IV. Assistant Superintendent, Business and Fiscal Report: Melody Canady (10 min)

7:06 pm

Ms. Canady and Mr. Cruz provided the committee with the projected gain/loss to explain the TRANs issuance and interest. The cost of early retirement incentive (SERP) Line 48 included the fees to Keenan and the cost of the annuity that was paid to the retirees.

Ms. Canady and Ms. Mulvaney reported the outcome of the final interviews for independent financial auditing service conducted in-person and telephonically on January 29, 2020. The firms interviewed were Cassollas Wilson Dominguez & Leavitt, EideBailly, Harshwal & Company, Moss Levy & Hartzheim, and Wilkinson Hudley King & Co LLP. All firms gave good interviews and after contacting several references, staff is recommending that the District moves forward and prepare contract documents with EideBailly. Primary in the decision was the fact that EideBailly is well versed with basic aid and have a large client base of similarly funded school districts to SMMUSD. EideBailly is formerly Vavrinek, Trine, Day & Co. LLP (VTD) who is well known in the auditing community. Furthermore, EideBailly will provide training to staff on topics such as ASB as needed at no extra cost.

Ms. Canady reported that SMMCTA ratified 2.25% ongoing and \$1,000 one-time payment off salary schedule. SEIU ratified 2.25% and 2 salary range changes. In addition, the health and welfare benefits cost were equalized for all employees regardless of hire date.

The multi-year projection/unrestricted general fund and 2019-20 Pooled Tax and Revenue Anticipation Notes, Series A-1 District Financing Summary may be found at the end of these minutes.

V. Discussion/Action Items

A. Memorial Park Agreement

7:55 pm

Mr. Upton provided the committee with an overview of the City of Santa Monica's invitation to contribute to the first phase of the development of Memorial Park. The District's participation would be approximately \$5M and would have first request/reservation for use of the fields. Staff is still working on termination and indemnification clause as it is a 2-part agreement (financial contribution and use of the park). The funds will be coming from Measure SMS.

A motion made by Ms. Mulvaney and seconded by Mr. Levis-Fitzgerald to recommend approval of the fiscal and use agreement by the Board of Education as presented with pending changes as discussed by Mr. Upton.

WHEREAS, the MPMP was approved by the City Council on October 15, 2019, after extensive community outreach to park users, residents, and stakeholders; and

- 1. **Purpose of Agreement.** The purpose of this Agreement is to provide the terms and conditions related to the funding and reimbursement of Phase 1 expenditures and for the use of the Park (Phase 1) once completed.
- 2. **Term.** This Agreement shall remain in force so long as the Park (Phase 1) remains under the City's ownership and control.
- 3. **Phase 1 Budget.** The Phase 1 Budget for Construction is estimated to be approximately \$25.6 million (hereinafter, "Phase 1 Budget").
 - 3.1 **District's Contribution.** District plans to contribute \$5.0 Million Dollars from Measure SMS tax-exempt bond funds toward Construction Costs (as defined below), contingent upon (i) District's written approval of 100% schematic design of the Phase 1 Project ("100% SD"), as described in Section 3.2, herein; and (ii) City's completion of the Phase 1 Project in accordance with the District approved 100% SD.
 - 3.2 **Process for Districts' Approval of 100% Schematic Design.** City shall cause its design-build contractor to provide the 100% SD, based upon the specifications set forth in Exhibit "D", herein. Upon completion of the 100% SD by the City's selected design-build contractor, City shall transmit the 100% SD to the District's designated representatives. District shall submit to City written confirmation that the 100% SD conforms to the Exhibit "D" specifications no later than fifteen (15) days from the City's transmittal of the 100% SD to District. In the event that District does not agree that the 100% SD conforms to the Exhibit "D" specifications within fifteen (15) days, the parties shall meet and confer in good faith no later than thirty (30) days from the City's transmittal of the 100% SD to District. If the parties cannot agree upon the 100% SD, either party has the right to terminate the Agreement in accordance with Section 11, herein. District agrees that City's selection of the design-build contractor shall be in City's sole and absolute discretion.
 - 3.3 **City's Contribution.** In addition to the acquisition costs for Parcel 2 in the amount of \$18,500,000, City has contributed or plans to contribute approximately \$4,550,000 toward Non-Construction Costs (as defined below) and approximately \$600,000 toward Construction Costs (as defined below), contingent upon: (i) City's and District's approval of 100% SD; (ii) the City's receipt of an enforceable financial commitment for no less than \$20,000,000 for Phase I construction costs from the Santa Monica Community College ("College"); and (iii) the guaranteed maximum price ("GMP") proposed by the City's

design-build contractor, based upon the approved 100% SD, resulting in a Phase 1 Budget of no more than \$25.6 million. If the Phase 1 Budget, based upon the approved 100% SD, is greater than \$25.6 million, then City may, in its sole and absolute discretion, either elect to proceed with construction of the Phase 1 project, based upon the adjusted GMP amount that will be the financial responsibility of City or terminate the Agreement in accordance with Section 11, herein.

- 3.4 Characterization of Costs. Non-Construction Costs include but are not limited to: Phase 1 planning, conceptual and preliminary design, final design and construction documents, and obtaining any required permits and entitlements for Phase 1. Construction costs include, but are not limited to, site preparation and demolition, grading/earthwork, general construction, and site furnishings. The exact amounts of non-construction and construction-costs will be itemized upon City's acceptance of the GMP amount.
- 3.5 Any modification to the City's and District's respective contributions requires written approval from the City and District.
- 4. **Phase 1 Schedule**. The Phase 1 Schedule is attached hereto and incorporated herein as Exhibit "C". The Phase 1 is scheduled to begin in the first quarter of 2020 and be completed in phases as set forth in the attached Exhibit "C".

- 6. **Reimbursement Structure.** The City and District shall each follow the following procedure for District's reimbursement to City for Eligible Costs:
 - 6.1 **Eligible Costs for Reimbursement.** Construction Costs incurred during the Phase 1 construction phase of the Phase 1 shall be subject to reimbursement by the District ("Eligible Costs").
 - 6.2 **Submission to District for Reimbursements**. City shall invoice District and District shall reimburse City for Eligible Costs incurred by City ("Reimbursements") in three installments as follows: (a) of \$1,250,000 upon completion of 25% of the construction; (b) of \$2,500,000 upon completion of 75% of the construction; and (c) of \$1,250,000 upon substantial completion of construction of Phase 1.
 - 6.3 **Reimbursement Documentation**. City's invoices shall be accompanied by written documentation, itemized with sufficient detail to support the invoiced amounts. The invoice shall be accompanied by all relevant pay applications and proof of payment. The invoices shall be paid no later than sixty (60) calendar days following the date the applicable invoice is received by the District.
 - 6.4 **Disapproved Reimbursements**. If the District disapproves Reimbursements, the District shall notify the City in writing within ten (10) calendar days of its determination to

disapprove Reimbursements and provide the grounds for such disapproval. If the City, in its sole discretion, determines that the reimbursements were wrongly disapproved by the District, the City and District shall meet and confer in good faith to resolve their dispute.

- 6.5 **Change Orders.** Phase 1 Scope Changes: Subject to Section 3.2, herein, City shall pay the cost of Change Orders if said Change Orders are due to an unforeseen condition at the Phase 1 site or if initiated by the City. District agrees not to initiate Change Orders or change in Phase 1 scope.
- 7. **Retention and Contingency Amounts**. The Parties acknowledge that pursuant to the construction agreement, ten percent (10%) of the construction contract amount will be held back by the City and issued as final payment to contractor within sixty (60) days of Phase I completion. A contingency amount may also be reserved.
- 8. **CEQA and Entitlements.** Notwithstanding any other provision herein, before Phase 1 construction commences, City shall obtain all necessary permits, approvals, and other entitlements from all applicable local and state agencies.
- 9. **Use of Park (Phase 1) by Parties.** The terms governing use of the Phase 1 facilities by the City and District are set forth below:
 - 9.1 The District shall have the right to use the Combo Fields indicated in Exhibit "A" during the District's school year and summer programs, including the dates established by the District for: District programmed youth baseball and softball (collectively "District Programs"). The Parties shall meet and confer prior to: July 1, for the District's upcoming Fall academic semester; January 1, for the District's upcoming Spring academic semester; and May 1, for the District's upcoming summer programs. During each respective meet and confer, City and District shall establish the schedule of reserved times for District Programs (collectively, "District Scheduled Events").
 - 9.2 Once the Parties agree upon the District Scheduled Events, City shall issue District a permit for the District Scheduled Events, which shall entitle District to first priority use of the areas designated in the permit for the District Programs on the days reserved for District Scheduled Events.
 - 9.3 If District desires to use the Park (Phase 1), it shall follow the permit process set forth in Sections 9.1 and 9.2, herein. District may, upon ten (10) days' written notice to City, displace a third party user from an activity previously permitted through the Community & Cultural Services Department if said activity is for a permitted District Scheduled Event and the third party user can be relocated in a reasonable time prior to the occurrence of the District Scheduled Event.

District shall abide by City's posted signs concerning the use of the Park Parking Lot. District's use of the Park Parking Lot shall be on a first come, first served basis.
- 9.6 District is not required to pay City for utilities in connection with its use of the Park (Phase1).
- 9.7 The City shall supply the minimum staff to support the District permits and to maintain safe facilities, at the City's sole discretion. The "minimum staff" may include, but shall not be limited to, custodians, and other personnel. District, at its sole cost and expense, shall provide and supplement staffing beyond that provided by the City. The City shall be required at its expense to install outfield fencing necessary for softball practices and games.
- 9.8 District is responsible for determining its appropriate staffing needs. District shall be permitted to supplement the minimum number of City staff with staff employed by District, where necessary. If District anticipates that there will be insufficient staffing at the Park (Phase 1) at any time during District's use of the Park (Phase 1), upon written request by District, City may, but is not obligated to, make staff available, at cost, to the District.
- 9.9 Neither District nor City shall not be required to make or construct any alterations including structural changes, additions or improvements to the Park (Phase 1) after the completion of the Phase 1. By District's entry and use of the Park (Phase 1) pursuant to this Agreement, District accepts the Premises in "AS IS" condition. City shall maintain the Park in accordance with the same standards as its other park facilities citywide. City will make reasonable efforts to ensure that any major repairs and maintenance requiring closure of portions of the Park shall be scheduled to not conflict with District's scheduled use.
 - 9.10 The District shall repair, at its sole expense, any and all parts of the Park (Phase 1) that have been damaged by its use.
 - 9.11 The Park (Phase 1) and associated areas ("Premises") may be monitored by a safety system or protocol implemented, maintained and operated by the City ("Safety Measures"). However, the Parties specifically acknowledge, understand, and agree that the Parties are neither responsible for nor have the obligation to supply, provide, establish, maintain, or operate Safety Measures for the Premises. The Parties further expressly acknowledge and agree that the Parties shall not be liable for and are hereby released from any and all responsibility for any damage, loss, or injury to the other Party or its personal property resulting or arising out of any criminal activity (including, but not limited to, any damage, loss, or injury resulting from intrusions, petty theft, vandalism, or other similar acts) that may occur on or near the Premises, regardless of whether a Party was able to, actually did, or failed to provide notice to the other Party of a safety incident

or situation occurring on the Premises which led to the damage, loss, or injury. The Parties make no warranties or representations as to the safety or security of the Premises, or Safety Measures. The Parties shall be responsible, at their sole cost, for supplying, providing, establishing, maintaining, and operating their own safety measures, protocols, personnel, or systems to encourage and ensure the security of the Party, its agents, officers, employees, licensees and invitees, and the Premises ("Party's Safety Measures").

- 9.12 The District shall submit written accident/incident reports to the City as soon as practicable but not more than twenty-four (24) hours after the occurrence of or District's receipt of information to the District's Facility Use Department and Risk Management office regarding any accident or incident that occurs at the Park (Phase 1) including related claims, arrest or criminal charges associated with District's use of the Park (Phase 1) or District's staff working at the Park (Phase 1). Submission of written accident/incident reports shall be made pursuant to the section entitled "Notices."
- 10. **Accounting Requirements and Record Retention.** City shall be responsible for maintaining an accounting system of all Phase 1-related costs, expenditures, and transactions. Either party shall have the right to terminate the Agreement for convenience upon ten (10) days' written notice to the other party under the conditions stated in Sections 3.2 and 3.3, herein, in which event neither party has any obligation to the other after the termination for convenience becomes effective.

If the failure is not corrected within one (1) month from the date of such notice, the District's Board of Education may, after conducting a public hearing on the issue of termination, terminate this Agreement and/or seek specific performance of City's obligations under this Agreement.

- 12. **Indemnification.** To the fullest extent permitted by California law, each Party shall hold harmless, and indemnify the other Party and its board members, representatives, officers, consultants, employees, trustees, volunteers, and invitees against any and all loss, liability, damage, or expense, including any direct, indirect or consequential loss, liability, damage, or expense, for injury or death to persons, including employees of either Party, and damage to property, including property of either Party, arising out of or in connection with intentional, willful, wanton, reckless or negligent conduct resulting from the use, conduct or any activities of a Party related to this Agreement.
