WorkAbility Polices & Procedures

WorkAbility Mission Statement

The mission of WorkAbility (WAI) is to promote the involvement of key stakeholders including students, families, educators, employers and other agencies in planning and implementing an array of services that will culminate in student’s successful transition to employment, lifelong learning, independence, and a quality of life.

Services

Students with an active Individual Education Plan (I.E.P) that attend Santa Monica- Malibu USD high school are eligible to receive services through the WorkAbility (WAI) Program. These services, however, are not mandated by the I.E.P and should not be confused as a required component for transition. Interested eligible students may receive some, many or all services but not all eligible students will be placed in a paid work based experience.

First few months of the school year, WorkAbility Staff promotes the services of WAI in students English and SAI Tutorial classes. At that time, students are given information through a presentation and handouts that describing the program. In addition, WAI staff will continuously visit those classrooms throughout the school year to enhance importance of career planning.

**General WorkAbility Referral Procedure with Case Management to Parental Approval**

I. **Referral Procedures**

Referrals that are made by Teacher of Record, Teachers, and Advisors to WAI Site Representatives in person, via email, or telephone contact, regarding specific student/students.

*Referrals, however, do not guarantee placement in WAI program. WAI is not a required IEP service.*

Self-Advocacy/Walk-In students are encouraged. Students will be assessed. WAI Representative will contact teacher/advisor to review student eligibility.

II. **Eligibility for Services Review**

Review of the following areas will be made, after initial referral to determine eligibility:

1. Confirmation of open IEP Status
2. An assessment and evaluation of work-readiness
3. Evaluation of student behavior history
4. Review of student attendance at school
5. Review of academic performance

*As WAI goals work within the academic context and educational goals that are set for student’s pursuit of employment goals should not interfere with successful completion of their academic goals.*

If appropriate, placement packet is given to student after student meet initial eligibility criteria

*WAI placement process will not begin until all documents are attached, signed and then returned to WAI representative. Parent signature is required in all forms that request it. Student must meet state work eligibility to be placed.*

III. **Case Management**

Once work-site has been determined for student WAI Representative will provide the following:

1. Preparation for worksite: job interview/orientation, dress code, schedule (May vary on worksite and expectations on duties.
2. Review of timesheet procedures: paycheck procedures and designated payroll dates
4. **Job support and employer follow-up:** by phone, in-person or with evaluations. Job coaching on or off worksite, and job development that may lead to direct hire.

**IV. Parental Approval**

Students under the age of 18, or conserved, must have parental approval for WAI placement services.

*After initial parental approval is received, contact may be made to parents/guardian regarding student status, depending on the individual situation.

**Employer Worker Agreements:**

The WorkAbility I Program (WAI) works with various employers in the community and we make every effort to place students in an area of interest and ability. Before placement, students will participate in a brief job interview or orientation with the worksite supervisor or WAI representative. These employers have agreed to train student workers to assist in gaining valuable work experience and increase their employability for future jobs in the community. WAI pays the student worker for a set amount of hours contracted prior to employment. Work schedules will be determined by either the WAI staff or worksite supervisor and the student worker.

Each student worker participating in this program must adhere to the following:

**Attendance/ Absences:** Enrolled students must notify their worksite manager and WAI staff, prior to their work shift, if they are going to be absent or late. A student worker may not work if they are absent from school without prior approval from the WAI staff. A decline in attendance will either place the student worker on probation or possible termination from the WAI program as determined by the WAI Director. (WAI Director has the discretion to review each case to determine the most appropriate action).

**Illness:** If you are ill for more than three days you must get a written parent/guardian excuse before you return to work.

**Hospital:** If you have to be hospitalized, your parent or guardian must notify WAI staff of your expected return to work date. A doctor’s return to work release needs to be provided.

**Emergency:** If you experience an emergency, you must notify your worksite manager and WAI staff and inform them about the amount of time you will be away.

**Work or Non-Work related Injury:** The student worker will within 24 hours notify the WAI staff to determine if the student is able to continue work or needs time off. In addition, a doctor's release may be required to return to worksite.
Policy & Procedures

**Dress Code:** During the interview, eligible students are expected to dress in business like attire. Student and WAI Staff will review options. If a student is unable to meet these expectations due to limited resources, student must notify WAI staff prior to the interview date to discuss options.

Students must be aware of and adhere to the worksites expectations and rules regarding appearance. This may include but is not limited to: wearing clean clothing, wearing non-slip shoes, wearing a specific type of shirt or color. Students are not to wear items that may pose a potential danger such as: large earrings, piercings, and dangling or large jewelry. Students must ensure that hairstyles, make-up, and facial hair is in good taste and will not interfere with your work duties.

**Work Behavior:** Eligible students will be expected to demonstrate mature behaviors as well as a willingness to work. Students are expected to;

- Arrive on time.
- Students are expected to be courteous towards managers, co-workers and the public.
- Students are expected to manage their work time, complete tasks as instructed, ask questions if they need further clarification or instructions and seek additional assignments once issued tasks have been completed.
