STATEMENT OF COMPLIANCE MEASURE BB FUNDS

This Annual Report is submitted to the Board of Education by the Santa Monica-Malibu Unified School District Citizens' Bond Oversight Committee.

The Committee advises that, to the best of its knowledge, the Santa Monica-Malibu Unified School District is in compliance with the requirements in Article XIIIA, Section 1(b)(3) of the California Constitution. In particular, bond revenue has been expended only for the purposes so described in Measure BB and no funds were used for any teacher or administrative salaries or other operating expenses as prohibited by Article XIIIA, Section 1(b)(3)(a) of the California Constitution.

Respectfully Submitted:

Charlie Yen, Chair Citizens' Bond Oversight Committee

Measure BB: Safety and Security Projects

Summary of Completed Elementary Projects 2008-2013,

data June 30, 2014

Design and Planning

Schematic Designs and planning efforts included campus wide studies for improved siting studies, replacement of portable classrooms and many proposals for campus site improvements for parking, play yards, and recapturing open space. Designs included two story structures for classrooms

Construction and Management

Measure BB Safety and Security projects included modernization of security controls at schools main entrances, gates, drop offs, and fencing; these exterior projects required upgrades to ADA parking, curbs, walks and landscapes/lighting; Interior improvements to support the safety and security efforts included reconfigurations of main offices, principals offices, and administration areas, new or upgrades to fire alarms systems, furnaces, HVAC, and new trenchless gas supply line replacements. Following school sites included:

Franklin Grant McKinley Roosevelt Smash/Muir Will Rogers Juan Cabrillo Point Dume Webster

Franklin Elementary

Allocation/Budget:

Design & Planning

\$207,903.00

Schematic Design & Planning-Completed August 2008

A new two-story building with six classrooms proposed at the west side of the campus, adjacent to the existing Library. The studies included an expansion of the Library; Site work to include ADA pathways and general improvements.

Technology- Completed December 2011

\$10.8m in Technology upgrades throughout the District to improve Local Area Network, fiber optic pathways, and communication;

- LCD Projectors, Speakers, & Smartboards
- Mixer/amplifier, Document Camera, & DVD
- High speed Internet-WiFi, Wireless network, Printers, and Computers
- VOIP Telephones and PA

Grant Elementary

Allocation/Budget:

Design & Planning:	\$210,630.00
Construction & Management:	\$321,090.00
Program cost:	\$ 20,002.00

Schematic Design & Planning-Completed September 2009

New classrooms-portable replacement, Site work improvements New entrance court and fencing

<u>New Entry</u> and Courtyard – Completed September 2010

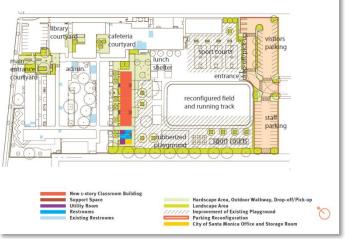

New Entry courtyard and Landscaping for waiting and security New ADA ramps, seating, and welcoming landscaping New entry sequence with walks, seating, and landscaping Parking lot improvements

Technology- Completed December 2011

\$10.8m in Technology upgrades throughout the District to improve Local Area Network, fiber optic pathways, and communication; Classroom upgrades include:
