS: Dean Pappas, Esquire has provided general legal services for the past several years and is currently with the law firm of Goodwin Procter LLP. On August 23, 2007, the Board approved item A.07, *Approval of Contract (Legal Fees) for Goodwin Procter LLP*, in the amount of \$100,000. Staff now recommends increasing the contract amount by \$75,000 for a total of \$175,000 for the 2007-08 fiscal year. It is expected that this increase will be sufficient to cover expenditures through June 30, 2008.

Board approval will allow continuing general legal services to the District by Goodwin Procter LLP.

\*\*\*\*\*

*Ms. Jan Maez explained that the cost of the contract was increasing because the it covers part of 2006-07 and all of 2007-08; the costs in 2007-08 are more due to an increase in Measure "BB" projects. She clarified that the account should read Fund 21, not Fund 01.*

RE: INTERIM ARCHITECTURAL CONTRACTS FOR MEASURE "BB"  
FACILITIES DESIGN - DATE EXTENSION ONLY

RECOMMENDATION NO. A.14

It is recommended that the Board of Education award a time extension on interim contract agreements to R.L. Binder, Osborn/Koning-Eizenberg, HMC Architects, WWCOT, and Daly Genik/IBI to provide architectural design services in conjunction with the Measure "BB" construction program, to allow staff to complete negotiations with these firms and execute contracts.

Funding Information

Fund: 21

Source: Building Fund

Account Number: 21-00000-0-00000-82000-5802-050-1500

Description: Consultant Services

COMMENTS: Due to the complexity of architectural services contracts, and the winter break, contract negotiations have not progressed as rapidly as anticipated. District staff requires additional time to finalize contract terms for architectural services through the end of February 2008 in order for the projects to proceed on schedule. The Board of Education approved the interim contracts during its board meeting on 12/13/07 through the end of January 2008.

The amounts of the interim contracts are as follows:

R.L. Binder	\$340,000
HMC Architects	\$270,000
Daly Genik/IBI	\$150,000
Osborn/Koning Eizenberg	\$150,000
WWCOT	\$250,000

The amounts listed above will be included in the full contract amount when negotiations are completed.

It is recommended that the Board of Education award an increase scope of work to R.L. Binder Architecture & Planning for work involved with creating a Master Plan for Santa Monica High School in an amount of **\$180,000.**

Funding Information

Budgeted: Yes

Fund: 21

Source: Building Fund

Account Number: 21-00000-0-00000-82000-050-1500

Description: Consultant Services

COMMENT: Due to the complexity of Santa Monica High School, and the additional allocation of funding to the site, it has been determined that in order to proceed with the design at Santa Monica High School, a study of the entire campus would be prudent. The proposed Master Plan scope for Samohi would include collaboration with the City of Santa Monica's Implementation of its Civic Center Plan.

~~NOTE: At the time the agenda was printed, the amount of the increased scope of work had not been determined. This amount will be provided in an update to the agenda prior to the meeting.~~

\*\*\*\*\*

*Ms. Virginia Hyatt explained that while a Facilities Master Plan exists for all of the campuses districtwide, the plan for SAMOHI is complex and requires a more detailed study, which was not in the original scope of work for this architect.*

*Dr. Wisnicki motioned to move this item to Action/Major; Dr. Escarce seconded.*

*Dr. Wisnicki made a motion to pull item from the agenda; she then withdrew her motion after a discussion with board members.*

*Dr. Wisnicki MOTIONED to approve \$50,000 of this contract and postpone the remaining amount until next meeting after board members received the contract's scope of work.*

RE: APPROVAL OF PROCEDURES FOR MEASURE "BB" FACILITIES  
SCOPE AND BUDGET CONTROL PROCESS

RECOMMENDATION NO. A.16

It is recommended that the Board of Education approve the following procedures for the Measure "BB" Facilities Scope and Budget Control process.

Background Information

The Board of Education approved contract agreements with five architectural firms (R.L. Binder, HMC, Daly Genik/IBI, Osborne/Konig Eizenberg, and WWCOT) during the board meeting of November 15, 2007, and approved interim agreements with these firms on December 13, 2007. As the architectural firms proceed through schematic design at each site and budget estimates for scope of work progress from planning figures to more accurate costs based on actual designs, cost estimates and scope of work must be reviewed. All changes will be taken to the Measure "BB" Advisory Committee for approval prior to be taken to the Board of Education for approval as outlined in the following procedure.

The Measure "BB" Advisory Committee reviewed the document at its meeting of January 7, 2008, and approves it moving forward for board approval.

### **Scope and Budget Control Procedure - Measure “BB” Bond Program**

The Board of Education is responsible for approving all scope of work and budget allocations for the Measure “BB” Program.

Selection and approval of project scopes and related budgets must be brought to the board for formal action.

The Measure “BB” Advisory Committee provides oversight of scope and budget issues.

Changes in scope or budget of individual projects shall be administered by district staff through the Measure “BB” Advisory Committee.

All requests for changes to project scope of work or budget must be reviewed by staff prior to submittal to the Chair of the Measure “BB” Advisory Committee and subsequently formally reviewed by the committee at a regular or special session. If the committee agrees, the proposed change is forwarded to the Board of Education through district staff for formal action by the board.

RE: APPROVAL OF THE 2008-2009 AND 2009-2010 CALENDARS

RECOMMENDATION NO. A.24

It is recommended that the Board of Education approve the school calendars for the 2008-2009 and 2009-2010 school years.

COMMENT: The school calendar is a negotiated item between the Board of Education and the Santa Monica-Malibu Classroom Teachers' Association (SMMCTA) as per Article VI.A.4 of the current agreement.

\*\*\*\*\*

*Board Member Wisnicki expressed concern that Rosh Hashanah was not a pupil-free day in the 2008-09 calendar. The board agreed unanimously to pull the item until it could be discussed with the Santa Monica-Malibu Classroom Teachers Association, as the calendar is a negotiated item.*

RE: APPROVAL OF THE 2006-07 ANNUAL FINANCIAL AND MEASURE  
"S" AUDIT REPORTS

RECOMMENDATION NO. A.25

It is recommended that the Board of Education accept the 2006-07 Annual Financial and Measure "S" Audit Reports and approve management discussion and analysis/the administrative responses to the "Findings" and "Recommendations" as contained in the Subject audits.

COMMENT: In response to California Education Code mandate, the 2006-07 financial audit has been completed by the audit firm of Roy J. Blair, CPA, who has also completed the 2006-07 Measure "S" audit in response to that same mandate as well as the provisions of the Measure "S" language, subject to the comments and observations of the Financial Oversight Committee (FOC). The Board of Education and the FOC have previously received a copy of both the audit reports; an information copy of both audit reports is available for public review in the Superintendent's Office.

A section of the audit report contains a series of "Findings" and "Recommendations" and "District Responses" for board consideration.

Mr. Blair will be available at the meeting to answer questions.

\*\*\*\*\*

*Mr. Blair reported that the district was not out of compliance; however, the district's instructional minutes just met the state's minimum requirements due a change in the way the state measures instructional minutes. Now that this change in measurement has been brought to the district's attention, Mr. Blair and staff are working to ensure the district's instructional minutes more than meet the minimum requirements for the 2007-08 year.*

*Board Member Mechur inquired as to the process for selecting a new auditor, since Mr. Blair's legally allotted term as the district's auditor is expiring. Ms. Maez explained that an RFP has been sent out. The new appointment needs to be made by April 1, 2008.*

RE: REAPPOINTMENT OF TERMS TO THE FINANCIAL OVERSIGHT  
COMMITTEE (FOC) FOR BEN ALLEN, PATRICIA HOFFMAN, AND  
PAUL SILVERN

RECOMMENDATION NO. A.26

It is recommended that the Board of Education approve the reappointment of Ben Allen, Patricia Hoffman, and Paul Silvern to the Financial Oversight Committee (FOC).

COMMENT: Mr. Allen, Ms. Hoffman, and Mr. Silvern have served diligently on the Financial Oversight Committee. Their terms ended on December 31, 2007. Staff suggests that these community members be reappointed to the FOC for additional three-year terms. Following are the terms for all FOC members:

<b>Term Ends 12/31/08</b>	<b>Term Ends 12/31/09</b>	<b>New Term Ends 12/31/10</b>
Denny Kernochan	Craig Hamilton	Ben Allen
Cheryl Stecher	Gordon Lee	Patricia Hoffman
Cynthia Torres	Carrie Wagner	Paul Silvern

\*\*\*\*\*

*Board Member Mechur asked why DAC member terms end in December and follow the calendar year, rather than end in June and follow the district's fiscal year.  
Staff said they would look into this.*

RE: APPROVAL PROCEDURES FOR MEASURE "BB" FACILITIES DESIGN  
REVIEW PROCESS

RECOMMENDATION NO. A.27

It is recommended that the Board of Education approve the following procedures for the Measure "BB" Facilities Design Review process.

Background Information

The Board of Education approved contract agreements with five architectural firms (R.L. Binder, HMC, Daly Genik/IBI, Osborne/Konig Eizenberg, and WWCOT) during the board meeting of November 15, 2007, and approved interim agreements with these firms on December 13, 2007. The architectural firms will begin meeting with site "BB" Committees this month to begin the planning process for schematic design at each site. Once proposed drawings are completed, they will be reviewed by a Design Review Committee. The Design Review Committee shall be comprised of a sub-committee of the Measure "BB" Advisory Committee and various other members as outlined in the following procedure.

The Measure "BB" Advisory Committee reviewed the document at its meeting of January 7, 2008, and approves it moving forward for board approval.

\*\*\*\*\*

*Superintendent Talarico suggested that in an effort to ensure districtwide sustainability (and not just in regards to new "BB" projects), a Superintendent-appointed Sustainability Task Force should be formed. Mr. Mechur agreed to be the board liaison to the task force.*

*Superintendent Talarico inquired as to the purpose of the Design Review Committee and if this process would slow down the construction. Ms. Hyatt explained that the process and Design Review Committee would help "BB" projects get approved by the city's planning committee.*

### **Architectural Design Review Procedure - Measure “BB” Bond Program**

The Board of Education supports quality sustainable architectural design creating attractive durable cost-effective learning environments. To ensure appropriate design solutions that meet both district goals and wider community expectations all major architectural building and site designs shall be reviewed by the Design Review Committee.

During the development of Measure “BB” projects for each site, each local Site Building Committee working with district staff and the assigned architect will ensure that the programming and schematic design addresses sustainability and provides for attractive, durable and cost effective learning environments.

At the end of the schematic design staff shall present the proposed design including architectural site plans to the Design Review Committee. The project shall not proceed into Design Development until the design has been accepted.

Participation in the Design Review Committee shall include Chairs of the Measure “BB” Advisory Committee and Sub-committee on Sustainability as well as other qualified committee members, facilities staff, consultants, city and agency staff, as appropriate. Chairs shall coordinate the selection the Design Review Committee with support from staff.

RE: ESTABLISH POSITIONS FOR BARNUM HALL THEATRE OPERATIONS  
AND FACILITY PERMITS - TECHNICAL THEATRE COORDINATOR,  
ADMINISTRATIVE ASSISTANT, AND PART-TIME CUSTODIAN

RECOMMENDATION NO. A.28

It is recommended that the Board of Education establish the positions of Technical Theatre Coordinator, Administrative Assistant, and a Part-Time Custodian to support the office and Director of Theatre Operations and Facility Permits.

COMMENT: The second phase of the BARNUM HALL AND THE GREEK THEATRE - FACILITY USE PLAN (adopted by the Board of Education on August 31, 2006) planned for the hiring of these additional staff members in the second year of the plan. The success of the first phase of the plan in Barnum Hall and the Greek Theater on the campus of Santa Monica High School has led the board to expand the initiative districtwide with the establishment of the Director of Theatre Operations and Facility Permits. These three positions will support the Director as the scope of work broadens to include facility permits districtwide. They will better serve the district in generating revenue from the leasing of district auditoria and non-Joint Use Agreement use of the school facilities and fields. Additionally, these positions will support the Director of Theatre Operations and Facility Permits market and oversee the district's properties for use as filming venues.

This item was discussed during the December 13, 2007, meeting as *Discussion Item No. D.01*.

RE: APPROVAL OF THE SINGLE PLAN FOR STUDENT ACHIEVEMENT -  
ELEMENTARY SCHOOLS

RECOMMENDATION NO. A.29

It is recommended that the Board of Education approve the following elementary school sites' Single Plan for Student Achievement (SPSA).

- Cabrillo Elementary
- Edison Language Academy
- Franklin Elementary
- Grant Elementary
- McKinley Elementary
- John Muir Elementary
- Point Dume Elementary
- Will Rogers Elementary
- Roosevelt Elementary
- Santa Monica Alternative School House (SMASH)
- **Webster Elementary**

COMMENT: The Single Plan for Student Achievement establishes a focus for raising the academic performance of students to meet or exceed state standards. Each School Site Council (SSC) is responsible for the development, implementation and review of its SPSA. The development of the plan consists of twelve steps:

- 1) Obtain the input of the school community
- 2) Review the school characteristics
- 3) Analyze current educational practices and staffing
- 4) Analyze student performance data
- 5) Establish school goals
- 6) Review available resources
- 7) Select specific improvements
- 8) Consider centralized services
- 9) Recommend the plan to the local governing board
- 10) Monitor progress
- 11) Evaluate the effectiveness of planned activities
- 12) Modify the plan

One public copy of each plan will be available at the Board of Education meeting. Hard copies of the plans are available for viewing in Educational Services. Each site also has a copy of its plan available for review.

\*\*\*\*\*

Board Member Leon-Vazquez asked the principals to name one or two programs that are being implemented to reach all children. Mr. Yates from Cabrillo ES explained that teachers volunteer extra hours to tutor students who are scoring below basic. Ms. Gonzalez from McKinley ES reported that on different nights, the school holds study sessions to help parents learn about content areas; these study sessions are tied into LessonLink and Learning Walks. Ms. Duran-Contreras from Muir ES said that a Literacy Specialist not only helps the students, but also aids in staff development. Ms. Brown from Franklin ES reported that differentiation in instruction has been a focus on campus, as well as an accelerated math and reader program. Ms. Burton from Roosevelt ES explained that literacy coaches, funded by the PTA, work with students to improve reading skills.

Board Member Snell requested that principals email board members when important learning activities are occurring on their campus.

Board Member Leon-Vazquez welcomed back Ms. Irma Lyons, Principal of Will Rogers Learning Community, who had been out on leave.

RE: REVISE POLICY 3515 - DIGITAL CLOSED CIRCUIT TELEVISION  
(CCTV) VIDEO SURVEILLANCE SYSTEM

RECOMMENDATION NO. A.30

It is recommended that the Board of Education revise Board Policy 3515 - Digital Closed Circuit Television (CCTV) Video Surveillance System to include language specific to Global Positioning Systems (GPC) on school buses.

BACKGROUND:

One June 2, 2005, the Board of Education adopted Policy 3515 - Digital Closed Circuit Television (CCTV) Video Surveillance System as part of the campus security effort. The policy is returning with additional language to allow installation and use of Global Positioning Systems (GPC) on school buses. The language is necessary to qualify for grant funding to support student safety efforts.

The text of the policy is attached, with the new language underlined.

#### DETAIL

It shall be the policy of the Santa Monica-Malibu Unified School District to implement a digital Closed Circuit Television (CCTV) video surveillance system at selected sites throughout the district. Video cameras and Global Positioning Systems (GPS) may be used on school buses to monitor student behavior while traveling to and from school and school activities and to track vehicle location, course of direction and speed. The Board believes that such monitoring will deter misconduct and help to ensure the safety of students and staff. Students found to be in violation of the district's bus conduct rules shall be subject to discipline in accordance with district policy and regulations. At the discretion of the Superintendent or designee, school bus video recordings also may be used to resolve complaints by students and/or parents/guardians and to help employees maintain discipline.

The implementation of such a system is solely for the protection of District property and assets from theft and vandalism, and to maintain safety and discipline through deterrence and video documentation and GPS tracking. There is no real-time video monitoring. The systems ~~is~~ are not designed or intended to protect individuals from being victims of violent or property crime, or to detect other potentially illegal or undesirable activities which may occur. However, any information about illegal activities or activities in violation of District policies obtained through the video recordings or GPS records may be used to assist the District or law enforcement as evidence in such cases.

District surveillance cameras will be used in areas deemed appropriate by the Superintendent of Schools, but will not be used in locations where persons have a reasonable expectation of privacy (e.g. bathrooms, locker rooms, changing rooms). Audio recordings shall not be utilized by School District officials for surveillance purposes; such prohibition does not preclude the use of audio recordings by law enforcement officials in accordance with their official duties and/or otherwise authorized by law.

Any video recording used for surveillance purposes in school buildings, school busses or on school property shall be the sole property of the district. Video recordings and GPS records will be reviewed in the event of damage or loss of property, or when there are indications that a crime has been committed or that District policies have been violated. All video recordings and GPS records will be secured to avoid tampering and ensure confidentiality in accordance with applicable laws and regulations. Release of such videos and records will be made only as permissible pursuant to applicable law.

Appropriate signage will be posted at entrances to the school campus and on school busses notifying students, staff and the general public of the District's use of surveillance cameras and GPS systems. Students and staff will receive additional notification, as appropriate, regarding the use of surveillance cameras and GPS systems in the schools or on school busses or school grounds. Such notification may include, but is not limited to, publication in the District calendar, employee handbook and student handbook or in other District materials.

The implementation of the surveillance system shall not replace the need for ongoing vigilance of the District security personnel or school supervision. School administrators shall ensure that due diligence is observed in maintaining general campus security.

RE: POSSIBLE IMPACT OF THE GOVERNOR'S PROPOSED BUDGET  
REDUCTIONS FOR 2008-09

DISCUSSION NO. D.02

On Thursday, January 10, 2008, Governor Schwarzenegger announced the details of his 2008-2009 Budget. These proposals are dramatically different than those from a year ago. The proposal makes serious changes in school funding as part of a plan to bring the state's fiscal house in order. There will be much debate regarding these proposals before the legislature brings this to a vote. Most experts in the field of school finance believe that there will be many alternative plans proposed before we actually know what the district's State funding will be in 2008-09.

Nevertheless, California is in a serious fiscal crisis and school districts must be planning worst-case scenarios. Most serious of the proposals is the element of a Cost of Living Adjustment (COLA) in 2008-09 and the application of a deficit. This will leave schools behind the current year funding levels. This suspension of Proposition 98 will require a two-thirds vote by the legislature.

Staff will bring an item to the February 7, 2008, board meeting describing the district's proposed process for budget development.

On a positive note, the Governor's budget did not suggest the need for reductions for the 2007-08 fiscal year. Should the economy worsen and current year cuts be necessary, staff would develop a plan looking first at areas of the budget furthest from affecting students in classrooms. Areas to be considered might include: freezing of unfilled positions, freezing of all General Fund travel and conferences, delay of General Fund capital outlay expenditures, and a reduction of site and department supply allocations.

\*\*\*\*\*

*Ms. Maez reported that conversations regarding budget reduction options for the 2008-09 year would begin next week. Board Vice President Escarce requested a budget development process and planning calendar similar to last year's. Ms. Maez said that a calendar would be coming to the board soon.*

*Board Vice President Escarce also requested that discussion items regarding interdistrict permits and class sizes per high school course offering be agendized for the Feb 7<sup>th</sup> meeting.*

ADDENDUM

RE: ADDITIONAL REVENUES FOR THE MEASURE "BB" PROGRAM

DISCUSSION NO. D.03

It has been requested that staff present information regarding the identification of additional revenues for the Measure "BB" program.

COMMENT: At the October 18, 2007, meeting, the board directed staff to explore all possible avenues to expand the amount of available construction dollars for Measure "BB" projects. There are four major areas that staff will report to the board:

1. **Accelerated Measure "BB" Program** - The original "BB" budgets were based on an eight-year program and contained a reserved amount for cost escalation over that time. By shortening the program into six years, that escalation factor will be significantly less, allowing for more of the bond proceeds to go directly towards project construction. Staff has reviewed this program with the Financial Oversight Committee, who took action at the December meeting in support of the acceleration of the program.
2. **Redevelopment Agency Funds** - Staff has been working with the district's financial advisors at Piper Jaffray to explore the possibility of utilizing a future revenue stream of Redevelopment Agency Funds for current Measure "BB" projects. Staff will report on the capitalization of these funds.
3. **Additional Interest Earned** - Due to the accelerated receipt of bond proceeds, there will be additional interest earned in the program and available for projects.
4. **State Matching Funds** - Staff and district consultants at Parsons have begun reviewing state eligibility for matching funds. This review should be completed before the end of the fiscal year.

Staff will demonstrate how these items will impact the Measure "BB" budget and show how the amount of unallocated funds has increased from \$38 million to \$62 million.

NOTE: At the February 4, 2008, meeting, staff recommends the following action be taken by the Board of Education:

- Accept the FOC's recommendation to accelerate the Measure "BB" program.
- Direct staff to move forward with the capitalization of the Redevelopment Agency revenue, include the interest calculation in the Measure "BB" budget, and aggressively pursue matching funds.

Public Comment:

- Collen Baum, a member of the community, addressed the board regarding the process of allocating the remaining Measure "BB" funds.

*The slides Ms. Maez referred to during her presentation can be found under Attachments at the end of the minutes.*

*Board Vice President Escarce expressed concern as to possible constraints on acceleration: Could construction occur in six months? Does the current real estate market affect acceleration? Ms. Maez said that other groups have raised these issues, but that, no, they would not have a negative impact on acceleration.*

*Several board members expressed their commitment to the construction projects at the secondary schools.*

*The Superintendent suggested that staff, and not the Measure "BB" Advisory Committee, bring recommendations to the board at the next meeting regarding the middle school "BB" projects.*

*Board members agreed unanimously to bring this topic back for discussion at the February 21<sup>st</sup> meeting, after both staff and the Measure "BB" Advisory Committee have had time to write recommendations for middle school projects using the new unallocated funds.*

*The Superintendent expressed her belief that the stalemate and lack of consensus on Measure "BB" Advisory Committee is affecting the students.*
