 - ii. **(Quorum established at the beginning of this sub-item.)** Portable Building Issues - Carey provided an update on the (6) portables along the fence that are over 30 years old that obtained damage due to the rains. Carey noted that the District is looking to replace and or refurbish the portables as soon as possible. The goal is to replace (4) over the summer that can be done via an over the counter review with DSA. (2) are planned to be refurbished with the addition of (1) for a library. It is the goal to have this work completed by the end of the year. Ralph asked about adding some sort of shelter or canopy above the portables to protect them from the elements. Judith asked how this work was being funded, Steve noted it would be from Measure SMS and would reduce funding for future projects.
- e. Franklin New Makerspace and Field Replacement – Deferred – Carey noted no update.
