IV ELAC Mandated Topic(s) :

The principal, Mr. Fuhrer, and the assistant principal, Ms. Ipiña, provided an update of different topics:

They talked about:

- Grant's demographics
- Steps to being identified as an EL, EL levels, ELPAC score reports, types of instruction for ELs
- Support from Ms. Toapanta, our Literacy and Language Interventionist, to the students and her role at Grant
- Integrated and designated ELD
- Training parents about the purpose of the ELAC, the roles of the members and their responsibilities
- Nominations/elections for ELAC officers and DELAC representative

-Parent: The integrated instruction is for the whole class? Yes, for all the students

It is designed to support the students that are learning English, but sometimes students that speak only English also need support for academic language, with some of the new vocabulary.

-Parent: How can I help my daughter with math vocabulary/language? It is so different from my country.

Yes, we understand. The idea is for the kids to understand math, not to memorize it. It's a better approach.

Please talk to the teacher and explain that she struggles with language and vocabulary and request more support in that area.

-Parent: my kid is in TK. I received an email about the testing. When are we getting the results? The assessment is the same for all the Els?

No, it is based on your kid age and you will get the results directly from the State. That was the initial ELPAC
