Shilo Gorospe from Eide Bailly reviewed the ES, BB & SMS Bond Financial Audit as well as the performance audits for each of the measures. Ms.

Gorospe noted that they did not have any compliance findings to note with any of the performance audits and are considered clean reports without any issues. For each of the measures, no significant deficiencies or material weaknesses with regard to internal controls were noted. Mr. Cruz asked if Ms. Gorospe would review the term “fair market value” which is noted several times in the reports. Ms. Gorospe reviewed.

Mr. Sultan moved to accept the bond audits. Ms. Reuter seconded.

Unanimously approved.

4. Public Comments

- a. Public Comments is the time when members of the audience may address the Committee on items not scheduled on the meeting's agenda. All speakers are limited to three (3) minutes. When there are a large number of speakers, the Chair may reduce the allotted time to two (2) minutes per speaker. The Brown Act (Government Code) states that Committee members may not engage in discussion of issues raised during “Public Comments” except to ask clarifying questions, make a brief announcement; make a brief report on his or her own activities, or to refer the matter to staff.
