Meeting Called to Order:

Meeting was called to order at 3:16pm via Zoom meeting.

Welcome

Approve Agenda: approved as presented.

Approval of Minutes: Dec 10, 2024 minutes approved as presented

Title 1 Update: Dr. Wiener announced that updated income data resulted in the school moving from Title 1 Targeted Assistance School to a Title 1 Schoolwide Program, resulting in \$12,700 additional funds for the 2024-25 school year. Dr. Wiener is working with staff to identify and prioritize needs that can be addressed with these additional funds. An updated SPSA will be presented to the SSC at its next meeting.

SPSA Monitoring Tool: Dr. Wiener updated members on the monitoring tool. The tool has been updated with a simplified rating system, a single evaluation question, and background information collected by Dr. Wiener. The goal of these updates is to give members the ability to efficiently discuss and evaluate SPSA activities over the course of the remaining SSC meetings.

Star Data: Dr. Wiener presented STAR data benchmarks and fall/winter math and reading results. Members discussed data outliers and details.

LCAP Goal 1:ELA/ELD: Dr. Wiener reviewed ELA/ELD program elements, including phonics, reading mini-lessons, guided reading, independent reading, interactive read-aloud, and ELD focus on English learners. Members discussed the efficacy of program elements such as UFLI, KPALS, and designated ELD classroom pilots in 1st and K classes.

SPSA Working Groups: Members moved to breakout groups to discuss and evaluate LCAP 1 activities and goals in the SPSA monitoring tool. Breakout groups focused on activities that have direct implications for site budget decisions.

Public Comment: No members of the public were present.

Agenda Setting: Members discussed future meeting on Feb 25 (updated 2024-25 SPSA).
