### **District Vision**

As a community of learners, the Santa Monica-Malibu Unified School District works together in a nurturing environment to help students be visionary, versatile thinkers; resourceful, life-long learners; effective, multilingual communicators and global citizens. We are a rich, culturally diverse community that values the contributions of all its members and strives to promote social justice. We exist to assist all students in their pursuit of academic achievement, strength of character, and personal growth, and to support them in their exploration of the intellectual, artistic, technological, physical and social expression.

### **Edison Language Academy Programs and Goals**

Edison Language Academy is a unique learning community — it's SMMUSD's only dual immersion elementary school. Edison serves approximately 470 students in Preschool through 5th Grade, all of whom study in Spanish and English. Edison is the first of three schools in the SMMUSD's Pre-K-12 Language Academy. One of a small number of such established Pre-K-12 dual immersion programs in the nation, the Language Academy begins at Edison with approximately equal numbers of Spanish- and English-speaking students enrolled in Preschool through Grade 5. Students can continue their immersion studies into middle school (where the Language Academy is a strand at John Adams Middle School) and into high school at Santa Monica High School. Edison is a school of choice for all families, which also gives our learning community a unique character. Students come from the eastern edge of the Pico Neighborhood and throughout SMMUSD, with children in neighboring districts admitted on a space-available basis. An established program, Edison is celebrating its 33rd anniversary as a dual immersion school.

Edison's mission is to offer an academically rigorous program that promotes high achievement in all subjects, develops language proficiency in English and Spanish, and imbues children with an awareness of and respect for diverse cultures and communities. At Edison, this learning occurs in a multicultural environment. Nearly three-fourths of the students are Latino/a (with roots in the United States, Mexico, Central America, and various Latin American countries). About a third are English language learners with another 20% being bilingual at entrance. Over 40% of Edison students come from families with low SES. Our dedication to being an academically rigorous dual language program with high expectations for all is reflected in the growth of Edison's Academic Performance Index (API) by more than 175 points over the last decade, with growth for all groups of students. Our 2013 API — the last year for which an API is available — was 884. Scores have remained high under California's new accountability system with scores in English Language Arts and Math being among the strongest in the district, overall and for all groups of students. In 2016, Edison was named a National Blue Ribbon School -- a distinction awarded to 279 public schools and 50 private institutions, nationwide. Edison was also recognized as a California Distinguished school in 2018 and 2020. In addition, Edison received four Title I Academic Achievement Awards for exceeding achievement goals for all significant subgroups of students and has been awarded Honor Roll status from California Business for Educational Excellence from 2010-2020 as a high-achieving school that has narrowed achievement gaps.

Each year we strive to improve achievement for all groups of students and to narrow achievement gaps. We work to strengthen first teaching in English Language Development and English Language Arts and provide English Learner students with appropriate academic support services within the framework of the dual immersion program. We work toward the goal of having all Edison students — including English learners — be proficient or advanced in English language arts and math by the end of fifth grade. And as an immersion school, we also want our fifth graders to demonstrate proficient or advanced status in Spanish language arts. Our School Leadership Team is focusing on strengthening writing instruction for all students and working in Professional Learning Communities to collect and assess student work and use the information to develop targeted and more effective and vertically-articulated instructional practices. Other school goals detailed in our site plan include sustaining meaningful parental involvement and creating a safe and engaging school environment that emphasizes effort, builds self-esteem, and celebrates multiculturalism.

### About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

Edison uses district adopted texts and instructional materials in the following core subjects: English reading and language arts, Spanish reading and language arts, mathematics and social studies. The district has not yet adopted an updated science curriculum. There are sufficient books available so that each child can have their own assigned copy.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	72	N/A	74	N/A	50	N/A
Math	59	N/A	61	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-21)**

As a community dedicated to the informed involvement of all parents, Edison has developed a written parental involvement policy with input from parents. Input is gathered each year from parent groups, town hall meetings, and via an annual parent survey. The Edison Site Council is charged with reviewing input and revising policies as needed. As a school with a schoolwide Title I program, all our parents are Title I parents and we dedicate some of our Title I resources each year to helping parents be informed, equipped to support students, and able to participate as partners with the school. Because we are a school rich in diversity, Edison has developed a set of Guiding Principles to help all who work with parents, special events, or fundraising construct programs and events that are accessible and respectful to all parents. These Guiding Principles are shared with all PTA and ELAC Board Members and all Site Council Members and may also be found on our school web page.

Edison has developed a Family-School Communication Plan that is also detailed in the parent handbook. Parent concerns or questions and fostering strong family-school communication are very important to our school. We want to hear from parents and be helpful in directing parents to information may need or help resolve a problem. The plan details how to reach staff, how to schedule a meeting, times when teachers and administrative staff are available for meetings or consultations, and who to contact with various types of concerns. Each teacher shares the best ways for parents to contact him/her in welcoming letters and during Back to School Night. Teachers all have voicemail and e-mail and reserve time to answer parent questions and talk with families about concerns. The principal has also blocked out time each week in her schedule to address individual parent questions about schoolwide issues or concerns that remain after an initial discussion has been held with the classroom teacher. We try to schedule appointments during these hours both to provide ample opportunities for communication with parents and to reserve significant time for the principal to be in classrooms to observe instruction and assist students and staff members.

The Edison parent handbook also details different Opportunities to Stay Informed, including: Back to School Nights and Open Houses, Chats with the Principal, Fall Conferences (and follow up conferences for students with Academic Improvement Plans), observations in classrooms, progress reports and report cards, regularly scheduled meetings of Edison parent groups, town hall meetings. the Edison and PTA Edison Amigos web sites, the PTA Membership Toolkit (Room Reps use this program to email information to parents), Blackboard Connect (periodic dialers to phones, texts, and emails), the weekly El Semanario school news letter, the Weekly PTA e-Blast, and monthly meetings of Edison parent Groups: PTA and ELAC and the Edison Site Council. When there are academic concerns about a student and a broader approach is needed, a parent, teacher or school specialist can convene the Edison Success Team. All parent communications are sent in Spanish and English and all parent meetings have translation available.

The school sponsor a Family Singing Circle (facilitated in Spanish) and facilitated Dialogue groups to help build community. There is a robust school volunteer program with approximately 250 trained and screened parent volunteers eligible to assist in classrooms, the library, special events, or field trips. Various parent education offerings are provided during the year, from the 7-week School Smarts Academy, to Reflective Parenting Groups in Spanish, workshops on how to support emerging and intermediate readers at home, and a workshop series on developing computer skills and support in accessing Edison's on-line learning programs at home.

Finally, as a Title I school, Edison also has a School-Parent-Student Compact detailing the responsibilities of each party.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

Edison's Emergency Safety Plan is updated each year at the end of January. The final plan each year is submitted to the district's Student Services director and to the Board of Education for approval. Each year the safety plan is reviewed by the Edison Safety Committee and the Edison Site Council, and plans and procedures are reviewed with all staff. Input is also solicited from parent groups and Edison's SMPD School Resource Officers on strengths and weaknesses of the safety plan and safe schools work and training needs are discussed. A public hearing is held prior to the adoption of the plan with representatives from the Mayor's office, local businesses and community partners invited. Clipboards with emergency procedures and evacuation areas/routes are placed in each classroom and updated at the beginning of each school year. Emergency supplies in classrooms, offices, and the school's bin or earthquake supplies are reviewed and restocked as necessary each year. The safety plan includes evacuation routes and procedures, search and rescue teams, assembly areas, and a parent-student reunion station. Staff and students practice procedures and routines for fire and earthquake evacuation and lockdown/shelter in place on a regular basis.

Edison students learn on a campus that is safe and secure. Students are supervised in the morning beginning at 7:45 a.m. until classes begin at 8:15 a.m. (TK-2) and 8:30 a.m. (grades 3-5). Preschoolers are supervised by their parents until they are checked into their classroom at 8:45 am. All gates are locked by 8:35 a.m. and we maintain a locked campus during the day while school is in session and into the evening while child care is in session. All visitors must enter through the main office during the school day, where the purpose of their visit to campus is ascertained. Visitors are screened using the Raptor System which checks their picture ID against child abuse data bases. If authorized to be on campus, visitors and volunteers sign in, receive a visitor's badge authoring their presence for a specific date, time and location. After student dismissal, all gates are locked again at 3:15 p.m. For the protection of students in the after-school care, recreation, academic, and enrichment programs, the campus is only accessible via the front office so visitors can be screened. When the office closes at 4 p.m., a gate adjacent to the office equipped with a combination lock is accessible to parents who have children in child care or other afterschool programs on campus who are given only to parents of children in these programs.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.4	0.0	2.4	2.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions		1.5	2.5
Expulsions	0.0	0	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

#### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	5	5

All teachers and staff in SMMUSD participate in ongoing professional development through banked time, a total of 90 minutes of meeting and professional development time each week at each site. Areas of districtwide focus for teacher and administrator professional development include implementation of curriculum guides and other areas that are determined by a review of summative and formative data from all school sites and the collection of input from teachers and administrators. Among the primary focus areas for professional development in SMMUSD are the following:

- Developing Professional Learning Communities
- California Standards for ELA and Math and Next Generation Science Standards—standards-based curriculum and instructional delivery
- Math coaching—expanding our understanding of the standards for mathematical practice
- Using data to improve classroom instruction
- Supporting students with special needs
- Differentiated instruction for all students, including English Learners

A variety of methodologies are used to provide professional development, including coaching and mentoring. SMMUSD provides coaching through several programs such as BTSA, National Boards, Academic coaching, grade level Professional Learning Communities, School Leadership Teams, and such specialized programs as Cotsen Fellows and Math Teacher Leaders. Additionally, professional development occurs through workshop series during banked time and/or after-school opportunities.

Each August, all teachers new to Santa Monica-Malibu are invited to participate in Teacher Academy, a professional development and orientation to districtwide curriculum and instructional initiatives. All eligible new teachers are encouraged to participate in BTSA. Teachers interested in applying for National Board Certification may participate in the process and can elect to be supported by teachers who have already achieved National Board Certification.

Of the 36 annual banked time days, approximately 25 are used specifically for professional development at Edison. This has been supplemented in 2018-2019 and 2019-2020 with monthly release time for professional development provided in grade level Professional Learning Communities.

**Types of Services Funded**

A combination of state and federal funding is used to cover all aspects of our instructional program.

Edison's Title I funds are used to (at least partially):

- support Spanish reading intervention programs for students
- build a collection of materials for Social Emotional Learning and pay for reading differentiation software, and support students to engage in online research/use of adaptive technology
- provide professional development for teachers in improving Tier I Reading and Language Arts instruction in Spanish and English and providing high quality ELD for English Learners via additional intervention
- provide agendas/planners to upper grade students in order to facilitate classroom teachers help students set goals, organize materials, and communicate with families
- allow 5th grade students use of Brainology program to enforce ideas behind an effort based learning model
- provide Edible Garden supplies and curriculum development

SMMUSD uses Title II funds to support a Math and Secondary Support Coordinator to:

- work with teachers/administrators to support student learning around math content and practices for all students
- facilitate and review the guaranteed and viable curriculum that includes use of common formative assessments to gauge student achievement
- support ongoing intervention/enrichment opportunities to address student growth and needs

Title III funds are utilized to expand educational opportunities that increase language and academic proficiency of our English learners, and to expand parent engagement opportunities.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
