# Will Rogers Learning Community 2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year) 

## General Information about the School Accountability Report Card (SARC)

SARC Overview

## DataQuest

## California School Dashboard

## Internet Access

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### Abstract

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Overview

## District Mission

Extraordinary achievement for all students while simultaneously closing the achievement gap.

## District Vision

As a community of learners, the Santa Monica-Malibu Unified School District works together in a nurturing environment to help students be visionary, versatile thinkers; resourceful, life-long learners; effective, multilingual communicators and global citizens. We are a rich, culturally diverse community that values the contributions of all its members and strives to promote social justice. We exist to assist all students in their pursuit of academic achievement, strength of character, and personal growth, and to support them in their exploration of the intellectual, artistic, technological, physical and social expression.

Vision: To inspire, educate, and value all learners.
Mission Statement: We engage in inquiry-based learning that is trans-disciplinary, concept-driven and culturally responsive.

## Guiding Beliefs \& Principles:

## As a community, we:

- know that all children can think, inquire and gain knowledge;
- believe that the balance between social development and academic development is essential;
- create a caring, open-minded environment in which students, parents, and staff members feel valued;
- design rigorous learning experiences that meet students' diverse needs and help them reflect and grow;
- provide learning opportunities for students, parents, and teachers that encourage them to be risk-takers, lifelong learners and principled agents of change;
- collaborate and communicate with the community to support student success.

As an International Baccalaureate Candidate school, we execute our mission through an interdisciplinary approach to teaching/learning that engages students by integrating science, technology, engineering, and mathematics across all content areas. The overarching purpose of all of our work is to provide students opportunities to develop as thinkers, communicators, and problem solvers. To support our mission, teachers differentiate instruction and employ research-based strategies that

## 2022-23 School Overview

enable all students to access rigorous curriculum. As a learning organization, we regularly engage in research-based professional development that bolsters our efforts to facilitate students' enduring learning. STEM promotes continuous improvement while providing rich opportunities for applied learning; developing the social and emotional skills of all students; and partnering with parents and guardians and community members toward improved student learning outcomes.

To support our efforts in Science, Technology, Engineering and Mathematics (STEM), we have a dedicated STEM coordinator who supports teachers in designing and delivering active, hands-on experiences across these four content areas. Teachers integrate technology into curriculum, instruction, and assessment using tools, such as whiteboards, digital document cameras, desktop and laptop computers, and iPads. We use Cognitively Guided Instruction (CGI) in mathematics. CGI is built on the belief children's mathematical understanding that best occurs when they participate in activities that link new knowledge to existing knowledge. The greatest value in our STEM work comes through the exposure to real-world applications in STEM. More specifically, our engineering projects bridge content across the disciplines extending to writing and art as well. As students work as engineers, they learn about the design cycle of define; develop; and optimize, a process to make something functional. The engineering cycle is based on the belief that we learn through failures and partial successes. These learning opportunities are designed to help students develop the problem-solving skills, perseverance, and resilience that will prepare them for successful lives the future.

In addition to our STEM focus, we incorporate literacy across the curriculum. In partnership with Teachers College, Columbia University (Teachers College Reading and Writing Project) teachers use research-based strategies to teach reading, writing, and vocabulary. Students read a variety of genres and express themselves in writing in every subject area. Teachers regularly examine student work to analyze and support learning. Our literacy coach meets with the staff to provide high-level professional development, model lessons in classrooms, and work directly with students. As students read and write across disciplines, they develop content knowledge, thinking skills, and written and verbal expression. Teachers assess students' progress in reading regularly and adjust instruction to meet student needs.

Our staff members focus their work on our TK/K-5 students' learning, well-being, social development, and safety. We have 25 general education teachers, three special-education teachers, a literacy coach, a language and literacy intervention specialist, a school psychologist, a speech pathologist, and an occupational therapist. These educators collaborate to provide a rich, quality education to children and within a warm, supportive environment. Our talented classified staff supports students and parents in in a number of settings and through systems that help them navigate the school environment. School visitors witness students who are actively engaged in their learning and are accountable for their work. We have high expectations for every child at WRLC, and children work hard here, but they also have fun.

We are a Title I school and receive additional funding that enables us to provide additional support services for children who need assistance in reaching grade-level standards. We have instructional assistants who support all grade levels in providing individualized and small group instruction in reading. Our teachers are highly qualified and committed to the collaboration they do with their colleagues at grade level and other school-wide meetings. They participate in ongoing professional development tied to research-based instructional practices. During our professional-development meetings, teachers have a unique opportunity to collaborate and engage in learning activities that increase their understanding and ability to teach at the highest levels.

Will Rogers is highly committed to a balanced visual and performing arts program for all students. All TK/ K-5 students participate in both music and visual arts programs throughout the year. Our third- through fifth-grade students also participate in poetry, drama, and dance. Come partner with our school, see our children in action, and watch children learn and grow. This is a caring and special school. Will Rogers is a learning community proud of its children, its diversity, and its hopes for the future.

## About this School

## 2021-22 Student Enrollment by Grade Level

| Grade Level | Number of Students |
| :--- | :---: |
| Kindergarten | 76 |
| Grade 1 | 64 |
| Grade 2 | 59 |
| Grade 3 | 58 |
| Grade 4 | 67 |
| Grade 5 | 74 |
| Total Enrollment | 398 |

## 2021-22 Student Enrollment by Student Group

|  |  | Student Group |
| :--- | :---: | :---: |
| Female | Percent of Total Enrollment |  |
| Male | 47.7 |  |
| American Indian or Alaska Native | 52.3 |  |
| Asian | 0.3 |  |
| Black or African American | 5.3 |  |
| Filipino | 5.8 |  |
| Hispanic or Latino | 1.0 |  |
| Native Hawaiian or Pacific Islander | 47.2 |  |
| Two or More Races | 0.3 |  |
| White | 5.5 |  |
| English Learners | 34.7 |  |
| Foster Youth | 11.1 |  |
| Homeless | 0.5 |  |
| Migrant | 1.5 |  |
| Socioeconomically Disadvantaged | 0.0 |  |
| Students with Disabilities | 31.7 |  |

## A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School Percent | District Number | District Percent | State Number | State Percent |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) | 21.80 | 87.91 | 435.10 | 86.49 | 228366.10 | 83.12 |
| Intern Credential Holders Properly Assigned | 0.00 | 0.00 | 1.60 | 0.33 | 4205.90 | 1.53 |
| Teachers Without Credentials and Misassignments ("ineffective" under ESSA) | 1.00 | 4.03 | 33.60 | 6.70 | 11216.70 | 4.08 |
| Credentialed Teachers Assigned Out-ofField ("out-of-field" under ESSA) | 0.00 | 0.00 | 8.80 | 1.76 | 12115.80 | 4.41 |
| Unknown | 2.00 | 8.06 | 23.70 | 4.72 | 18854.30 | 6.86 |
| Total Teaching Positions | 24.80 | 100.00 | 503.10 | 100.00 | 274759.10 | 100.00 |

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

| Authorization/Assignment | School Number | School <br> Percent | District Number | District <br> Percent | State Number | State Percent |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned) | 21.00 | 91.30 | 413.90 | 85.71 | 234405.20 | 84.00 |
| Intern Credential Holders Properly Assigned | 0.00 | 0.00 | 1.60 | 0.34 | 4853.00 | 1.74 |
| Teachers Without Credentials and Misassignments ("ineffective" under ESSA) | 0.00 | 0.00 | 16.10 | 3.35 | 12001.50 | 4.30 |
| Credentialed Teachers Assigned Out-ofField ("out-of-field" under ESSA) | 0.00 | 0.00 | 13.90 | 2.89 | 11953.10 | 4.28 |
| Unknown | 2.00 | 8.70 | 37.10 | 7.70 | 15831.90 | 5.67 |
| Total Teaching Positions | 23.00 | 100.00 | 482.90 | 100.00 | 279044.80 | 100.00 |
| Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students. |  |  |  |  |  |  |

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

| Authorization/Assignment | $\mathbf{2 0 2 0 - 2 1}$ | $\mathbf{2 0 2 1 - 2 2}$ |
| :--- | :---: | :---: |
| Permits and Waivers | 0.00 | 0.00 |
| Misassignments | 1.00 | 0.00 |

| Note: For more information refer to the Updated Teacher Equity Definitions web page at <br> https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp. | 0.00 | 0.00 |

## 2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All students at Rogers have access to state-approved and district-adopted textbooks and instructional materials in all core academic areas. The district follows the state guidelines and cycles for textbook adoptions with new science materials (Amplify) and social studies ( Realize Digital) purchased and implemented in the 2022-23. The district has adopted the English language arts curriculum Benchmark Advance. All students, including English learners, have their own copy of textbooks, and skills workbooks except in the case where "Big Books" are used for the entire classroom at the early primary level. Textbooks and instructional materials are recommended for school board approval through a comprehensive process by a districtwide committee of teachers and administrators. Members of the public are invited to review recommended materials and make comments prior to board approval.

## School Facility Conditions and Planned Improvements

Will Rogers provides a safe, clean environment for its students and staff. Students have adequate space to learn and play throughout their school day. Restrooms, floors, walls, roofs, and plumbing and electrical, lighting, heating, and alarm systems are monitored and maintained regularly. The district added and additional hand-wash station in October 2014 to accommodate hand-washing before meals. All classrooms and workspaces are equipped with telephones and wireless access. Each room has a SMART Board, document camera, and a minimum of four Apple desktop computers. The school also has a computer lab with workstations available for all students.

Our custodial team works from 6:30 a.m. until 10 p.m. to ensure that the school facilities are clean and well maintained. The principal, assistant principal, and other staff members routinely inspect school grounds. Potential problems or hazards are reported to the district's Maintenance and Operations Department for repair. Classrooms are well lit, carpeted and stocked with an assortment of learning resources, including classroom computers and other technological teaching aids. The school library collection includes a variety of fiction, nonfiction, and reference materials.

Outdoors, our students have age-appropriate play equipment, including handball, basketball, four-square courts, swings, slides, climbing apparatus, and a large, grassy playfield, and track as part of our playground area.

2018 saw the completion of the new window paint and floor projects at Rogers. We also installed new black top throughout the playground area that was much needed. The crumbling parking lot was resurfaced and parts of the roof that were leaking was repaired. With the infusion of operational dollars we will continue to address deferred maintenance issues.

In 2020, all classrooms were fully equiped with brand new, 21st Century furniture, including a Reggio-Inspired TK Classroom. Additionally, in 2021, a complete HVAC upgrade occured.

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

## 4. College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

## Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | $\begin{aligned} & \text { School } \\ & \text { 2020-21 } \end{aligned}$ | $\begin{aligned} & \text { School } \\ & \text { 2021-22 } \end{aligned}$ | $\begin{aligned} & \text { District } \\ & \text { 2020-21 } \end{aligned}$ | $\begin{aligned} & \text { District } \\ & \text { 2021-22 } \end{aligned}$ | $\begin{gathered} \text { State } \\ 2020-21 \end{gathered}$ | $\begin{gathered} \text { State } \\ \text { 2021-22 } \end{gathered}$ |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| English Language Arts/Literacy (grades 3-8 and 11) | N/A | 60 | N/A | 75 | N/A | 47 |
| Mathematics (grades 3-8 and 11) | N/A | 48 | N/A | 58 | N/A | 33 |

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

| CAASPP <br> Student Groups | CAASPP <br> Total <br> Enrollment | CAASPP <br> Number <br> Tested | CAASPP <br> Percent <br> Tested | CAASPP <br> Percent <br> Not Tested | CAASPP <br> Percent <br> Met or <br> Exceeded |

## 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.
For any 2020-21 data cells with N/T values indicate that this school did not test students using the CAASPP for Science.

| Subject | School 2020-21 | $\begin{aligned} & \text { School } \\ & \text { 2021-22 } \end{aligned}$ | $\begin{aligned} & \text { District } \\ & \text { 2020-21 } \end{aligned}$ | $\begin{aligned} & \text { District } \\ & \text { 2021-22 } \end{aligned}$ | $\begin{gathered} \text { State } \\ 2020-21 \end{gathered}$ | $\begin{gathered} \text { State } \\ \text { 2021-22 } \end{gathered}$ |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Science <br> (grades 5, 8 and high school) | NT | 43.24 | 54.7 | 55.03 | 28.5 | 29.47 |

## 2021-22 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| Student Group | $\begin{array}{c}\text { Total } \\ \text { Enrollment }\end{array}$ | $\begin{array}{c}\text { Number } \\ \text { Tested }\end{array}$ | $\begin{array}{c}\text { Percent } \\ \text { Tested }\end{array}$ | $\begin{array}{c}\text { Percent } \\ \text { Not Tested }\end{array}$ |
| :--- | :--- | :--- | :--- | :--- | :---: |
| Mexceeded |  |  |  |  |$\}$

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| Grade Level | Component 1: <br> Aerobic Capacity | Component 2: <br> Abdominal <br> Strength and <br> Endurance | Component 3: <br> Trunk Extensor <br> and Strength and <br> Flexibility | Component 4: <br> Upper Body <br> Strength and <br> Endurance | Component 5: <br> Flexibility |

| Grade 5 | $94 \%$ | $94 \%$ | $94 \%$ | $94 \%$ | $94 \%$ |

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2022-23 Opportunities for Parental Involvement

We welcome and encourage parent involvement in many different ways. In the previous year, WRLC parents logged more than 10,000 volunteer hours. Parents are active members of our PTA, English Learner Advisory Committee (ELAC), and School Site Governance Council (SSGC). We offer various trainings and workshops on a regular basis. Parents are well informed as to how they can be involved in our school at a variety of levels, especially working in SSGC and PTA to participate in decision making. The PTA continuously lends support and financial assistance to a variety of school programs such as music, art, classroom supplies, technology, and field trips. Parents are also encouraged to volunteer in the classroom or for our Jog-athon, Back-to-School Night, STEM Expo, Family Movie Night, music concerts, annual talent show, book fair, Cinco de Mayo celebration, parent-education opportunities, Regenerative Farm volunteer days, and numerous other school-wide events.

We collaborate with the PTA conduct monthly parent education seminars on topics of interest to our community. At these events, we provide child-care services, food, and translation services. Research shows that students with involved parents, no matter what the parents' education or background, are more likely to have better attendance records, earn higher grades and test scores, and have better social skills than those whose parents are not involved. Working together as a learning community, we can reach the high expectations we have set for each and every child.

For more information on how to become involved, contact Community Liaisons Flory Villa at (310) 452-2364, and she can help you find the best way for you to volunteer.

2021-22 Chronic Absenteeism by Student Group

| Student Group | Cumulative Enrollment |  | Chronic Absenteeism Count | Chronic Absenteeism Rate |
| :---: | :---: | :---: | :---: | :---: |
| All Students | 423 | 411 | 106 | 25.8 |
| Female | 202 | 195 | 58 | 29.7 |
| Male | 221 | 216 | 48 | 22.2 |
| American Indian or Alaska Native | 1 | 1 | 0 | 0.0 |
| Asian | 23 | 22 | 1 | 4.5 |
| Black or African American | 26 | 26 | 11 | 42.3 |
| Filipino | 7 | 5 | 3 | 60.0 |
| Hispanic or Latino | 195 | 189 | 68 | 36.0 |
| Native Hawaiian or Pacific Islander | 1 | 1 | 0 | 0.0 |
| Two or More Races | 25 | 25 | 4 | 16.0 |
| White | 145 | 142 | 19 | 13.4 |
| English Learners | 46 | 45 | 19 | 42.2 |
| Foster Youth | 5 | 5 | 1 | 20.0 |
| Homeless | 6 | 6 | 4 | 66.7 |
| Socioeconomically Disadvantaged | 162 | 156 | 61 | 39.1 |
| Students Receiving Migrant Education Services | 0 | 0 | 0 | 0.0 |
| Students with Disabilities | 72 | 72 | 26 | 36.1 |

## C. Engagement

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

|  | Subject | School | District |
| :--- | :---: | :---: | :---: |
| 2019-20 | 2019-20 | 2019-20 |  |
| Suspensions | 0.20 | 1.55 | 2.45 |
| Expulsions | 0.00 | 0.00 | 0.05 |

This table displays suspensions and expulsions data collected between July through June, each full school year respectively.
Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

$\left.$|  | Subject | School <br> $2020-21$ | School <br> $2021-22$ | District <br> $2020-21$ | District <br> $\mathbf{2 0 2 1 - 2 2}$ | State <br> $2020-21$ |

| Students Receiving Migrant Education Services | 0.00 | 0.00 |
| Students with Disabilities | 1.39 | 0.00 |

## 2022-23 School Safety Plan

Will Rogers is in compliance with standards delineated in Education Code 35294.2. As part of our maintenance plan, each staff member has a copy of our disaster-preparedness plan. In our disaster preparedness plan, each staff member receives a folder with outlined procedures, defined roles and responsibilities and a map of the school for evacuation locations. We have established a classroom buddy system, crisis and disaster teams, and a plan of action for various situations such as fire, earthquake, and unsafe situations that would warrant a lockdown. Annual staff review of the school's safety plan was conducted in December 2022. During the school day, administrators, certificated staff, and playground supervisors provide supervision during lunch and recess periods. All visitors are required to enter through the front office and sign in to a visitor's log. Visitors must wear district employee badges or receive a visitor's badge from the office staff when visiting the school campus. After school, Will Rogers offers a complete wrap-around day-care service through our SAP, Boys and Girls Club and CREST program. Families may enroll students in before and after care programs on a sliding fee scale. In addition, for students in grades 2-5, we offer our after-school Playground Club program through the Boys and Girls Club of Santa Monica.

The School Safety Plan was last reviewed, updated, and discussed with the school faculty in December 2022.

## D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

## 2019-20 Elementary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

| Grade Level | Average Class Size | Number of Classes with 1-20 Students | Number of Classes with 21-32 Students | Number of Classes with 33+ Students |
| :---: | :---: | :---: | :---: | :---: |
| K | 18 | 3 | 2 |  |
| 1 | 23 |  | 3 |  |
| 2 | 20 | 3 | 1 |  |
| 3 | 24 |  | 3 |  |
| 4 | 26 |  | 4 |  |
| 5 | 26 |  | 3 |  |
| 6 |  |  |  |  |

## 2020-21 Elementary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

| Grade Level | Average <br> Class Size | Number of Classes with <br> $1-20$ Students | Number of Classes with <br> $21-32$ Students | Number of Classes with <br> 33+ Students |
| :---: | :---: | :---: | :---: | :---: |
| K | 28 | 1 | 2 | 1 |
| $\mathbf{1}$ | 20 | 2 | 1 |  |
| 2 | 21 | 1 | 2 |  |
| 3 | 24 |  | 3 |  |
| $\mathbf{4}$ | 23 |  | 3 |  |
| $\mathbf{5}$ | 25 |  |  |  |
| $\mathbf{6}$ |  |  |  |  |

## 2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

| Grade Level | Average <br> Class Size | Number of Classes with <br> $1-20$ Students | Number of Classes with <br> 21-32 Students | Number of Classes with <br> 33+ Students |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
| $\mathbf{K}$ | 16 | 3 | 2 |  |  |
| $\mathbf{1}$ | 16 | 4 |  |  |  |
| $\mathbf{2}$ | 20 | 3 |  |  |  |
| $\mathbf{3}$ | 19 | 3 |  |  |  |
| $\mathbf{4}$ | 22 |  |  |  |  |
| $\mathbf{5}$ | 25 |  |  |  |  |
| $\mathbf{6}$ |  |  |  |  |  |

## 2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title | Ratio |
| :---: | :---: |
| Pupils to Academic Counselor | 0 |

## 2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Title | Number of FTE Assigned to School |
| :--- | :---: |
| Counselor (Academic, Social/Behavioral or Career Development) |  |
| Library Media Teacher (Librarian) |  |
| Library Media Services Staff (Paraprofessional) |  |
| Psychologist |  |
| Social Worker | 1.0 |
| Speech/Language/Hearing Specialist | 6.3 |
| Resource Specialist (non-teaching) |  |
| Other |  |

## 2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

| Level | Total <br> Expenditures <br> Per Pupil | Expenditures <br> Per Pupil <br> (Restricted) | Expenditures <br> Per Pupil <br> (Unrestricted) | Average <br> Teacher <br> Salary |
| :--- | :---: | :---: | :---: | :---: |
| School Site | $\$ 8,146$ | 473 | $\$ 7,673$ | $\$ 79,612.19$ |
| District | N/A | N/A | $\$ 7,242$ | $\$ 86,935$ |
| Percent Difference -School Site and District | N/A | N/A | 5.8 | -8.8 |
| State | N/A | N/A | $\$ 6,594$ | $\$ 83,102$ |
| Percent Difference -School Site and State | N/A | N/A | 15.1 | -4.3 |

## 2021-22 Types of Services Funded

A combination of state and federal funding is used to cover all aspects of our instructional program.
Title I funds are used for (at least partially):

- IB training for new teachers to our staff
- TCI subscriptions and STEM notebooks
- Professional Development
- instructional assistants and campus monitor support
- using Lexia and Freckle as a Tier II reading intervention for students in K-5
- developing a responsive classroom to provide a full social curriculum that can promote a safe and healthy learning environment for students

SMMUSD uses Title II funds to support a Math and Secondary Support Coordinator to:

- work with teachers/administrators to support student learning around math content and practices for all students
- facilitate and review the guaranteed and viable curriculum that includes use of common formative assessments to gauge student achievement
- support ongoing intervention/enrichment opportunities to address student growth and needs

Title III funds are utilized to expand educational opportunities that increase language and academic proficiency of our English learners, and to expand parent engagement opportunities.

## 2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries \& Benefits web page at http://www.cde.ca.gov/ds/fd/cs/.

| Category | District <br> Amount | State Average <br> for Districts <br> in Same Category |
| :--- | :---: | :---: |
| Beginning Teacher Salary | $\$ 51,531$ | $\$ 52,478$ |
| Mid-Range Teacher Salary | $\$ 76,941$ | $\$ 80,810$ |
| Highest Teacher Salary | $\$ 103,590$ | $\$ 101,276$ |
| Average Principal Salary (Elementary) | $\$ 130,757$ | $\$ 127,080$ |
| Average Principal Salary (Middle) | $\$ 134,664$ | $\$ 134,264$ |
| Average Principal Salary (High) | $\$ 144,513$ | $\$ 147,200$ |
| Superintendent Salary | $\$ 243,648$ | $\$ 242,351$ |
| Percent of Budget for Teacher Salaries | $31 \%$ | $33 \%$ |
| Percent of Budget for Administrative Salaries | $5 \%$ | $6 \%$ |

Professional Development is the centerpiece for our ongoing, continual growth as a teaching staff. Each Friday morning, students start school at 9:45, rather than 8:25. This provides us with three 90 -minute bank time sessions per month that are devoted to professional development. The fourth bank time is reserved for teacher preparation and planning. At one of these meetings each month, we met as a whole staff. We refer to this meeting as School-as-a Whole (SAW). During SAW meetings, we participate in professional development on topics related to our school plan. Twice a month we participate in professional learning communities (PLCs) in which teachers regularly analyze student work and assessment data and design and adjust instruction, to address that data.

PLC work is one of the most powerful and effective forms of professional development.
We examined multiple forms of data to choose topics for PD. When we looked closely at our SBAC data from previous years, we noticed that students struggled in all areas within the mathematics. To address this, our main focus for the 2022-2023 school year will in building teacher capacity and fidelity in teaching the mathematical standards using an inquiry-based workshop approach in grades TK-5. In addition, through the support and guidance of our Site Leadership Team (PLCs) will engage in four cycles of inquiry (design, implement, refine).

In addition to our Friday bank time professional development, we set aside funds for teachers to attend trainings in the summer and during the school year. A significant part of our professional development is our work with the Teachers College Reading and Writing Project from Columbia University, New York City. In addition, we are have achieved the status of International Baccalaureate Authorization; this has resulted in significant professional development and collaboration.

Our Instructional Coach meets with grade-level teams, models lessons in classrooms, and collaborates with teachers to design and deliver instruction.

Each August, all teachers new to Santa Monica-Malibu are invited to participate in Teacher Academy, a professional development and orientation to districtwide curriculum and instructional initiatives. All eligible new teachers are encouraged to participate in BTSA. Teachers interested in applying for National Board Certification may participate in the process and can elect to be supported by teachers who have already achieved National Board Certification.

This table displays the number of school days dedicated to staff development and continuous improvement.
